Section 1

- A. Application is Approved. The Application is approved by the Sponsor. A copy of the Application is attached hereto as Appendix 1 and constitutes a part of this Charter. In the event of any conflict between the Application and any other provision of this Charter, the Charter provision shall control.
- B. Term of Charter.
1. Effective Date. This Charter shall become effective on the date it is approved by the both parties.
 2. Term. The term of this Charter shall be 5 years commencing on the last date a party hereto signs this Charter and ending June 30, 2022 unless terminated sooner as provided herein. The term shall be automatically extended on a month-to-month basis until the Charter has been renewed, nonrenewed, or terminated by the Sponsor. If the parties cannot reach agreement on the terms of a new contract, either party may request mediation from the FDOE, pursuant to section 1002.33(6)(h), Florida Statutes. If the Commissioner of Education determines that the dispute cannot be settled through mediation, the dispute may be appealed to an administrative law judge appointed by the Division of Administrative Hearings. The administrative law judge has final order authority to rule on whether proposed provisions of the charter violate the intended flexibility granted charter schools by statute.
 3. Start-Up Date. For the first year of operating under this Charter the School shall begin classes on the same day as the Sponsor or at such other time as otherwise agreed to by the Parties. The school cannot open absent submission of all required Pre-Opening documents as specified in Section 11 of this contract. In the event that the School has not submitted all Pre-Opening documents the School shall be afforded the opportunity to take one (1) planning year. The planning year does not extend the term of this Contract. Failure to open the School within 24 months of application approval is good cause for termination of this Charter.
 4. Charter Modification. This Charter may be modified during its initial term or any renewal term only upon approval of both parties. No such modification shall be enforceable unless it is in writing and approved by both the Governing Board and the Sponsor. If the modification involves changes to the grade levels, except as provided by law for high-performing charter schools, the School must provide information acceptable to the Sponsor relating to curriculum, budget, facilities, and staff.
 5. Charter Renewal. This Charter may be renewed as provided for in section 1002.33, or 1002.331, Florida Statutes. A Sponsor may not require a charter

school to waive the provisions of s. 1002.331, Florida Statutes, or require a student enrollment cap that prohibits a high-performing charter school from increasing enrollment in accordance with s. 1002.331(2), Florida Statutes, as a condition of approval or renewal of a charter.

C. Education Program and Curriculum

1. Any material change to the education program and/or curriculum as described in the approved Application or Charter must be submitted in writing and requires Sponsor approval.

2. The School agrees to implement its educational and related programs as specified in the Application unless otherwise modified by this Charter.

3. The School shall make reading a primary focus of the curriculum and provide sufficient resources to identify and provide specialized instruction for students who are reading below grade level. The reading curriculum and instructional strategies shall be consistent with Florida Standards and grounded in scientifically-based reading research.

4. The School shall adopt the District's plan for English Language Learners, or implement an alternate District approved plan. If applicable, the School's plan for English Language Learners is attached hereto as Appendix 3. The plan must include sufficient information and detail to allow the Sponsor to determine legal sufficiency.

5. The School will establish the current incoming baseline standard of student academic achievement, the outcomes to be achieved, and the method of measurement that will be used, as described in the approved Application or otherwise described in this Charter.

6. The School shall use methods to identify the educational strengths and needs of students and how well educational goals and performance standards are met by students attending the charter school. The methods shall provide a means for the charter school to ensure accountability to its constituents by analyzing student performance data and by evaluating the effectiveness and efficiency of its major educational programs.

7. The School agrees to ensure that its learning methods, programs and operations are innovative and consistent with the State education goals established by section 1000.03(5), Florida Statutes.

D. Renewal/Non-Renewal/ Termination

1. Non-Renewal/Termination of this Charter. The Sponsor shall make

i. Failure to participate in Florida's education accountability system created in s. 1008.31, as required in this section, or failure to meet the requirements for student performance stated in the charter.

ii. Failure to meet generally accepted standards of fiscal management.

iii. Violation of law.

iv. Other good cause shown, which may include, but is not limited to, any of the following:

a. Failure to cure a material breach of any term or condition of this charter after written notice of noncompliance;

b. Failure to implement a reading curriculum that is consistent with effective reading strategies grounded in scientifically based reading research if not timely cured after written notice;

f. Violation by the School of any court order pertaining to the operation of the School;

g. A criminal conviction upon matters involving the School against either the Governing Board,

its members (collectively or individually), or the management company where the Board knew or should have known of the conduct underlying the conviction and failed to take corrective action;

h. Failure by the School to timely submit to the District a financial corrective action plan or financial recovery plan and required supporting documents following a notification from the District, Auditor General, or FDOE, that such a plan is required;

i. Failure by the School to implement any financial corrective action plan or financial recovery plan approved by the Florida Commissioner of Education pursuant to section 218.503, Florida Statutes;

j. Failure to provide periodic progress reports as required by the financial recovery plan if not timely cured after written notice;

k. Perpetration of a material fraud upon the District or material intentional misrepresentation in the Application;

l. Failure to comply with background screening and other requirements set forth in section 1002.33, Florida Statutes;

r. Failure to obtain and maintain all necessary licenses, permits, zoning, use approval, facility certifications, and any other approval required by the local government or any other governmental authorities having jurisdiction at any time during the term of this Charter.

2. The Sponsor shall notify the Governing Board in writing at least ninety days prior to renewing, non-renewing, or terminating this Charter.

i. If the Sponsor issues a notice of non-renewal or termination, the notice shall state in reasonable detail the grounds for the proposed action and stipulate that the Governing Board may, within 14 calendar days of receipt of the notice, request a hearing.

ii. A request for a hearing must be authorized by a vote of the Governing Board and be submitted pursuant to the Notice provisions of this Contract.

3. The Sponsor may immediately terminate this charter pursuant to section 1002.33(8)(d), Florida Statutes.

i. Upon receipt of notice of immediate termination from the Sponsor, the School shall immediately provide the Sponsor access to the School's facilities along with security system access codes and access codes for all School owned/leased computers, software, networking, switching and all other technical systems in the School's facilities or remotely located areas serving the School, and shall immediately make accessible all educational and administrative records of the School. Moreover, within two (2) business days, the School shall turn over to the Sponsor copies of all records and information regarding the accounts of all of the public funds held by the School. The Sponsor shall assume operation of the school throughout the pendency of the hearing as provided for in s. 1002.33(8)(d), Florida Statutes, unless the continued operation of the School would materially threaten the health, safety or welfare of the students. Failure by the Sponsor to assume and continue operation of the School shall result in the awarding of reasonable costs and attorney's fees to the School if the School prevails on appeal. If the

School prevails in an appeal through a final adjudication and mandate by the appellate court, or by the final order of the School Board (if no appeal is filed), the Sponsor shall, immediately, return to School all keys, security codes, all educational and administrative records of the School, and the School's facility. In that case, the School's Governing Board shall resume operation and oversight of the School.

ii. The School's instructional and operational employees may continue working in the School during the time that the Sponsor operates the School, at the Sponsor's option, but will not be considered employees of the Sponsor. Any existing employment contracts that any School personnel may have with the School may not be assumed or transferred to the Sponsor or any entity created by the Sponsor during the assumption of operations of the School unless the Sponsor or its entity, and the School, agree otherwise. The Sponsor reserves the right to take any appropriate personnel action regarding the School's employees.

4. If the School elects to terminate or non-renew the Charter, it shall provide reasonable prior notice of the election to the Sponsor indicating the final date of operation as voted by the Governing Board at a publicly noticed meeting. A board resolution signed by the School's Governing Board chair and secretary, indicating support of this action, shall accompany the written notification provided to the Sponsor. The School agrees that such notification shall be considered a voluntary termination by the governing board and a waiver of its right to a hearing or appeal.
5. Upon notice of termination or non-renewal the School shall not remove any public property from the premises.

E. Post Termination Provisions

1. If this Charter is not renewed or is terminated, the School shall be responsible for all the debts of the School. The District shall not assume the debt from any contract for services including lease or rental agreements, made between the School and a third party, except for a debt previously detailed and agreed upon, in writing, by both the Sponsor and the Governing Board and that may not reasonably be assumed to have been satisfied by the Sponsor.

2. In the event of termination or non-renewal of this charter, any and all leases existing between the District and the School shall be automatically cancelled, unless the lease provides otherwise. In no event shall the District be responsible under any assignment of a lease for any debts or obligations of the School incurred prior to such assignment.

3. In the event of termination or non-renewal any students enrolled at the School may be enrolled at their home District school, or any other school, consistent with the District's student transfer procedures including transfer of all student records to the receiving school. All assets of the School purchased with public funds, including supplies, furniture and equipment, will revert to full ownership of the Sponsor (subject to any lawful liens or encumbrances) or as otherwise provided by law. Any unencumbered public funds from the charter school, district school board property and improvements, furnishings, and equipment purchased with public funds, or financial or other records pertaining to the School, in the possession of any person, entity, or holding company, other than the charter school, shall be held in trust upon the Sponsor's request, until any appeal is resolved. If the School's accounting records fail to clearly establish whether a particular asset was purchased with public funds, then it shall be presumed public funds were utilized and ownership of the asset shall automatically revert to the Sponsor.

4. Final Audit: Pursuant to section 1002.33, Florida Statutes, upon notice of non-renewal, closure, or termination, an independent audit shall be completed within 30 days to account for all public funds and assets. During the fiscal year in which the termination or non-renewal occurs, the Sponsor may withhold from the School's FEFP funds, without penalty or interest, an amount necessary to cover the costs for a final financial audit of the School. The audit shall be conducted by an independent certified public accountant.

F. General Statutory Requirements

1. The School shall not discriminate in educational programs/activities or employment and shall provide equal opportunity for all as required by Federal, State and local law, rule, regulation and court order.

2. Additionally, the School shall comply with those statutes that specifically apply to charter schools as set forth in section 1002.33 generally, subsection 1002.33(16), and other applicable State laws. The School agrees that it will abide by all Federal and State laws, statutes, rules, and regulations applicable to charter schools and also abide by the terms and conditions of the Charter.

Section 2: Academic Accountability

Student academic achievement for all students shall be the most important factor when considering whether to renew, non-renew, or terminate this charter.

A. Annual Objectives

1. By September 15th of each year the Sponsor shall provide the School with academic student performance data on state required assessments for each student attending the School that was enrolled the prior year in another public school, pursuant to s. 1002.33(7)(a)3., Florida Statutes. The Sponsor may fulfill this requirement by providing the School access to the data.
2. By September 15th of each year the Sponsor shall provide the School the rates of academic progress for the prior year for comparable student populations in the district school system. The data shall include proficiency and growth on state assessments for English Language Arts and Mathematics by grade grouping (grades 3-5, 6-8, 9-11) for the following student groups (or such subjects, grade groupings and student groups as set forth by FDOE):
 - i. Students scoring a level 1 on prior year assessment
 - ii. Students scoring a level 2 on prior year assessment
 - iii. Students scoring a level 3 or higher on prior year assessments
 - iv. Students with disabilities
 - v. English Language Learners
3. By October 15th of the first year of the School's operation, the School shall provide its proposed academic achievement goals for the current year to the Sponsor. The academic achievement goals shall include, at a minimum, growth and proficiency on state assessments, and may include performance on additional assessments included in the approved charter application. If the school will not serve students in grades that participate in the statewide assessments the academic achievement goals shall be based on the assessments included in the approved application, and at least one assessment administered in traditional public schools in the District.
 - i. The Sponsor shall review the proposed academic achievement goals within 30 days of receipt. If the Sponsor does not accept the proposed academic achievement goals it shall provide the School a written explanation. If the School and Sponsor cannot agree on academic achievement goals either party may request mediation pursuant to section 1002.33(6), Florida Statutes. If the Sponsor does not provide written notification within 30 days of receipt, the goals shall be deemed accepted by the Sponsor.
4. By October 15th of the second year of the School's operation, the school shall provide its proposed academic achievement goals for the remaining years of the contract, up to a maximum of four years or the end of the current contract term, whichever occurs first, using the same parameters and testing set forth in Section 2.A.3, above. Schools that have contracts in excess of five years shall resubmit proposed academic achievement goals every four years pursuant to the process described in this paragraph.

- i. The Sponsor shall review the proposed academic achievement goals within 30 days of receipt. If the Sponsor does not accept the academic achievement goals it shall provide the School a written explanation. If the Sponsor does not respond within 30 days of receipt the academic achievement goals are deemed accepted. If the School and Sponsor cannot agree on academic achievement goals either party may request mediation pursuant to section 1002.33(6), Florida Statutes. The goals may be adjusted at any time upon mutual written consent of both parties.
5. Annually, the School shall report its performance against the academic goals. If the School falls short of the academic achievement goals set forth under the provisions of this contract the Sponsor shall report such shortcomings to the FDOE.
6. The School and Sponsor may agree to adjust the goals through a contract amendment or addendum.
7. **Methods of Measurement:** The methods used to identify the educational strengths and needs of students are set forth in the approved Application.
8. **School Improvement Plans:** The School shall develop and implement a School Improvement Plan as required by section 1002.33(9)(n), Florida Statutes and applicable State Board of Education Rules or applicable federal law.

B. Assessments

1. **State required assessments:** All students at the School will participate in all State assessment programs and assessments required by law. The School shall facilitate required alternate assessments and comply with state reporting procedures.
2. **Additional Assessments:** Students may participate in any or all District assessment programs in which the District students in comparable grades/schools participate and shall participate in any other assessments as described in the Application. The School shall be responsible for the costs of District assessments that are not required by law or this Charter, except those developed with federal funds or those developed using Florida's Item Bank and Test Platform. The School shall provide evidence to the Sponsor of the frequency and types of assessments taken and by what classes and/or grades.
3. If an IEP, 504 Plan and/or an EP for a student indicate accommodations or an alternate assessment for participation in a State assessment, or District assessment, as applicable, the School will facilitate the accommodations or alternate assessment and comply with State reporting procedures.

4. All School personnel involved with any aspect of the testing process must abide by State policies, procedures, and standards regarding test administration, test security, test audits, and reporting of test results. The Sponsor shall invite the School staff to District offered training related to State assessment administration and, as applicable, District Assessment administration, at no cost to the School and the School's testing coordinator shall attend. The Sponsor shall provide to the applicable School staff all services/support activities that are routinely provided to the Sponsor's staff regarding implementation of District and State-required assessment activities. The School shall designate a testing coordinator whose duties include training school staff such as proctors and school administrators relating to testing protocols and activities. The School shall be responsible for proper test administration. The School shall permit the Sponsor to monitor and/or proctor all aspects of the School's test administration, if the Sponsor deems it necessary. The Sponsor, however, is not obligated to monitor and/or proctor. If the School fails to administer the State-required assessments and/or any other required assessments, or if improprieties occurred related to its test administration of these required assessments, then such failure or impropriety may be good cause for the Sponsor's termination of this Charter.

5. The District shall provide the School with reports on District and State assessments in the same manner and at the same time as for all public schools in the District.

6. The School shall, at its expense, provide adequate and secure technological infrastructure to support all required online test administration.

- C. Student Promotion/Graduation: The School's student promotion policy shall be consistent with the provisions of the Application. The School will adopt the Sponsor's student progression plan and may adopt additional requirements beyond those set forth in the Sponsor's student progression plan.

The School's policy for determining that a student has satisfied the requirements for graduation shall be consistent with the provisions of the Application, and Florida Law.

Schools that serve students in grade 12 shall annually notify parents in writing the accreditation status of the school and the implications of non-accreditation, if applicable. The notification may be provided in the parent handbook.

- D. Data Access and Use Pursuant to Statute

The School agrees to allow the District reasonable access to review data sources in order to assist the District in making a valid determination about the degree to which student performance requirements, as stated in this Charter, have been met.

Section 3: Students

- A. The School will serve students in grades K through 8 with a plan to add grades 9 through 12 in successive years.

Minimum Enrollment Requirements: The School's minimum enrollment of operation is 254. The parties agree that this is the minimum enrollment that will support the School's operations for each year. Failure to achieve the minimum enrollment by the Survey 2 FTE period each year of the Charter may constitute good cause for termination or non-renewal. A budget to support this minimum enrollment is provided in Appendix 2.

The School may provide enrollment preferences as allowed for in section 1002.33(10), Florida Statutes. Further, the School may limit the enrollment process to target specific student populations as set forth in section 1002.33(10)(e), Florida Statutes as described in the approved application.

The School will accept all eligible students in accordance with federal and state anti-discrimination laws and in accordance with the Florida Educational Equity Act, section 1000.05(2) (a), Florida Statutes. The School will not discriminate on the basis of race, gender, ethnicity, religion, national or ethnic origin or disability in the admission of students. The school may not request prior to enrollment, through the application or otherwise, information regarding the student's prior academic performance.

The School shall be non-sectarian in its programs, admissions policies, employment practices and operations. The School will meet all applicable state and local health, safety, and civil rights requirements.

- B. The School shall make reasonable efforts, in accordance with federal law, to achieve a racial/ethnic balance reflective of the community it serves or within the racial/ethnic range of other public schools in the District and shall not discriminate against students with disabilities who are served in Exceptional Student Education programs (ESE) and students who are served as English Language Learners (ELL).

If the District is operating under a federal order or other resolution or settlement agreement, the School shall comply with those requirements applicable to charter schools that are not considered a local education agency (LEA). The charter school is not required to comply with federal requirements applicable to charter schools also considered to be an LEA.

- C. Recruitment

The School will recruit throughout all segments of the community. This may include direct mailings, public advertisement utilizing the local and community press and informational meetings at a variety of locations using both English and other languages

where appropriate.

D. Eligible Students

1. Each year, the School agrees to enroll an eligible student by accepting a timely application through deadlines as determined by the Governing Board and publicly advertised. If the target goal of students is not met by the deadline, and the school wishes to extend, the School will give sufficient public notice and extend the application deadline for a set time as determined and publicized by the governing board. If, at the 10 day count, the registered enrollment as reflected in the Sponsor's data system is less than 75% of the School's total projected enrollment as described in either the approved application for the first year or as determined under the provisions of Section 3.G. of this contract, the School shall, upon request by the Sponsor, submit a revised budget within 30 days taking into account the reduced enrollment. Failure to provide the revised budget may constitute good cause for termination.
2. If the number of applications exceeds the capacity of the program, class, grade level, or building, all applicants shall have an equal chance of being admitted through a random selection process. The School may give preference in admission to students or limit the enrollment as provided for in section 1002.33(10), Florida Statutes. The School shall clearly indicate in its Policies and Procedures the lottery procedures, and any/all enrollment preferences the school will utilize.
3. Enrollment is subject to compliance with the provisions of section 1003.22, Florida Statutes, concerning school entry health examinations and immunizations.
4. If this Charter is not renewed or is terminated, a student who attended the School may be enrolled in another public school pursuant to Sponsor policies.
5. A student may withdraw from the School at any time and enroll in another public school, as determined by District policy. The School shall work in conjunction with the parent(s) and the receiving school to ensure that such transfers minimize impact on the student's grades and academic achievement.
6. Students at the School are eligible to participate in an interscholastic extracurricular activity at the public school to which the student would be otherwise assigned to attend pursuant to section 1006.15(3)(d) and 1002.20(18)(c), Florida Statutes.

E. Class Size

The School shall be in compliance with Florida Constitutional Class Size Requirements, as applicable to charter schools.

F. No later than November 1 of each year, the School shall provide to the Sponsor the School's projected enrollment for the following school year. The projected enrollment shall not constitute a cap on the School's enrollment for the following school year.

G. Annual Enrollment

1. Preliminary Projection: No later than November 1 of each year, the School shall provide to the Sponsor the School's preliminary projected enrollment for the following school year. The projected enrollment shall not constitute a cap on the School's enrollment for the following school year.
2. Annual Enrollment Capacity: The enrollment capacity shall be annually determined by the Governing Board in conjunction with the Sponsor based on the factors set forth in section 1002.33(10), Florida Statutes. The School shall provide to the Sponsor by March 1 of each year of this contract, the proposed enrollment capacity for the subsequent school year.
3. Final Enrollment Projection: No later than June 1 of each year, the School shall provide to the Sponsor the School's final enrollment projection for the upcoming school year. For purposes of this contract, final enrollment projection is not annual capacity, but is the School's projection for how many students will be enrolled when the school year begins as will serve as the basis for initial FEFP payments.

Disagreements between the Sponsor and the School relating to enrollment capacity will be resolved using the dispute resolution provisions in this Charter and section 1002.33, Florida Statutes. The School shall not enroll students in excess of the physical capacity of the building, unless the School operates multiple sessions, in which case, the physical capacity of the School shall not be exceeded during any session.

The enrollment capacity of a School that is designated as High-Performing pursuant to section 1002.331, Florida Statutes, shall be determined by the governing board.

H. Maintenance of Student Records as Required by Statute

1. The School shall maintain confidentiality of student records as required by federal and state law.
2. The School will maintain active records for current students in accordance with applicable Florida Statutes and State Board of Education rules.

3. All permanent (Category A) records of students leaving the School, whether by graduation, transfer to another public school, or withdrawal to attend another school, will be immediately transferred to the District in accordance with Florida Statutes. Records will be transmitted to the District's records retention department.
4. Records of student progress (Category B) will be transferred to the appropriate school if a student withdraws to attend another public school or any other school. The School may retain copies of the departing student's academic records created during the student's attendance at the School.
5. Upon the withdrawal of a student from the School, the School will retain the student's original records, except that such records will be immediately transferred to another District school when requested by that school. Requests for student records from public or private schools outside of the County and private schools within the County must be made in writing. Only copies of requested records may be provided. Copies only of student records may be provided to parents upon their request unless the student is considered an eligible student under FERPA. The School will retain the student's record for three (3) years after student withdrawal or until requested by another District public school in this County, whichever comes first. At the end of the third year all inactive student records will be returned to the District's records retention department.
6. Upon termination or closure of the School, all student education records and administrative records shall be transferred immediately to the Sponsor's records retention office for processing and maintenance.
7. The School will comply with all other public record retention requirements for non-student related records in a manner consistent with applicable Florida law. The School shall comply with Fla. Stat. Chapter 119 (the Public Records Act) and all other applicable statutes pertaining to public records.
8. The Sponsor will ensure that all student records will be provided immediately to the School upon request and upon enrollment of students in the School from a District school.
9. The School must maintain a record of all the students who apply to the School, whether or not they are eventually enrolled. The information shall be made available to the Sponsor upon written request. However such requests may not be made until after the October survey period. The School shall maintain documentation of each enrollment lottery conducted. Such documentation shall provide sufficient detail to allow the Sponsor to verify that the random selection process utilized by the School was conducted in accordance with section 1002.33(10)(b), Florida Statutes. Records must be maintained in accordance with

applicable record retention laws.

- I. Exceptional students shall be provided with programs implemented in accordance with applicable Federal, state and local policies and procedures; and, specifically, the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973, sections 1000.05 and 1001.42(4) (1) of the Florida Statutes, and Chapter 6A-6 of the Florida Administrative Code, relating to ESE students and students with disabilities. This includes, but is not limited to:
 1. A non-discriminatory policy regarding placement, assessment, identification, and selection.
 2. Free appropriate public education (FAPE) and providing all ESE services and accommodations as documented on the student's IEP.
 3. Individual Educational Plans (IEP's), to include at a minimum an annual IEP meeting with the student's ~~family~~ parent(s)/guardian(s) pursuant to 34 CFR 300.340-300.350 for each eligible ESE student enrolled in the School. The School shall ensure that appropriate personnel are in attendance at the IEP meeting.
 - a. Students with disabilities will be educated in the least restrictive environment, and will be segregated only if the nature and severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.
 - b. Parents of students with disabilities will be afforded procedural safeguards in their native language, consistent with the manner that those safeguards are provided in the District's traditional schools or using the District's materials. Unless the School is specifically for students with disabilities, the School shall not request through the School's application a student's IEP or other information regarding a student's special needs, nor shall the school access such information prior to the enrollment lottery.
 - c. Upon enrollment, or notice of acceptance sent to the student, the School may request from the District information related to the student's program and needs, including the student's most recent IEP, which shall be provided within 10 days. If the School believes, upon review of the IEP, that the student's needs cannot be met at the School an IEP meeting shall be convened within 30 days. The Sponsor shall be invited to and may attend the meeting, at which time the IEP team shall determine the educational needs and whether the School is an appropriate placement for the student. Those students, whose needs cannot be adequately addressed at the School, as determined by the IEP team, will be referred to an appropriate placement within the District. As

defined in federal law, an IEP Team must consist of an evaluation specialist, a general education teacher with knowledge of the child, and an ESE teacher with knowledge of the child.

The IEP Team must review the IEP and determine the student's educational needs. The IEP Team must clearly determine whether the student's IEP can be implemented at the School. Under no circumstances may the School discriminate against a student based on disability. If a referral for a change of placement is considered, the School's staff will work together with the Sponsor to ensure that the needs of these children are met.

- d. A representative of the Sponsor shall be invited to participate in all IEP meetings. The Sponsor retains the right to determine whether or not to send a representative to such meetings. In all meetings, the School shall appoint a Local Education Agency Representative (LEA Representative).
4. The School shall comply with the Sponsor's current State-approved Exceptional Student Education Policies and Procedures Manual, although it may exceed the requirements within the Plan. The School will utilize all of the Sponsor's forms and procedures related to pre-referral activities, referral, evaluation, and re-evaluation for ESE and Section 504 eligibility, IEP and 504 plan development, and placement.
5. The School shall, at its own cost and expense and not that of the Sponsor, ensure that all requirements are met, shall ensure that there are legally compliant educational assessments of the needs of the students and shall remain liable for full and complete adherence to all such requirements. The School must fund all educational and related services provided to students pursuant to the IEP. Psychological and other appropriate re-evaluations are the responsibility of the School.
6. The School shall deliver all educational, related services and equipment indicated on the student's IEP, EP, or 504 Plan. The District shall deduct any

such adjustments from the School's subsequent revenue disbursements evenly over the remaining months of the fiscal year or according to an agreed upon payment plan.

iv. The District agrees to fund the School for the students enrolled as if they are in a basic program or a special program in a District school in a manner fully consistent with Florida law. Such fee shall cover only those services provided by the Sponsor which are required to be covered

under such statute. If the School requests services from the Sponsor beyond those provided for in statute, the Sponsor and the School will enter into a separate written agreement approved by both parties.

The District shall provide the distribution of funds reconciliation simultaneously with each revenue disbursement to the School including any administrative and other fees and charges withheld.

Distribution of Funds Schedule

- i. The Sponsor shall calculate and submit twelve (12) monthly payments to the account specified by the School. Each payment will be one-twelfth (1/12) of the funds described in Section 4.A.1., above, less the administrative fee set forth in Section 4.A.3, above. The first payment will be made by July 15. Subsequent payments will be made no later than the 15th of each month beginning with August 15. The Sponsor may not delay payment to the School of any portion of the funds provided in Section 4.A.1 based on the timing of receipt of local tax revenue by the Sponsor.
- ii. For the first year of this Contract, monthly payments will be calculated as follows:
 - a. July through October payment shall be based on the School's projected enrollment as described on the cover sheet of the approved application, if a minimum of 75 percent of the projected enrollment is entered into the Sponsor's Student Information System by the first day of the current month. Otherwise, the Sponsor shall fund the School based on the number of students actually entered in the Sponsor's Student Information System as of the first day of the current month.

 - d. Payments will be adjusted retroactively for prior period adjustments.
- iii. For the second year and following years of the Contract, monthly payments will be calculated as follows:
 - a. July through October payment shall be based on the School's final projected enrollment as determined under the

Otherwise, the Sponsor shall fund the School based on the number of students actually registered as of the first day of the month.

b. Thereafter, the results of full-time equivalent student membership surveys shall be used in adjusting the amount of funds distributed monthly to the charter school for the remainder of the fiscal year.

c. Payments will be adjusted retroactively for prior period adjustments.

- iv. Payment shall not be made, without penalty of interest, for students in excess of the School facility's valid capacity as determined by the School's Certificate of Occupancy, Certificate of Use, or Fire Permit or in excess of the annual enrollment capacity for the school year (whichever is less). In the event that the required county and/or municipality facility permits do not indicate a facility capacity, the School must submit a letter from the architect of record certifying the capacity of the facility.
- v. The Sponsor may withhold monthly payments, without penalty of interest, if the School's Certificate of Occupancy, Certificate of Use, or Fire Permit has expired or has otherwise become invalid. - vi. The District shall make every effort to ensure that the School receives timely and efficient reimbursement of funds. Other than those payments provided for in this Contract, for which other requirements for

timely payments have been made, the payment shall be issued no later than ten (10) working days after the District receives a distribution of state or federal funds. If a warrant for payment is not issued within ten (10) working days after the receipt of funding by the District, or the due date set forth in this Charter, the District shall pay to the School, in addition to the amount of the scheduled disbursement, interest at a rate of one percent (1%) per month calculated on a daily basis on the unpaid balance from the expiration of the ten (10) day period until such time as the warrant is issued.

Payment shall be made to the account in a state approved depository specified and approved by the Governing Board at a public meeting. Nothing herein shall prevent the Governing Board from directing the deposit of payments with a trustee or other agent in connection with any financing or extension of credit.

Notwithstanding the foregoing, distribution of FTE funds may be withheld, upon written notice by the Sponsor, if any of the following required documents are more than thirty (30) day overdue:

- A. The School agrees to provide the following proof of insurance:
1. Errors and Omissions coverage to include prior acts, sexual harassment, civil rights and employment discrimination, breach of contract, insured versus insured, consultants and independent contractors and with minimum policy limits of \$2,000,000.00. The insurance shall be subject to a maximum deductible not to exceed \$25,000 per claim. If the insurance is on a claims-made basis, the School shall maintain, without interruption, the Professional Liability Insurance until three (3) years after termination of this Contract;
 2. General liability coverage written on an occurrence form with minimum policy limits of \$1,000,000.00 per occurrence and an aggregate limit of \$2,000,000.00;
 3. Business automobile coverage with the same limits as general liability.
- B. Property insurance shall be secured for buildings and contents. Property Insurance coverage for the “Building” includes the structure, including permanently installed fixtures, machinery and equipment, outdoor fixtures, and personal property to service the premises. If the Building is under construction, the School shall provide evidence of property insurance for the additions under construction and alterations, repairs, including materials, equipment, supplies, and temporary structures within 100 feet of the premises. If the School leases the site location, then the School shall provide on a form acceptable to the Sponsor evidence of business personal property insurance, to include furniture, fixtures, equipment and machinery used in the School.
- C. The School further agrees to secure and maintain property insurance for the School’s personal property, and to insure all of the District’s owned property, if any, to be used by the School to its full fair market value with the Sponsor named as loss payee. The insurance must be sufficient to provide for replacement of property.
- D. The School agrees to provide adequate Workers’ Compensation insurance coverage as required by Chapter 440, Florida Statutes.
- E. Fidelity Bond/Crime Coverage: The school shall purchase Employees Dishonesty/Crime Insurance for all Governing Board members and employees, including Faithful Performance of duty coverage for the School’s administrators/principal and Governing Board with an insurance carrier authorized to do business in the State of Florida and coverage shall be in the amount of no less than one million (\$1,000,000) dollars per loss /two million (\$2,000,000) dollars annual aggregate. In lieu of Employee Dishonesty/Crime Insurance, Sponsor is willing to accept Fidelity Bond coverage of

equal coverage amount.

- F. No later than 30 days prior to the opening of school, the School shall furnish the District with fully completed certificates of all insurance policies, signed by an authorized representative of the insurer(s) confirming the coverage begins by July 1. The certificates shall be issued to the Sponsor and name the Sponsor as an additional insured. Until such time as the insurance is no longer required to be maintained by the School, the School shall provide the School Board evidence of the renewal or replacement of the insurance no less than thirty (30) days before expiration or termination of the required insurance for which evidence was provided. Should any of the above described policies (A-E) be cancelled before the expiration date, written notice to the Sponsor shall be delivered in accordance with the policy provisions or within 10 days of cancellation, whichever is sooner.
- G. Failure to secure and continuously maintain all insurance listed in items A-E without cure after written notice above may constitute grounds for termination of this charter.
- H. The School agrees to indemnify and hold harmless the Sponsor, its members, officers, employees and agents, harmless from any and all claims, actions, costs, expenses, damages, and liabilities, including reasonable attorney's fees, arising out of, connected with or resulting from: (a) the negligence, intentional wrongful act, misconduct or culpability of the School's members, officers, or employees or other agents in connection with and arising out of any services within the scope of this Charter; (b) the School's material breach of this Charter or law; (c) any failure by the School to pay its suppliers or any subcontractors. In addition, the School shall indemnify, protect and hold the District harmless against all claims and actions brought against the District by reason of any actual or alleged infringement of patent or other proprietary rights in any material, process, machine or appliance used by the School, except when Sponsor supplied, or required School to use that material, process, machine, or appliance, and any claims or actions related to violation of any state or Federal statutes or regulations including those referenced in this Charter. The School shall not indemnify Sponsor for intentional or negligent conduct of Sponsor or any other cause of action caused by or through the fault of the Sponsor.
- I. Applicable to All Coverages the School Procures
 - 1. Other Coverages: The insurance provided by the School shall apply on a primary basis and any other insurance or self-insurance maintained by the Sponsor or its members, officers, employees, or agents, shall be in excess of the insurance provided by or on behalf of the School.
 - 2. Deductibles/Retention: Except as otherwise specified, the insurance maintained by the School shall apply on a first-dollar basis without application of deductible or self-insurance retention.

3. **Liability and Remedies:** Compliance with the insurance requirements of this Contract shall not limit the liability of the School, its subcontractors, its sub-subcontractors, its employees or its agents to the Sponsor or others. Any remedy provided to the Sponsor or its members, officers, employees, or agents by the insurance shall be in addition to and not in lieu of any other remedy available under the Contract or otherwise.
 4. **Subcontractors:** The School shall require its subcontractors and its sub-subcontractors to maintain any and all insurance required by law.
 5. **Waiver of Subrogation:** All policies will be endorsed for waiver of subrogation in favor of the Sponsor.
 6. **Defense outside the limits:** Whenever possible, coverage for School Leader's Errors and Omission and Sexual Abuse Liability policies should be written with "Defense Costs outside the limits". This term ensures that limits are available to pay claims rather having attorney's fees erode the available claim dollars.
- J. The District agrees to indemnify and hold harmless the School, its members, officers, employees and agents, harmless from any and all claims, actions, costs, expenses, damages, and liabilities, including reasonable attorney's fees, arising out of, connected with or resulting from: (a) the negligence, intentional wrongful act, misconduct or culpability of the District's members, officers, employees or other agents in connection with and arising out of any services within the scope of this Charter; or (b) the District's material breach of this Charter or law. In addition, the Sponsor shall indemnify, protect and hold the School harmless against all claims and actions brought against the School by reason of any actual or alleged infringement of patent or other proprietary rights in any material, process, machine or appliance used by the District or required by the District to be used by the School, and any claims or actions related to violation of any state or Federal statutes or regulations including those referenced in this Charter.
- K. Notwithstanding anything to the contrary contained herein, through such indemnification set forth in Section 8(H) and 8(J) above, the District and School do not waive sovereign immunity to the extent sovereign immunity is available. In the event of any claims described in Section 8(H) and 8(J) above, the School and Sponsor shall notify one another of any such claim promptly upon receipt of same. The School and Sponsor shall each have the option to defend such claims with their own counsel at the expense of the other party. If the Sponsor or School choose to not hire their own counsel to defend, the other party shall assume the defense of any such claim and have authority in the defense thereof. The parties' obligation to indemnify one another shall survive the termination of this Charter.
- L. **Notification of Third-Party Claim, Demand, or Other Action:** The School and Sponsor shall notify each other of the existence of any third-party claim, demand or other action giving rise to a claim for indemnification under this provision (a "third-party claim") and

shall give each other a reasonable opportunity to defend the same at its own expense and with its own counsel, provided that the Sponsor shall at all times have the right to participate in such defense at its own expense. If, within a reasonable amount of time after receipt of notice of a third-party claim, the School or Sponsor fails to undertake to defend, the other party shall have the right, but not the obligation, to defend and to compromise or settle (exercising reasonable business judgment) the third-party claim for the account. The School or the Sponsor shall make available to each other, at their expense, such information and assistance as each shall request in connection with the defense of a third-party claim.

M. Notice of Claims

1. Time to Submit

The School shall provide the Sponsor with proof of insurance pursuant to Section 8(F) of this Contract.

2. Notice of Cancellation

The evidence of insurance shall provide that the District be given no less than sixty (60) days written notice prior to cancellation.

3. Renewal/Replacement

Until such time as the insurance is no longer required to be maintained by the School, the School shall provide the District with evidence of the renewal or replacement of the insurance no less than thirty (30) days before the expiration or termination of the required insurance for which evidence was provided.

Section 9: Governance

- A. Governance of the School will be in accordance with the Bylaws or other organizational documents of the School and as described in the Application. The general direction and management of the affairs of the School shall be vested in the Governing Board with a minimum of 3 members. A majority of the voting members of the Governing Board shall constitute a quorum. A majority of those members of the Governing Board present shall be necessary to act. The Governing Board's primary role will be to set policy, provide financial oversight, annually adopt and maintain an operating budget, exercise continuing oversight over the School's operations, and communicate the vision of the School to community members. It shall be the duty of the Governing Board to keep a complete record of all its actions and corporate affairs and supervise all officers and agents of the School and to see that their duties are properly performed.

The governing board must appoint a representative to facilitate parental involvement, provide access to information, assist parents and others with questions and concerns, and

resolve disputes. The representative must reside in the school district in which the charter school is located and may be a governing board member, charter school employee, or individual contracted to represent the governing board. If the governing board oversees multiple charter schools in the same school district, the governing board must appoint a separate individual representative for each charter school in the district. The representative's contact information must be provided annually, in writing, to parents and posted prominently on the charter school's website.

All meetings and communications involving members of the Governing Board shall be held in compliance with Florida's Sunshine Law.

The Board shall have at least two public meetings per school year within the District. The meetings must be noticed, open, and accessible to the public, and attendees must be provided an opportunity to receive information and provide input regarding the charter school's operations. The appointed representative and charter school principal or director, or his or her equivalent, must be physically present at each meeting.

All members of the Governing Board will be required to attend Governance training and refresher courses as required by section 1002.33, Florida Statute, and Rule 6A-6.0784, Florida Administrative Code.

The Governing Board will serve as the sole responsible fiscal agent for setting the policies guiding finance and operation. School policies are decided by the Governing Board, and the Principal ensures that those policies are implemented.

The School will be a private employer and will not participate in the Florida Retirement System (FRS); however, the School may consider becoming a public employer and participating in FRS in the future.

- B. The School shall be organized as a Florida nonprofit organization.
- C. The Bylaws or other organizational documents of the School shall establish the procedures by which members of the Governing Board are appointed and removed and the election of officers. The Governing Board will develop and implement policies regarding educational philosophy, program, and financial procedures. The Governing Board will oversee assessment and accountability procedures to assure that the School's student performance standards are met or exceeded.
 - 1. The Governing Board shall exercise continuing oversight over charter school operations and will be held accountable to its students, parents/guardians, and the community at large, through a continuous cycle of planning, evaluation, and reporting as set forth in section 1002.33, Florida Statutes.
 - 2. The Governing Board will be responsible for the over-all policy decision

making of the School, including the annual approval of the budget.

3. Upon nomination and prior to appointment to the Governing Board, a member shall be fingerprinted pursuant to section 1002.33(12)(g), Florida Statutes. The cost of the fingerprinting is the responsibility of the School or governing board member. Prospective governing board members whose fingerprint check results warrant disqualification under the Statute shall not be appointed to the board.

4 The Governing Board shall ensure that the school has retained the services of a certified public accountant or auditor for the annual financial audit, pursuant to section 1002.345(2), Florida Statutes, who shall submit the report to the Governing Board.

5. The Governing Board shall review and approve the audit report, including any audit findings and recommendations for the financial recovery plan.

6. The Governing Board shall perform the duties set forth in section 1002.345, Florida Statutes, including monitoring any financial corrective action plan or financial recovery plan.

7. No member of the Governing Board or their immediate family will receive compensation, directly or indirectly from the School or the School's operations. No School or management company employee, or his/her spouse, shall be a member of the Governing Board. Violation of this provision or any violation of sections 112.313(2),(3),(7) and (12) and section 112.3143, Florida Statutes, by a member of the Board, shall constitute a material breach of this Charter.

8. Any change in governing board membership must be reported to Sponsor in writing within 5 business days of the change.

- D. The School shall allow reasonable access to its facilities and records to duly authorized representatives of the District. Conversely, the District shall allow reasonable access to its records to duly authorized representatives of the School to the extent allowable by law.

To the extent the School is provided access to Sponsor's data systems, all School employees and students will be bound by Sponsor's computer policies and standards regarding data privacy and system security.

- E. If an organization (management organization), including but not limited to: 1) a management company, 2) an educational service provider, or 3) a parent organization, will be managing or providing significant services to the School, the contract for services between the management organization and the Governing Board shall be provided to the Sponsor and attached as an appendix to this Charter. Any contract between the

management organization and the School must ensure that:

1. Members of the Governing Board or their spouses will not be employees of the management organization, nor should they be compensated for their service on the Board or selected to serve on the Board by the management organization.
2. The Governing Board retains the right to hire an independent attorney, accountant, and audit firm representing and working for, or on behalf of, the School. Notwithstanding, the Governing Board and the management organization may contract for such services as determined by the management agreement and as otherwise allowed by law. The Governing Board shall use an audit firm that is independent from the management organization for the purposes of completing the annual financial audit required under section 218.39, Florida Statutes.
3. The contract will clearly define each party's rights and responsibilities including specific services provided by the management organization and the fees for those services and specifies reasonable and feasible terms under which either party may terminate the contract.
4. All equipment and furnishings that are purchased with public funds will be the property of the School, not the management organization and any fund balance remaining at the end of each fiscal year will belong to the School, not the management organization.
5. All loans from the management organization to the School, such as facility loans or loans for cash flow, will be appropriately documented and will be repaid at a rate no higher than market rates at the time of the loan.
6. A copy of any material changes to the contract between the management organization and the Governing Board shall be submitted to the District within five (5) days of execution. The Sponsor shall have 30 days to review the material changes. If the changes violate the terms of this Contract or applicable law the Sponsor shall provide written notice to the School which shall include a description of the violations. The School may address the concerns or initiate the dispute resolution process included in this Charter.
7. The management organization will perform its duties in compliance with this Charter.

- F. Any default or breach of the terms of this Charter by the management company shall constitute a default or breach under the terms of this Charter by the School unless the School cures such breach after written notice.

- E. The School may not employ an individual to provide instructional services or to serve as a teacher's aide if the individual's certification or licensure as an educator is suspended or revoked by this or any other state.
- F. Stat. § 1002.33(7) (a) (18):

If the relative is employed after execution of this Contract, the School shall disclose to the District, within 10 business days, the employment of any person who is a relative as defined in section 1002.33(7)(a)18., Florida Statutes.

The School shall comply with the restriction on employment of relatives provisions included in section 1002.33(24), Florida Statutes.

- G. The School may not knowingly employ an individual who has resigned from a school or school district in lieu of disciplinary action with respect to child welfare or safety or who has been dismissed for just cause by any school or school district with respect to child welfare or safety or who is under current suspension from any school or school district.
- H. The School shall disclose to the parents the qualifications of its teachers in the manner required by law. The School shall provide to the District, prior to the opening of school, the qualifications and assignments of all staff members using the Sponsor's designated database. Teaching assignments must match the State's course code directory numbers. Changes will be provided to the District within 3 work days of hiring, granting leaves of absence, and/or terminating teachers.

- I. The School shall implement policies and procedures for background screening of all prospective employees, volunteers and mentors.

The results of all such background investigations and fingerprinting will be reported in writing to the Superintendent of Schools or his/her designee. The School shall notify the District's Human Resource Department when a staff member is no longer employed at the School.

The School shall require all employees and Board members to self-report within 48 hours to appropriate authorities any arrest and final disposition of such arrest other than minor traffic violations. The School shall then take appropriate action relating to the employment of that individual.

Nothing herein shall be construed to limit the Sponsor's ability to immediately terminate this Charter in accordance with section 1002.33(8)(d), Florida Statutes. It is anticipated that a continuing policy of open communication between the Sponsor and the School will prevent the need for implementing a conflict/dispute resolution procedure.

The following dispute resolution process, not otherwise pre-empted by section 1002.33, Florida Statutes, shall be equally applicable to both parties to this Charter in the event of a dispute. All disagreements and disputes relating to or arising out of this Charter which the parties are unable to resolve informally, may be resolved according to the following dispute resolution process:

N. Citations

Whenever a Florida Statute or State Board of Education Rule is referenced in this Charter, it shall be construed to mean the statute or rule in effect on the effective date of this Charter, and as it is amended from time to time.

School Board policies will not control this Charter or be incorporated herein absent written consent of the Governing Board, as provided by Florida law, unless the School agreed to such policies in the approved Application or otherwise agreed to by the Governing Board in writing.

If the Sponsor subsequently amends any agreed-upon Sponsor policy the version of the policy in effect at the time of the execution of the charter, or any subsequent modification thereof, shall remain in effect and the Sponsor may not hold the charter school responsible for any provision of a newly revised policy unless the revised policy is mutually agreed upon.

Upon the Sponsor's revision of a mutually agreed upon Sponsor policy, the Sponsor shall provide written notification to the School and Governing Board. The written notification shall include the revised policy and shall allow the Governing Board 45 days to reject the revised policy. If the Governing Board does not provide written notice of its rejection of the policy, the revised policy is deemed accepted by the Governing Board. If the Governing Board rejects the revised policy it shall remain bound by the policy as it existed at the time the Governing Board agreed to it.
