

A large red speech bubble graphic with a white outline, pointing downwards. The text is centered within the bubble. The background features faint, overlapping concentric circles and curved lines in light gray and white.

Science Fair School Board
Recognition
2018-2019 School Year

Recognition of
Clay
Achievement

Brady White from Green Cove Springs JH participated in the SSEF.

Serenity Derosie from Orange Park JH participated in the SSEF.

Tatum Wade from Green Cove Springs JR received the Dr. Benjamin Cole Award for outstanding achievement in Cellular/Molecular Biology & Biochemistry.

Jacob Milchesky from Fleming Island HS participated in the SSEF.

Dane Dorell from Ridgeview HS received an honorable mention in the Physics & Astronomy category.

Madison Oakes, Hailey Coughlin, and Abbigayle Davis from Oakleaf HS received a Florida Foundation for Future Scientists Special Recognition award.

Recognition of Clay Achievement

Jason Chen from Ridgeview HS received a the NASA Earth System Science Award and a special award from FASS (Florida Association of Science Teachers).

Zachary Barken from Clay HS took 4th place in the Physics & Astronomy category. He also received the United States Navy Science Research Award.

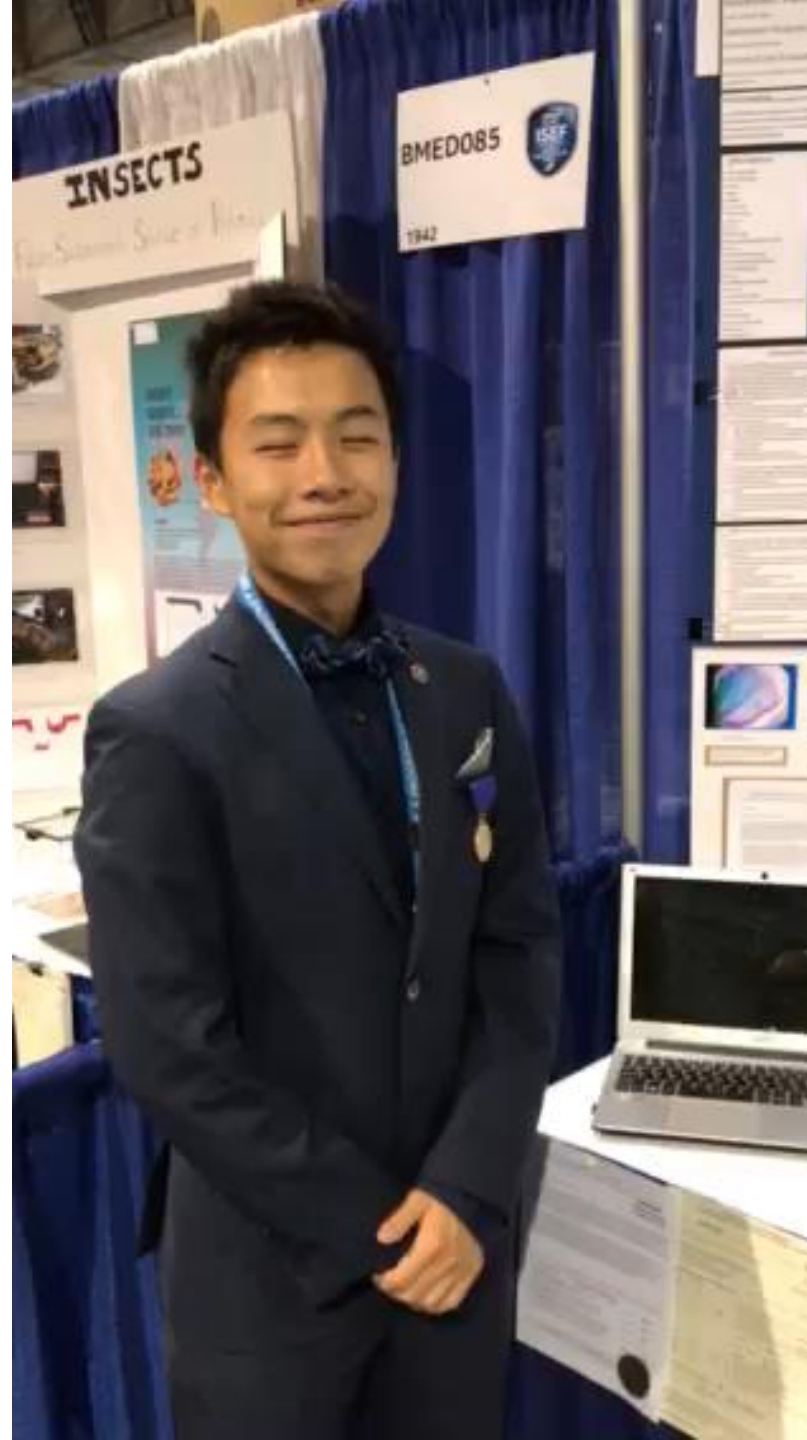

Michael Chen from Ridgeview HS took 3rd place in the Biomedical and Health Sciences category.

Evan Collins from Ridgeview HS took 1st place in the Earth and Environmental category as well as the Ying Award Grand Scholars that includes a scholarship to ISEF in Pittsburgh! He also received the Embry-Riddle Aeronautical University Award for Outstanding Research.

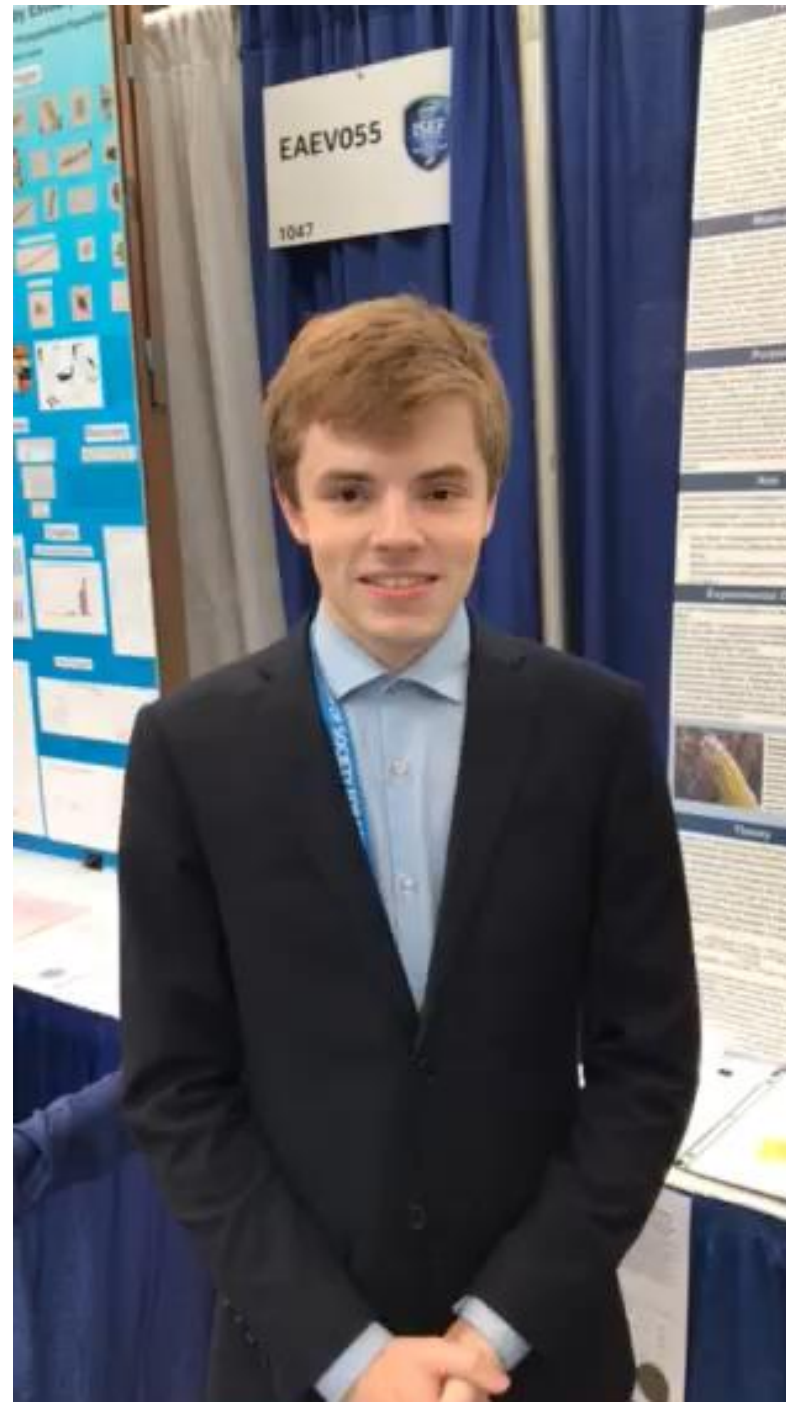

State Science & Engineering Fair

Michael Chen,
ISEF 2018

Evan Collins,
ISEF 2018

ISEF Results

- **Michael Chen (10th Grade) and Evan Collins (12th Grade) both competed against:**
 - 1800 projects
 - 81 Countries, Territories, and Regions
- Evan placed third (in the world) in the Earth and Environmental Science category.
- Michael received a special award from the Air Force Research Laboratory for his award in Biomedical Engineering.
