CLAY COUNTY DISTRICT SCHOOLS

CAREER + TECHNICAL EDUCATION

START HERE. GO ANYWHERE.

*** All photos taken before COVID*

**“We need Vocational
Programs back in schools”**

CTE is the new Vocational

Then	Now
Vocational Education	CTE (Career and Technical Education)
For a Few Students (non college bound)	For all Students
For a Few “Jobs” (those requiring less than an associate’s degree)	For all “Careers” (requiring technical degrees, baccalaureate degrees, professional degrees)
6 to 7 “Program Areas”	17 Clusters, over 300 programs
In Lieu of Academics	Aligns/Supports Academics (integral partner in high school reform efforts)
High School Focused	Middle School and transition to postsecondary (certificate, 2 year, 4 year plus)

**“Why don’t schools offer
Home Economics anymore?”**

- **Family and Consumer Science has been the “new” title for Home Ec for over 25+ years**
- **We have Family & Consumer Science programs in all of our Junior High Schools, Senior High Schools and CVA.**
- **28 Family and Consumer Science Teachers District Wide**

<i>Then</i>	<i>Now</i>
Cooking	Culinary Arts
Sewing	Fashion and Interior Design
Child Development	Early Childhood Education

**“My Child doesn’t need to take
CTE classes - they are going to
college”**

-
