Agenda Items

[1. Approve the changes to the early dismissal times for all junior high school students, except those attending Keystone Heights Junior/Senior High School, for June 1 and June 2, 2021](#)

Motion

Motion to approve changes to the early dismissal times for all junior high school students, except those attending Keystone Heights Junior/Senior High School, for June 1 and June 2, 2021

Minutes

The currently scheduled dismissal time of junior high students on June 1 and June 2 at 12:45 p.m. will not allow sufficient time for the timely pickup and transportation of high school and elementary students on those dates. Revising the pickup time of the junior high students will resolve the scheduling conflict within transportation and ensure the safe supervision and transportation of all students. This change will not affect Keystone Heights Jr. High students because they are transported at the same time as Keystone Heights Sr. High students. The required educational minutes will still be met.
