Career and Technical Education Month - 2022

Celebrating Business Partner Engagement by Recognizing the work of CTE Advisory Boards

The primary purpose of the CTE Program Advisory Committee is to assist educators in establishing, operating, and evaluating the CTE program – which serves the needs of the students, the community, and the business/industry partners – and to provide expertise and insight about current/future industry and technological changes.

- **Requirement for Perkins Grant Funding and CAPE Funding**

- **Advisory Boards main functions:**
 - **Advise**
 - **Curriculum, industry certification exams, industry trends, textbooks, software, tools, equipment**
 - **Assist**
 - **Mock job interviews, field trips, guest speakers, portfolio development/reviews, CTSO prep/judges, career shadowing, real-work projects**
 - **Advocate**
 - **Create awareness for CTE programs**
 - **Legislative support**
