Title

Approval for new 3-year Florida Virtual School Curriculum Contract for K-12

Description

FLVS curriculum is designed for students looking for high-quality education, unparalleled flexibility and support, an academic challenge, and ownership of their education in a safe, distraction-free learning environment. Students have a variety of tuition-free, flexible and full-time options to choose from and can enroll in either one or multiple courses. Students have convenient 24/7 online access to more than 190 courses – including NCAA-approved core, electives, world languages, career and technical education, honors, college prep, and Advanced Placement® – allowing them to study anytime and anywhere. Florida Virtual School (the district and all of our individual schools) are accredited by Cognia and Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI). SACS CASI is an accrediting division of Cognia. Our courses meet all Florida Standards. In addition, our core course curriculum has been approved by the NCAA.

Gap Analysis

Clay Virtual Academy offered FLVS virtual instruction to CCDS K-12 students during the 20-21 school year. CVA will not pay upfront for courses, but by course, after the student's grace period has passed.

Previous Outcomes

FLVS virtual curriculum was used in the 20-21 school year for all K-12 students. Reports have been generated and shared with stakeholders to assist in the monitoring of student progress.

Expected Outcomes

Students will continue to use the FLVS curriculum and will be monitored for progress by teachers, guidance counselors, lab facilitators, office staff, and administration.

Teachers will differentiate instruction by holding live lessons and tutoring sessions.

Strategic Plan Goal

Goal: 1.1.1 Develop and maintain high quality curriculum frameworks and guides. 1.1.4 Explore innovative program options for rigorous opportunities at the elementary and secondary levels.

Strategy: To provide weekly updates of progress to guidance, administration, and lab facilitators for our CVA blended students in order to work closely with them in holding students accountable. The addition of a home room model and a Student Success team will help in the monitoring and encouragement of our full time CVA students.

Recommendation

That the Clay County School Board approve to continue with the FLVS curriculum for the next 3 years.

Roger Dailey, Chief Academic Officer, 904.336.6904, Roger.Dailey@myoneclay.net

Financial Impact

We will pay curriculum fees (\$43-\$85) per course, per segment, based on students taking an FLVS course with a Clay Virtual teacher. Due to COVID-19, more students are now taking virtual courses. Therefore, we are expecting an increase in cost for the FLVS curriculum over the next couple of years. Estimated total annual cost of the FLVS contract will be \$650,000-\$700,000 per year with an option to renew after the 3rd year. Year 1: \$700,000, Year 2: \$650,000, Year 3: \$650,000.

Nor shall any single or partial exercise of any right, power, or privilege arising from this Agreement preclude any other or further exercise thereof or the exercise of any other right, power, or privilege. No waiver shall be valid and enforceable against either party unless it is agreed upon in a writing that is authorized and signed by the party against whom enforcement of such waiver is sought.

28. AUDIT RIGHTS

APPENDIX B

Teacher Acknowledgement Form

FLVS Mission:

To deliver high-quality digital learning on a robust online platform to achieve content mastery for student success.

FLVS Vision:

To lead online education worldwide with transformative digital solutions – personalized to every student.

FLVS Values:

- Excellence – Deliver the best. Always.
- Innovation – Lead transformative learning.
- Community – Build meaningful connections.
- Balance – Embrace flexibility.
- Communication – Listen, share, and collaborate openly.

FLVS Commitment:

The Student is at the center of every decision we make.

FLVS Franchise Policy Guide:

Communication and interaction are at the heart of our success. Research continues to show that Student-Teacher interaction is the key to a successful educational experience. Frequent Student-Teacher communication in the virtual learning environment requires commitment above and beyond the traditional workday by staff, as communication is the critical element to the success of the program. Florida Virtual School's evaluation consistently shows overwhelming need and appreciation for the frequent communication that is occurring between staff and Students. Voice-to-voice communication and email are considered essential and are expected on a regular basis. Teachers are expected to perform Discussion Based Assessments as scheduled and additional as needed.

Academic Integrity:

Academic Integrity, along with hiring the best and brightest instructional staff, is one of the core values at FLVS. It is one of the most important things we do as a learning organization. Done well, Students will make decisions based on values that will prepare them as productive, meaningful, and ethical citizens. All Franchise teachers will comply with the FLVS Academic Integrity policies and procedures, which can be found at:

<https://www.flvs.net/docs/default-source/myflvs/academicintegrity.pdf?sfvrsn=6>

Welcome Phone Call:

Prior to being granted access to their online course, students must have a Welcome Phone Call conversation with their instructors. During the initial Welcome Call, instructors will ask for a preferred method of contact. Instructors will make note of the preferred method and communicate student progress accordingly.

Grading Student Work:

1. A major component of proper communication is returning student work in a timely manner. It is the Florida Virtual School's policy that all communication be returned within 24 hours. Responding within 24 hours does not have to include the grading of all work that was submitted the previous day. It is the responsibility of the instructor to inform students about the expected turnaround time on grading work that has been submitted. All work should be graded within 48 hours of submission.
2. Florida Virtual School uses the state adopted grading scale. Per Florida Statute 1003.437 High School Grading System:
 - a) Grade A equals 90% through 100%.
 - b) Grade B equals 80% through 89%.
 - c) Grade C equals 70% through 79%.
 - d) Grade D equals 60% through 69%.
 - e) Grade F equals 0% through 59%.
 - f) W – Student withdrawn during grace period. No credit awarded.
 - g) WF – Student withdraws past grace period with a failing grade at the time of withdrawal. No credit awarded.
 - h) WP – Student withdraws past grace period with a passing grade at the time of withdrawal. No credit awarded.
 - i) P – Indicates that credit was awarded based on the student passing a state-administered End of Course (EOC) assessment instead of completed 100% of the course materials. Florida refers to this as a Credit Acceleration Program (CAP) credit. However, Florida has instituted EOC exams for select courses. A final grade issued by FLVS in one of the EOC exam courses may be interpreted differently based on district policies in effect at the time of enrollment and/or completion, and specific requirements per Florida Statute.

Each Florida School District reserves the right to input FLVS statuses into their county transcript system based on their specific student progression plan and/or reporting capabilities.

Final Exam Policy:

The purpose of the final exam is to assist in validating that Students have demonstrated mastery of key course concepts and standards. The final exam, unto itself, is not the sole determiner of Student achievement; however, students are required to take a final exam in all FLVS courses.

For Courses with state required EOC exams, the School Board may act in accordance with District policy.

To maintain the integrity of all FLVS grades, instructors may choose to facilitate random oral assessments and/or face-to-face exams.

Minimum Length of Courses:

To ensure that Students are mastering content within their courses, it is important to remember that the 14-day minimum learning experience for all half-credit courses and a twenty-eight (28) day minimum for all full credit courses remains in effect. For Students to successfully complete a skill-based course with specific course requirements, such as a time component (i.e. workout logs in Personal Fitness), a longer minimum learning experience may be required.

As noted in the statement above, skill-based courses with a time component require a longer minimum stay. PE courses fall into that category.

Personal Fitness (PF):	21 Days
Fitness Lifestyle Design (FLD):	24 Days
Health Opportunities in Physical Education (HOPE):	21 Days

Documentation of Student Work:

All Student assessment records should be kept in the FLVS course management system. Primarily, Student work will be completed within the course management system. Keep digital documentation of any Student assessments given by phone or in the chat room. Create a system for storing work that would be logical to anyone. Record the assessment grade and comments in the LMS. All email communication with Students must be maintained within the LMS.

Good Afternoon Ms. Kamm,

I am in receipt of your request below for a Certificate of Insurance. Please note that Florida Virtual School (FLVS) is a public agency established by Florida Statute 1002.37. As a fellow governmental agency of Florida, our Franchise Agreement is an interagency agreement, which includes language where we each acknowledge our reservation of sovereign immunity pursuant to section 768.28 of the Florida Statutes. While FLVS carries insurance, we do not issue insurance certificates or name Florida school districts as additional or co-insured as it could be construed as a waiver of our sovereign immunity.

Please let me know if you have any questions or concerns.

Best regards,

Joanne Serra
