**AMENDMENT NUMBER SIX (6) TO CONTRACT
BETWEEN
THE SCHOOL BOARD OF CLAY COUNTY, FLORIDA,
AND
ACHIEVE3000, INC.**

This Amendment Number Six (6) to the Contract (hereafter “original Contract”) between **THE SCHOOL BOARD OF CLAY COUNTY, FLORIDA** (“Board”), and **ACHIEVE3000, INC.** (“Contractor”), collectively referred to as “the Parties,” which original Contract was entered into by the parties on June 19, 2014, and was duly executed by Carol Studdard for the Board and Peter Saretsky for the Contractor, shall become effective on the date last executed by either of the parties and shall serve to modify original Contract as set forth herein.

WHEREAS, the 2014 Contract concerned the licensing and provisions of computer-based education programming, assessment, and associated services (“the Program”) for a limited number of district students and employees, and

WHEREAS, the Parties entered into Amendments Number One (1), Two (2), Three (3), Four (4) and Five (5) in 2017, 2018, 2019 and 2020 to expand the scope and duration of the 2014 Contract, and

WHEREAS, the term of the 2014 Contract, as previously amended, expires June 30, 2023, and

WHEREAS, the Parties to the Contract seek to expand the scope of the products utilized to include Achieve3000 Pro Florida Site500 and Achieve3000 Pro Florida Site1500, and

WHEREAS, the Parties also seek to decrease the quantities of four (4) of the current products utilized and increase the quantities of three (3) of the products utilized, which adjustments are set forth in the Investment Summary of the Proposal. The net effect upon pricing is that the cost to the district will remain the same (unchanged) for the remaining two years of the contract as was previously projected

in Amendment 5. The services available under said products shall continue to be utilized at forty-four (44) schools in the Clay County School District, and

NOW THEREFORE, the Parties have mutually agreed to modify the terms of the original Contract as follows:

1. The 2014 Contract is hereby amended such that the term which was previously extended to June 30, 2023, shall remain the same.
2. The program shall continue to be made available to employees and students at the forty-four (44) Clay County School District sites listed in Attachment "A," a copy of which is attached hereto.
3. The product provided to the Board by Contractor pursuant to this Amendment shall continue to be Achieve3000 Pro Florida Site, but with the addition of two additional products, those being Achieve3000 Pro Florida Site500 and Achieve3000 Pro Florida Site1500.
4. The total two-year cost of the products and attendant services provided for in this Amendment Six (6) and the Attachment A is One Million Two Hundred Eighty-Two Thousand Seven Hundred Seven Dollars and Ten Cents (\$1,282,707.10). The rates, costs and other terms of service shall be governed by Attachment A. The net cost to the district will remain the same (unchanged) for the remaining two years of the contract as was previously projected in Amendment 5.
5. The modifications previously made in Amendments One (1), Two (2), Three (3), Four (4) and Five (5) are either maintained or subsumed by the terms of this Amendment Six (6).
6. All other terms and conditions of the original Contract shall remain unmodified and in full force and effect.
7. The only effect of this Amendment Six (6) is to modify the Contract as set forth herein.

IN WITNESS WHEREOF, the Parties, by the execution of this Amendment Six (6) by their authorized representatives below, bind themselves to all terms of this Amendment Six (6) to the original Contract and to the remaining unmodified terms of the Original Contract and previous Amendments.

PREPARED FOR:

Amendment #6

Clay County Schools, Florida

Date: 15 June 2021

Partnership Overview
& Investment Proposal

FLORIDA

Why Achieve3000 Is Your B.E.S.T. Partner for ELA Instruction and More

Achieve3000's digital learning solutions are ideal for in-class, remote, and hybrid instruction. Our solutions can help Florida's 50 school districts close the COVID learning gap and meet the challenges of accelerating learning growth for all their students. Gain access to literary and nonfiction grade-level texts with instructional scaffolds, reading and writing practice built-in, and interactive features designed to deepen learning. *We promise to work side-by-side with you to make Florida the most literate state in the nation.*

How Does Achieve3000 Help Florida Accelerate Learning Growth for Every Student?

- Differentiate for every student with intervention and language scaffolds
- Engage remote learners with a collaborative cross-curricular platform
- Access an engaging and contemporary library of differentiated content at 12 Lexile® levels in English and 8 in Spanish
- Track FSA goals and inform next step instruction with forecasting reports that link Lexile measures to the FSA proficiency ranges

We're Addressing B.E.S.T. Standards

Beginning in the Fall of 2021, Achieve3000 will offer our broadest, deepest alignment to Florida's standards, *ever*. Here is a glimpse of what you can expect:

- 1) **New WordPlay Content:** 100% of Foundational Literacy Standards covered – with content up to grade 8.
- 2) **Argumentation, Presentation & Rhetoric:** Strong tools to support argumentation, including graphic organizers, sentence frames, Scoop oral argument content, etc. Which mirror the latest Florida State Assessment released items.
- 3) **The New Florida Writing Center:** Writing activities & Technology Enabled Items (TEIs) to develop 100% of Florida Writing Standards.
- 4) **Original Reading Sources:** In-product access to texts & original sources from the B.E.S.T. standards recommended reading lists.
- 5) **Fiction & Informational Text:** Supporting standards mastery across multiple genres & types of text.
- 6) **Customized Content for Florida:** Women of Florida series providing appropriate academic language & topics for Social Studies & Science.

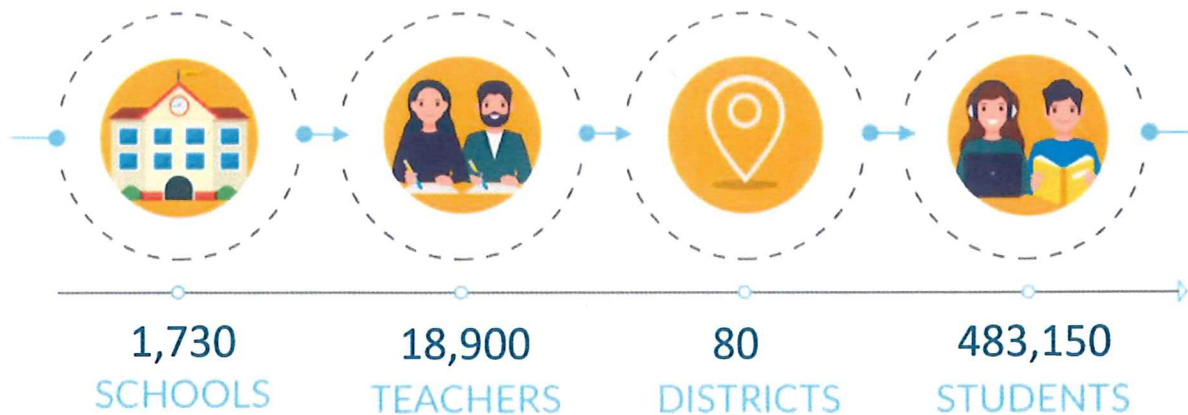

We're Listening to You

We promise to continue to gather your feedback and insights, your needs and pain points, in order to continuously update our solutions throughout the B.E.S.T. Standards rollout. With opportunities such as our Florida Advisory Board and Center of Excellence initiatives, we will highlight the true meaning of partnership as we work together toward standards mastery and educational excellence.

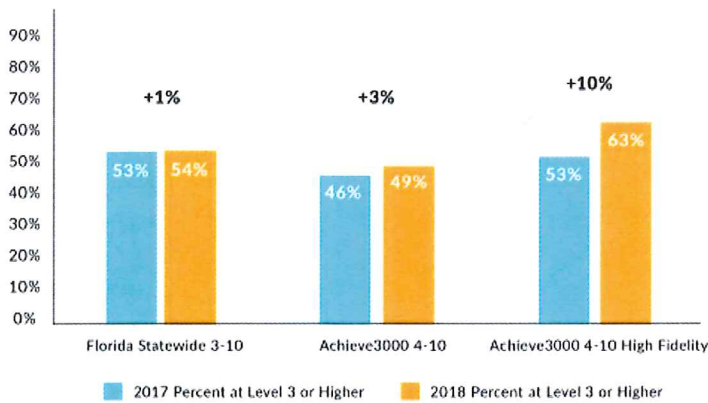

Proven Results for Our Florida Partner Districts

Achieve3000 has been working in partnership with Florida educators to deliver cutting-edge solutions, resources, and professional development that teachers need to differentiate literacy instruction across the content areas, remotely or on-site.

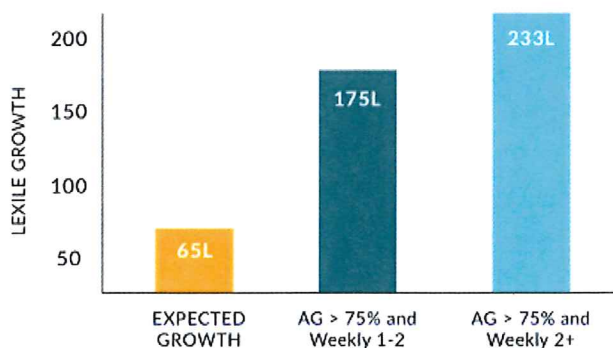

Percentage of Students Scoring Level 3 or Above on FSA in 2017 and 2018

10% Increase on FSA

Students using Achieve3000 with high fidelity show a 10% increase on FSA scores from 2017-2018

Lexile Growth for High Fidelity Students

3.5X Expected Lexile Growth

On average, students who completed two or more activities per week at 75% or greater exceeded the expected Lexile growth by points; this is more than 3.5X the expected growth.

Date: 19 MAY 2021

Achieve3000 Literacy is proven to accelerate literacy growth across all populations of students, and ensures every student, especially the most vulnerable, continue to learn and grow. It is rated “strong” by Evidence for ESSA with the largest effect sizes in the nation. The latest National Lexile Study show that Achieve3000 delivers above expected growth for all students.

[Learn More](#)

Our Achieve3000 Acceleration Guarantee

is the ultimate proof of our commitment to accelerated literacy growth. We promise 2X expected reading gains in a single school year, or the following year is on us. Visit achieve3000.com for terms and conditions.

For Back-to-School, new content-area collections complement core middle school and high school themes and topics. Also, in the Teacher Edition’s Data Center, a new Class Overview page provides teachers with even more one-click insight.

Actively Learn is a curriculum platform for grades 3-12 that is designed to drive learning, engagement, and equity with interactive, standards-aligned assignments in ELA, social studies, and science. It deepens learning for all students by providing differentiated instructional scaffolds; accessibility features like text-to-speech and translation into over 100 languages; and collaborative tools that promote in-line discussion and real-time feedback.

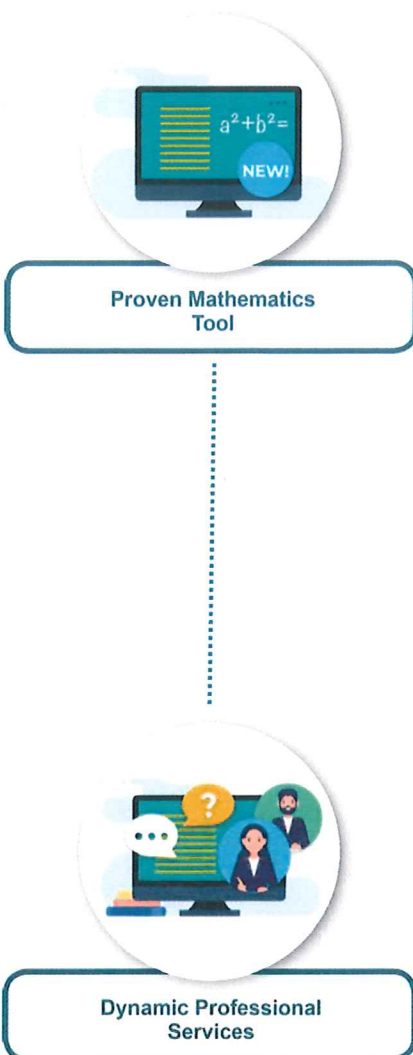

[Explore the Catalog](#)

Despite recent survey results indicating less than 50% of students were completing assignments after schools closed last spring, this new study shows data from districts whose students and teachers were able to stay connected and learning while using Actively Learn

Special savings offer for Achieve3000 customers

Inquire now about adding Achieve3000 Math for only \$6 per student, a 50% discount.

Achieve3000 Professional Services include strategies for both onsite and remote learning in a variety of modes and environments. Our curriculum and implementation experts will work with you to assess your needs and goals and then craft experiences to help you meet them.

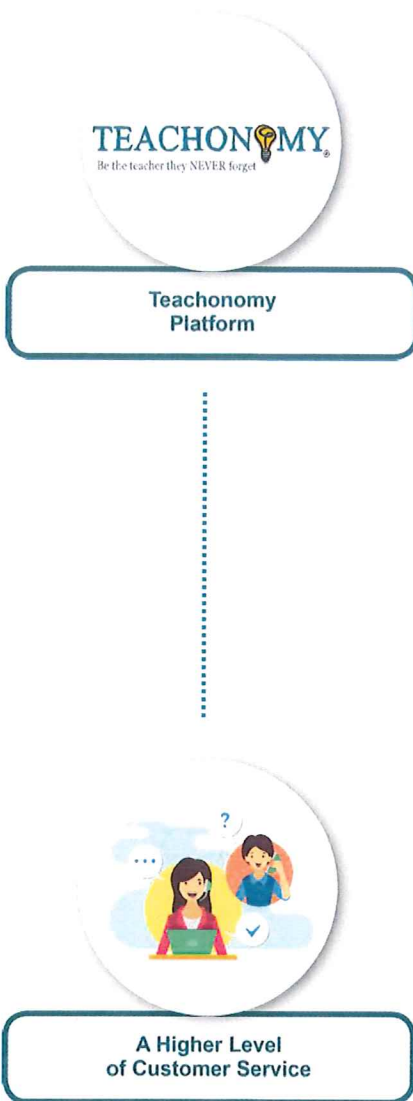

Our Professional Learning goes beyond product training, emphasizing best-practice strategies for your targeted populations, for your curriculum, and for addressin the new B.E.S.T. standards. We offer flexible approaches, including:

- In-person experiences for deepening instructional best practices
- Virtual sessions and PLC opportunities
- Side-by-side virtual coaching experiences
- On demand modules and customized recordings
- Lesson modeling sessions
- Periodic teacher and student performance reviews

Engaging site-level administrators & principals is critical to a successful implementation. As part of our partnership, we'll provide customized supports for administrators, individualized data touchpoints & regular large-group information sessions to ensure strong messaging & support.

Date: 19 MAY 2021

Teachonomy is a professional learning community that ties seamlessly to your Achieve3000 Professional Learning. The tool offers teachers and leaders an opportunity to collaborate, learn, and grow together. With Teachonomy, educators can access hundreds of video sessions presented by thought leaders from around the world. Other benefits include:

- Monthly “Mastermind” sessions and virtual meetings help teachers brainstorm ideas
- Live interviews with thought leaders and guest speakers on current topics and trends
- On-demand videos on subjects like remote learning, SEL, self-care, equity, and more
- Short prerecorded best practices videos (15-30 minutes) designed for busy teachers
- Weekly inspirational videos and emails encourage and motivate teachers
- Access to a private group of teachers (currently on Facebook)

[Learn More](#)

Achieve3000 Customer Support is based on our understanding that supporting students' needs starts by supporting customers' needs. We are committed to building strong customer relationships, especially with our premium partners, and we'll do everything we can to empower you to use our learning solutions successfully.

- As a premium customer you will receive priority treatment and have dedicated reps
- Our experienced technical experts will assist you with onboarding and other needs
- You will have access to our omnichannel customer support (phone, email, chat)
- Customer satisfaction is our goal; our average CSAT score in 2020 was 9 out of 10

Differentiated, personalized, and collaboration-ready, Achieve3000 gives teachers more time for instruction, more time for engagement, and the flexibility to connect regardless of language, learning level, or access.

Notwithstanding any other provision of this agreement, if funds for the continued fulfillment of this agreement by Customer are at any time not forthcoming or insufficient through failure of any entity to appropriate funds or otherwise, Customer shall have the right to terminate this agreement in whole or in part without penalty (including without payment of the balance of the designated service term of 36 months) by giving thirty (30) days prior written notice documenting the lack of funding. The total or partial termination of this agreement shall become effective upon the last day of the fiscal period for which appropriations were received. Customer agrees that it will make its best efforts to obtain sufficient funds, including but not limited to including in its budget for each fiscal period during the term of the agreement a request for sufficient funds to meet its obligations hereunder in full. In the event of a total or partial termination of this agreement in accordance with this paragraph, Customer may not obtain similar service during the initial term of the agreement. In the event of such termination, Contractor shall be entitled to retain or recover from the District all fees paid or due to be paid for setup and staff development training that have been provided to the District, and the portion of the subscription fee that is applicable to the period that the Users were provided access to the educational service(s), and shall return to the District the portion of any paid subscription fee applicable to the period following the termination date that the Users were to be provided access to the educational service(s), if any.
