A contract is defined as an agreement between two or more parties that is intended to have legal effect. This may include MOUs, Interlocal Agreements, Service Agreements and Contracts. Contracts document the mutual understanding between the parties as to the terms and conditions of their agreement, contain mutual obligations, and clearly state the agreement's consideration. The term consideration includes the cost of the services and/or products to be provided by second party (vendor or service provider) and any non-monetary performance. No school, department, or other organizational unit has authority to contract in its own name. All Board contracts must be made in the legal name of the Board, "The School Board of Clay County, Florida". The School or Department may extend this name to include the school or department as follows, "The School Board of Clay County, Florida o/b/o _____ (insert the school or department name)" where o/b/o means "on behalf of".

Company Fee Options

The Client shall determine the pricing for its facilities rental, application, equipment usage, custodial and other associated services provided by the Client (the "Client Fee").

The Client shall select from one of the following End User service fee/commission options (***note:** the Client may change the original selection at any time, even after the service has started, for all new reservations*):

Option 1: variable commission (default)

"The Client agrees to pay the Company a commission of 8% to 12% of the total Client Fee amount per Transaction which shall be deducted from the client's payment. Company shall remit all collected Client Fee payments for completed rentals minus applicable commission and any End User refunds to the Client on a monthly basis, and such funds must be sent by Company to Client by the 20th day of the following month."

The commission paid by the Client is based on the Client Fee amount charged by the Client in each bracket as follows:

On Transaction amount over	But equal or less than	Service Fee
\$0	\$1,000	12%
\$1,000	\$2,000	11%
\$2,000	\$3,500	10%
\$3,000	\$4,000	9%
\$4,000		8%

Example 1: Client Fee \$50. Service Fee/Commission = $\$50 \times 12\% = \6.00

Example 2: Client Fee \$1,500. Service Fee/Commission = $\$1,000 \times 12\% + \$500 \times 11\% = \$175$

Option 2: fixed commission

"The Client agrees to pay the Company a commission of 10% of the total Client Fee amount per Transaction which shall be deducted from the client's payment. Company shall remit all collected Client Fee payments for completed rentals minus applicable commission and any End User refunds to the Client on a monthly basis, and such funds must be sent by Company to Client by the 20th day of the following month."

Option 3: pass-through

"Company shall charge End Users a service fee in the amount of 8% to 12% of the total Client Fee amount per Transaction. Company shall remit all collected Client Fee payments

for completed rentals minus any End User refunds to the Client on a monthly basis, and such funds must be sent by Company to Client by the 20th day of the following month.”

The service fee charged to the End User is based on the total Client Fee amount charged by the Client in each bracket as in the table above.

Option 4: split

“Company shall charge End Users a service fee in the amount of 5% of the total Client Fee amount per Transaction. The Client agrees to pay the Company a commission of 5% of the total Client Fee amount per Transaction, which shall be deducted from the Client’s payment. Company shall remit all collected Client Fee payments for completed rentals minus applicable commission and any End User refunds to the Client on a monthly basis, and such funds must be sent by Company to Client by the 20th day of the following month.”

Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the District shall contain the procurement provisions of Appendix II to Part 200, as applicable.

REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS APPENDIX II to C.F.R. PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when School Board expends federal funds, School Board reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

Pursuant to Federal Rule (B) above, for all contracts involving Federal funds in excess of \$10,000, School Board reserves the right to terminate the contract (i) for convenience, and/or (ii) for cause by issuing a certified notice to the vendor.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

In addition, contractors must be required to pay wages not less than once a week. The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when School Board expends federal funds during the term of an award for all contracts and subgrants for construction or repair, Vendor will be in compliance with all applicable Davis-Bacon Act provisions.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION - LOWER TIER COVERED TRANSACTIONS

This certification is required by the Department of Education regulations implementing Executive Order 12549, Debarment and Suspension, 34 CFR Part 85, for all lower tier transactions meeting the threshold and tier requirements stated at Section 85.110.

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-Procurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Instructions for Certification:

1. The prospective lower tier participant certifies, by submission of this proposal that neither it nor its principals are:
 - a) presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency;
 - b) have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in performing a public (federal, state or local) transaction or contract under a public transaction; or for violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property;
 - c) are not presently indicted for or otherwise criminally or civilly charged by a government entity (federal, state or local) with commission of the offenses enumerated in this certification; or
 - d) have not within a three-year period preceding this application had one or more public transaction (federal, state or local) terminated for cause or default.
2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
