BE IT RESOLVED, by the School Board of Clay County, Florida (“the Board”), acting as the governing body of the School District of Clay County, Florida, a/k/a Clay County District Schools (“District”), as follows:

SECTION 1 – AUTHORITY FOR RESOLUTION: Section 1011.73(2), *Florida Statutes*, authorizes the School Board of Clay County, Florida, pursuant to a resolution adopted at a regular meeting, to direct the Board of County Commissioners of Clay County, Florida, to call an election at which the electors with the school district may approve an ad valorem tax millage as authorized under section 1011.71(9), *Florida Statutes*.

SECTION 2 – FINDINGS: It is hereby found and determined that:

A. The enactment of the Marjory Stoneman Douglas High School Public Safety Act (“the Act”) made numerous school safety reforms and imposed upon all Florida public school districts numerous additional requirements to achieve greater safety for public school students and staff; and

B. The funds allocated to Clay County District Schools (“District”) by the State of Florida are insufficient for the District to satisfy objectives required by the Act without compromising the quality of instructional and other services provided by the District; and

C. Section 1011.71(9), *Florida Statutes*, authorizes public school boards to levy, by local referendum, additional millage for school operational purposes up to an amount which, when

combined with the non-voted millage levied, does not exceed the 10 mill limit established in s. 9(b), Art. VII of the *Constitution of the State of Florida*, which millage in Clay County, Florida is below said limit; and

D. On August 28, 2018, the School Board of Clay County, Florida, submitted to the voters of Clay County, Florida, the question of approving an additional one (1) mill of ad valorem millage tax for a period of four (4) years to satisfy financial funding district public schools to meet the objectives and requirements of the Act; and

E. The voters approved an additional one (1) mill of ad valorem millage tax for a period of four (4) years, which millage increase has been dedicated to providing increased safety and security to the students and staff of the public non-Charter schools of Clay County from its inception on July 1, 2019, and is set to expire on June 30, 2023; and

F. The mandate set forth by the Act is still in effect, the need for increased safety and security for students and staff is still paramount, and the funding provided by the State of Florida has not increased to cover the need for increased safety and security for students and staff of district public schools; and

G. The School Board has determined that it is in the best interests of the District students and staff to submit to the voters the question of approving a continuation of an additional one (1) mill of ad valorem millage tax for a period of four (4) years to satisfy financial funding for both Charter and non-Charter district public schools to meet the objectives and requirements of the Act, and to provide for operating expenses necessary to the District's delivery of high quality educational services.

SECTION 3 – PLAN FOR THE USE OF ADDITIONAL ONE (1) MILL LEVY: The proceeds of the additional one (1) mill of ad valorem millage tax for a period of four (4) years will be used to satisfy financial funding for both Charter and non-Charter district public schools to meet the objectives and requirements of the Act, and to provide for operating expenses necessary to the District's delivery of high quality educational services.

SECTION 4 - LEVY OF ONE MILL(1) OF AD VALOREM TAX: Subject to approval of the electors of the District, at a referendum held as provided in Section 1011.71(9), *Florida Statutes*, an additional one (1) mill of ad valorem millage tax for a period of four (4) years shall be levied by the Board and District and the same is hereby levied for a period commencing July 1, 2023, and shall remain in effect for a period of four (4) years, ending on June 30, 2027, and shall be collected as authorized and in the manner required by law.
