**DUAL ENROLLMENT ARTICULATION AGREEMENT
BETWEEN THE UNIVERSITY OF FLORIDA BOARD OF TRUSTEES AND
THE SCHOOL BOARD OF CLAY COUNTY**

THIS DUAL ENROLLMENT ARTICULATION AGREEMENT ("Agreement"), between the **University of Florida Board of Trustees (the "University", or "UF")**, a public body corporate of the state of Florida, and the **School Board of Clay County (the "School Board", or the "District")**, Florida, is entered into on this 13th day of May, 2019, for the purpose of enhancing learning opportunities for qualified high school students who are attending public high schools in Clay County School District through the Dual Enrollment program, as encouraged by Section 1007.22 and 1007.271 of the Florida Statutes.

NOW IN CONSIDERATION OF THE FOREGOING, the mutual undertakings and benefits to accrue to both parties, UF and the School Board, individually referenced as the "Party" and collectively referenced as the "Parties", agree as follows:

I. TERM

The term of this Agreement shall be effective as of July, 1 2019, is subject to annual review, and shall continue until June 30, 2021, unless terminated by either party or extended by amendment to this Agreement, in accordance with this Agreement ("Term"). Such termination shall be upon thirty (30) days advance written notice. Such termination shall not affect the rights and duties of the Parties under this Agreement with respect to the Dual Enrollment students enrolled in the then current UF academic semester.

II. PROGRAM REQUIREMENTS

- A. Purpose.** The purpose of Dual Enrollment is to allow acceleration of eligible secondary students while still enrolled in school to take courses offered by UF, through its online process, that count toward high school credit and toward a university degree.
- B. Length.** Participation in Dual Enrollment may not exceed two academic years. For the purposes of this agreement, students transition from one school year to the next in August of each year. Students are authorized to take up to 2 courses and no more than 11 credit hours per semester.
- C. Credits.** Dual Enrollment credits may be in addition to the normal school load or a part of the student's regular load. The list of UF's eligible Dual Enrollment courses is available in **Appendix A**, which is attached hereto and incorporated herein by reference.
- D. Initial Eligibility Criteria.** UF agrees to permit students enrolled in Clay County School District, who have been certified by their school official as qualified, to enroll in the approved dual credit courses. UF retains the right to change the GPA and minimum test score requirements within its sole discretion. Clay County School District Liaison will be notified in writing if a change is made. Exceptions to these requirements may be granted on an individual basis if agreed upon in writing and signed by both Parties. Students participating in Dual Enrollment options must meet the following initial student eligibility requirements:
1. Enrolled in a course of study which will fulfill requirements for high school graduation;
 2. 3.6 cumulative unweighted high school GPA;
 3. One of the following minimum standardized test scores: composite PSAT score of 1130, composite SAT score of 1100 or composite ACT score of 22;
 4. Satisfy any course prerequisites, including but not limited to placement exams; and,

5. Meet any additional criteria set by the post-secondary institution.

E. **Continuing Eligibility Criteria.** Students who will graduate from high school prior to completion of the postsecondary course may not register for the course through Dual Enrollment. Exceptions to these requirements may be granted on an individual basis if agreed upon in writing and signed by both Parties. Dual Enrollment students are responsible for following UF's student code of conduct that outlines acceptable and unacceptable academic or behavioral misconduct for UF students, such behavior includes cheating and plagiarism, etc. The student code of conduct delineates appropriate disciplinary procedures and sanctions in the case of unacceptable behavior. Students may lose the opportunity to participate in the Dual Enrollment program if they are disruptive to the learning process; violate UF code of conduct or regulations and/or School Board Rules; or violate federal, state, or local laws. In addition to the requirements above, to continue in the Dual Enrollment program, students must:

1. Maintain a 3.6 cumulative unweighted high school GPA, and
2. Maintain a 3.0 cumulative UF GPA as confirmed by Clay County School District and UF's Registrar's Office.

F. **Registration Procedures.** Documents required for each student must be submitted to UF, prior to registration and in accordance with guidelines and registration deadlines posted on the UF Dual Enrollment website. **Appendix B**, which is attached hereto and incorporated herein by reference, sets forth further details in connection with the registration procedure.

G. **Withdrawal Procedures.** All Dual Enrollment students are responsible for officially withdrawing from classes they are no longer attending in accordance with published University requirements and deadlines. Students who do not officially withdraw from a class may receive a failing grade. Such a failing grade becomes a part of their permanent transcript records and could have a negative effect on future college admissions, scholarship opportunities, and/or financial aid. All Dual Enrollment students are responsible for notifying the high school guidance counselor, in writing, prior to withdrawal from any Dual Enrollment course. All pre-registration advising, including but not limited to posted withdrawal procedures, is the responsibility of Clay County School District.

H. **Publicity.** Clay County School District may not use UF's name, logos, trademarks or images or the name or image of any employee or official of UF in any fundraising, publicity, advertising or media release without the prior written consent of UF on each occasion, which may be given only by the UF Vice President for University Relations or designee. UF may not use Clay County School District's name, logos, trademarks or images or the name or image of any employee or official of Clay County School District in any fundraising, publicity, advertising or media release without the prior written consent of Clay County School District on each occasion.

III. **ROLE OF THE UNIVERSITY**

The University will:

- A. Publish deadlines and procedures on the Dual Enrollment website.
- B. Advise students of college level expectations and procedures as delineated in the attached **Appendix C**, which is attached hereto and incorporated herein by reference.
- C. Provide advising, as appropriate, to ensure proper course placement and selection.
- D. Notify the student of his or her grades as is regularly done with University students. In addition, a document will be sent via postal mail or an electronic transmission system to the High School indicating work completed.

- E. Have a process in place for virtual instructors to comply with student IEPs and 504s as well as serve the needs of English Language Learners.
- F. Assign a letter grade to each student enrolled in a Dual Enrollment course. The letter grade assigned by the postsecondary institution shall then be posted to the high school transcript by Clay County School District pursuant to s. 1007.271(20), F.S.
- G. Be responsible for making an annual report to the Commissioner of Education on the operation of the Dual Credit Enrollment program. Clay County School District will provide to the University any information requested to complete such reports.
- H. Be responsible for monitoring the quality of curriculum to ensure that instruction is consistent with the University of Florida's policies and procedures.

IV. ROLE OF CLAY COUNTY SCHOOL DISTRICT

The School Board will:

- A. Verify the enrolled students are residents of the school district and eligible for enrollment in accordance with Section 1002.45 Florida Statutes.
- B. Verify that the high school student and his/her parent(s) or guardian(s) have been counseled on the advisability of taking one or more college courses while in high school and on the specific requirements of the Dual Enrollment program. Pre-registration advising will include the curricular expectations of university-level academic work that typically exceed the work required of high school courses. Pre-registration advising will also include information regarding UF's published add/drop policies and deadlines, as well as the impact of performance in Dual Enrollment courses, which become a part of a student's permanent college transcript and are calculated into the student's permanent postsecondary GPA.
- C. Provide any required services to support a student's IEP consistent with the legal requirements for serving students with special needs in a virtual school.
- D. Provide access to computers and equipment, with internet access as necessary.
- E. Inform students and their parents about opportunities for students to participate in Dual Enrollment with the University.
- F. Designate a District Liaison to act for School Board in all matters pertaining to this Agreement and to accept and approve all deliverables and invoices.
- G. Pay UF the standard tuition rate per credit hour plus the tuition differential set forth in UF Regulation 3.0375, as amended, from the Florida Education Finance Program funds to the University. The current amount is \$149.24 per credit hour for all District students enrolled. This rate is subject to change annually.
- H. Reimburse UF for tuition for all students who are registered by the end of UF's Drop/Add period, within 45 days of receipt of the invoice. Clay County School District will have no obligation to pay tuition for summer terms.
- I. Provide Dual Enrollment students, free of charge, required college textbooks and other instructional materials in accordance with Florida Statutes §1007.271(17). Instructional materials purchased by Clay County School District on behalf of Dual Enrollment students shall be the property of Clay County School District against which the purchase is charged.
- J. Award high school credit for the course(s) upon its (their) successful completion by the Dual Enrollment student and assign grade points, equivalent to those for AP/IB/AICE courses. Courses not taken for a grade are ineligible for Dual Enrollment. The Dual Enrollment Course—High School Subject Area Equivalency List published by the Florida Department of Education mandates the minimum subject area credit awarded for specific courses taken through Dual Enrollment. Courses not appearing on this list will be awarded high school elective credit with 3 University credit hours translating to 0.5 high school credits.
- K. Perform the initial screening and monitor student performance while participating in the Dual Enrollment program. Clay County School District's counselors will communicate, as needed, with UF Dual Enrollment

staff in connection with student monitoring (and, if necessary, providing support for) while participating in the Dual Enrollment program.

V. JOINT RESPONSIBILITIES

- A. UF and Clay County School District warrant and agree that all Dual Enrollment courses shall meet the provisions of the current State of Florida laws and regulations.
- B. UF and Clay County School District will establish budgetary procedures to support specialized Dual Enrollment programs which will include the following provisions:
 - 1. UF and Clay County School District will be eligible for Full-Time Equivalency (FTE) funding in accordance with Florida law and rules.
 - 2. Dual Enrollment students are exempt from the payment of registration, tuition and, laboratory fees for courses taken through Dual Enrollment at Florida public colleges or universities.
- C. UF and Clay County School District will inform students and parents of the following:
 - 1. Dual Enrollment college credit will transfer to any Florida public college or university offering a course with the same prefix and number and must be treated as though taken at the receiving institution.
 - 2. If students do not, upon high school graduation, attend the same college or university where they earned the Dual Enrollment credit, the application of transfer credit to general education, prerequisite, and degree programs may vary at the receiving institution.
 - 3. If students choose to enroll in courses that require placement exams, the students will be required to pay for any/all placement exams.

VI. MISCELLANEOUS PROVISIONS

- A. **Liability**. To the extent permitted by Florida law, each Party agrees to be fully responsible for its acts of negligence or its agent's acts of negligence when acting within the course and scope of their employment under this Agreement. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. V. **Default.** The Parties agree that, in the event that either Party is in default of its obligations under this Agreement, the non-defaulting Party shall provide to the defaulting Party (30) days written notice to cure the default. However, in the event said default cannot be cured within said thirty (30) day period and the defaulting Party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting Party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting Party upon thirty (30) days notice. NOTES:

All courses and faculty are subject to change

Some courses have prerequisites you must meet before being approved

All SUS institutions must accept these courses for transfer credit in the categories listed

All undergraduate students (except those transferring to UF with an A.A. from a public Florida college) are required to complete UF's general education requirement to graduate.

Math Placement via ALEKS score:

If your major requires MAC 2233:

ALEKS Score	The first course listed in bold is the course you should begin with:
0 - 34%	MAC 1105 → MAC 1140 → MAC 2233
35 - 49%	MAC 1140 → MAC 2233
50 and above	MAC 2233*

If your major requires MAC 1105, MAC 1140, MAC 1147, or MAC2311 (or you are pre-health):

ALEKS Score	The first course listed in bold is the course you should begin with:
0 - 34%	MAC 1105 → MAC 1140 → MAC 1114 → MAC 2311
35 - 49%	MAC 1140 → MAC 1114 → MAC 2311
50 - 74%	MAC 1147 → MAC 2311
75 and above	MAC 2311*

If you have incoming math credit, you may use that as placement into Math courses at UF if the credit appears on your transcript or you provide proof of credit. However, the ALEKS placement is the best predictor of success in UF MAC courses. **ALEKS Fee: \$10.00**
