Re: School Board Directive Regarding the Possession of  
Firearms on School Board Property

**DRAFT**

---

Superintendent Davis,

At the April 5, 2018 Regular Meeting of the Clay County School Board, the Board discussed issues relating to the presence of armed personnel on School Board property. Please be advised that the School Board has officially adopted the following position:

“Trained and licensed officers employed by local, state, or federal law enforcement agencies shall be the only individuals authorized to possess firearms on Clay County School Board property.”

The School Board believes this position will best protect the interests of our students and employees. The School Board attorney will immediately begin the process of editing and drafting new policy language to codify this position. Please keep the School Board apprised of any new information regarding this issue in the future.

Thank you for your time and attention to this matter.

On behalf of the School Board of Clay County,

Carol Studdard  
Clay County School Board Chairman
