

Clay Education Foundation Fall Update

Presenter: Makayla Buchanan, Executive Director

Grants 4 Great Ideas

- **100** classroom projects
- **3,167** students with additional grade level reading materials
- **15, 833** students with access to LEGO robotics, coding, and other hands-on STEM experiences
 - Provided media specialists with an additional 5 WeDo robots (18-19) for a total of 7 WeDos, in partnership with NEFL STEM2Hub

MOSH Partnership and 21st Century Microfarms

950 students were able to take fieldtrips to MOSH and get hands-on STEM experiences

550 students at **3** different schools explored agriscience career pathways, healthy eating and nutrition, both during and after school.

Tools 4 Clay Schools

- More than **1000** teachers served at our back to school supply distributions
- More than **\$41,628+** given away in classroom supplies
- Working with district staff to solidify a permanent location for 2020!
- Hosting our first ever mid-year event on January 6th

The STARS and Clay Teachers LEAD

- 3rd year the Foundation is supporting “The STARS” Teacher and School-Related Employee of the Year
 - Night of recognition and celebration for our outstanding educators
- Creating a yearlong experience for teacher nominees through Clay Teachers LEAD:
 - District and regional roundtables, summer conferences, book studies, and more!
 - Founded by two former teachers of the year: Michelle Bily and Jessica Ehlinger
 - We hosted our first roundtable with Superintendent Davis on Sep. 18th and IMPACT FL

Grant Writing Workshops

115 EDUCATORS HAVE
ATTENDED **4** "GRANT WRITING
101" WORKSHOPS

FIRST "GRANT WRITING 102"
