("**PCG**"), a corporation with a place of business at 148 State Street, Boston, MA 02109 and Clay County District Schools ("**SCHOOL SYSTEM**"), located at 900 Walnut Street, Green Cove Springs, FL 32043, as of May 1, 2020 ("**Effective Date**").

WHEREAS, the Agency for Health Care Administration (AHCA) authorizes Florida school districts to enroll as a Medicaid health service provider; and

WHEREAS, under the AHCA school-based Medicaid program, school districts can be reimbursed for certain school-based health services for students who are enrolled in Medicaid; and

WHEREAS, SCHOOL SYSTEM employs or contracts with health care providers to provide school-based health-related services to students; and

WHEREAS, some school-based health services are Medicaid reimbursable; and

WHEREAS, SCHOOL SYSTEM requires assistance in billing Medicaid for any and all covered school-based health services under the AHCA school-based Medicaid program that are provided to Medicaid eligible students, and in collecting amounts billed; and

WHEREAS, PCG has demonstrated its ability and expertise in these areas; and

WHEREAS, SCHOOL SYSTEM wishes to receive Medicaid billing services from PCG;

NOW THEREFORE, the parties hereto mutually agree as follows:

I. SCOPE OF SERVICES

- A.** PCG and SCHOOL SYSTEM shall each perform their respective services, as described in the attached **Exhibit A**, in accordance with the terms and conditions set forth in this Agreement and a separate Compliance Checklist that will be executed by both parties within thirty (30) days of the effective date of this Agreement. Failure by SCHOOL SYSTEM to subsequently execute a Compliance Checklist shall provide PCG the right to terminate this Agreement with less than thirty (30) days' notice.
- B.** The parties to this Agreement may expand the scope of this Agreement to include other products or services offered by PCG, and to specify rates of payment for such products or services, by means of written amendments to this Agreement.

II. TERM

The initial term of this Agreement (the "**Initial Term**") shall commence on the Effective Date and shall end on **June 30, 2020**. Following the Initial Term, this Agreement shall automatically renew for successive one-year terms (each a "**Renewal Term**") via a written and signed renewal letter each year by both parties. Any change in terms will be discussed and negotiated at least thirty (30) days prior to the end of the Initial Term or then-current Renewal Term, as the case may be, of the notifying party's election not to renew this Agreement, whereupon this Agreement shall end on the last day of the Initial Term or the then-current Renewal Term, as the case may be.

- VI. SCHOOL SYSTEM will enroll as a Medicaid provider and re-enroll as a Medicaid provider for billing transaction purposes as appropriate. This includes notifying Medicaid of any change in address, tax ID, or other information required to keep Medicaid provider enrollment records current at all times.
- VII. SCHOOL SYSTEM will obtain and retain a National Provider Identifier (NPI) for billing transaction purposes.
- VIII. SCHOOL SYSTEM will initially set up and manage ongoing access and supervisor relationships for its health-related service providers in EasyTrac™.
- IX. SCHOOL SYSTEM will have its health-related service providers record all services they provide to special education students in EasyTrac™. PCG will not submit claims for any services not entered in EasyTrac™. PCG strongly recommends that service providers log services for all students, regardless of Medicaid enrollment, for all health-related services covered by the AHCA school-based Medicaid program.
- X. SCHOOL SYSTEM will obtain one-time written parental consent to disclose information and bill Medicaid for services and to provide the parent or guardian with initial and annual notice of the disclosure. SCHOOL SYSTEM will enter the one-time written consent dates in EasyTrac™.
- XI. SCHOOL SYSTEM will be responsible for the accuracy and completeness of the data its employees provide PCG for claim submission. Errors must be corrected as soon as possible. SCHOOL SYSTEM, not PCG, is accountable for any SCHOOL SYSTEM errors or omissions.
- XII. SCHOOL SYSTEM will be responsible for informing its EasyTrac™ users of all relevant privacy regulations and policies.
- XIII. If audited by the State or Federal Government or their agents, SCHOOL SYSTEM will disclose all Medicaid records required for audit purposes.

- XIV.** SCHOOL SYSTEM will retain documentation that supports its claims for Medicaid reimbursement and meets the minimum Medicaid requirements for 5 years.
- XV.** SCHOOL SYSTEM will ensure the availability of non-federal (state/local) funds expended for Medicaid covered services equal to the required state share match. SCHOOL SYSTEM can only use state/local monies for matching Medicaid. Districts may not use federal funds for the required match. If a federal grant has a cash match requirement, the funds used for the match cannot also be used as a match for Medicaid.

EXHIBIT B: COMPENSATION

SCHOOL SYSTEM shall pay PCG for the services described in Exhibit A. PCG will not be obligated to continue work in project areas that do not generate significant Incremental Revenue to SCHOOL SYSTEM. Conversely, PCG is obligated to continue to work in project areas that do generate significant Incremental Revenue to SCHOOL SYSTEM.

Product/Service	Pricing [^]	Terms/Conditions
Medicaid Claiming for ESE Related Services	\$60,000/year*	
Medicaid Claiming for ESE Nursing Services	Minimum of \$20,000/year (see Terms/Conditions)	\$20,000 up to 30,000 paid claim lines \$25,000 up to 40,000 paid claim lines \$30,000 up to 50,000 paid claim lines \$35,000 up to 60,000 paid claim lines \$40,000 for 60,000+ paid claim lines
EDPlan Health Module	\$10,000/year*	
Plan of Care Document	\$2,000/year	
Paperclip	\$4,000/year	This annual fee will cover up to 3 GB of data. 3 GB will store approximately 60,000 pages, assuming an average page size of no more than 50KB. Each additional GB of data will cost \$500. E.g., If 4 GB are used, the charge will be \$4,500.
Auto Text Feature	\$2,500 One-Time Fee	To be invoiced during the 2019-2020 year.

[^] For 2019-2020, the annual fees of \$96,000 (this assumes the minimum for "Medicaid Claiming or ESE Nursing Services") will be pro-rated for two (2) months (May 2020 – June 2020), totaling \$16,000. Adding in the one-time fee for Auto Text (\$2,500) brings the 2019-2020 total to \$18,500 and this amount will be invoiced on May 30, 2020.

For 2020-2021, the annual fees are projected to be \$116,000 (this assumes \$40,000 for 60,000+ paid claim lines for "Medicaid Claiming for ESE Nursing Services").

* A 5% cost adjustment will be applied to the annual fees in 2021-2022 and beyond. For example, the annual fee for Medicaid Claiming for ESE Related Services in 2021-2022 will be \$60,000 x 105% = \$63,000.

Each year of service will run July 1 – June 30 and invoices will be issued quarterly based on the schedule below. For the "Medicaid Claiming for ESE Nursing Services", PCG will assume the minimum annual fee of \$20,000 for the Q1-Q3 invoices, which will be \$5,000/quarter. In the final invoice of the fiscal year, PCG will calculate the total paid claim lines and then charge the difference. For example, if over 60,000 paid claim lines for ESE nursing services were received during July 1 – June 30, the Q4 invoice will be \$25,000 for the "Medicaid Claiming for ESE Nursing Services" line item (i.e., \$15,000 from Q1-3 plus \$25,000 from Q4, totaling \$40,000).

- Q1: October 1 (July 1 – Sept 30 services)
- Q2: January 1 (Oct 1– Dec 31 services)
- Q3: April 1 (Jan 1 – March 31 services)
- Q4: July 1 (April 1 – June 30 services)

Service Descriptions:

- **EasyTrac™:** Web-based service documentation site and billing system for users to document all therapy services, behavioral and counseling services, nursing services, and transportation services.
- **EDPlan Health Module:** Comprehensive electronic health data management solution for all students. Health professionals can document all office encounters for both students and staff, track medication delivery and inventory, create Individual Health Plans (IHPs) and Office Visit letters, and run reports for screenings and health alerts.
- **Supervision Sign-off Feature:** PCG provides an electronic tracking and sign-off feature that enables supervisors to efficiently and effectively review service documentation completed by uncertified providers so that these services are valid for Medicaid claiming.
- **Goal Logging:** PCG provides a goal logging feature that allows the district log goal progress directly on the logging wizard.
- **Scheduling Tool and Calendar Logging:** Allows service providers to schedule individual and group services on and document service provision from their user calendar.
- **Paperclip Feature:** Allows users or administrative staff to upload and associate electronic documents, such as PDFs or Word documents, with a student's record. Files are stored within EasyTrac and available to download by other users with permissions to that student's documents. PCG will monitor the data usage and inform SCHOOL SYSTEM if the data is nearing the maximum of the current option. Annually, SCHOOL SYSTEM can choose to adjust the size limit if necessary or desired.
- **Auto Text Feature:** PCG provides an auto-text feature that the district can customize to assist therapists in completion of the comments in individual service notes. This should decrease the time required for therapists to enter documentation, as well as help ensure that key documentation areas are addressed in the notes. Pricing: one-time fee of \$2,500.

Optional Add-On Services:

- **Additional Training Sessions:** PCG can provide additional in-person training sessions for either Related Services or Nursing Services, which would include two PCG representatives, a maximum of 30 providers per training, and approximately 2 hours per training session. Pricing: \$2,500 per day (one day minimum).

Nor shall any such language be construed or interpreted to waive the Board's sovereign immunity from suit, or to require the Board to indemnify Contractor/Vendor or any other person, corporation or legal entity of any kind or nature whatsoever for injury or loss resulting from any acts or omissions other than those which arise from the actionable negligence of the Board. The Board expressly reserves all other protections and privileges related to its sovereign immunity.

6. INDEPENDENT CONTRACTOR

The services and/or products provided by Contractor/Vendor pursuant to the underlying contract are rendered to the Board in the capacity of an independent contractor. Accordingly, Contractor/Vendor is not authorized to assume or create any obligations or responsibility (expressed or implied) on behalf of the Board. Nothing contained in the underlying contract shall be construed as creating an employer-employee or principal-agent relationship or a joint venture between Contractor/Vendor and the Board. In this regard, neither Contractor/Vendor nor its officers, employees, or agents shall be deemed to be employed by the Board for purposes of taxes or contributions levied by, under, or in accordance with any federal, state, or local laws with respect to employment or compensation for employment.

- a. Keep, maintain, and produce upon request and within a reasonable period of time all data created or collected in the performance of its duties under the contract ("Contract Data") which come within the definition of a "public record" under Chapter 119.
- b. Provide to the Board, upon its request and free of charge, a copy of each record which Contractor/Vendor seeks to produce in response to a public records request.
- c. Ensure that Contract Data that are considered exempt under Chapter 119 are not disclosed except as authorized by law.

All records transmitted to the Board must be provided in a format that is compatible with the Board's information technology systems. Any failure to comply with this provisions shall constitute a default and material breach of the underlying contract by the Contractor/Vendor, which may result in immediate termination by the Board without penalty to the Board.

Contractor/Vendor shall indemnify, defend, and hold harmless the Board, its officers, and employees for any violation of this covenant. This provision shall survive the termination of the underlying contract and shall be binding upon Contractor/Vendor until such time as any claim arising from a breach of this covenant is barred by any applicable statute of limitations. In the event of a breach of security as defined by section 501.171 of the Florida Statutes, Contractor/Vendor shall notify the Board immediately, but no later than ten (10) calendar days following such security breach. Additionally, Contractor/Vendor shall fully cooperate, at its own expense, with the Board and assist the Board with all remedial efforts, required notifications, and any other obligations arising from or related to such a security breach.

9. PAYMENT TERMS AND CONTINGENCIES

Unless otherwise required by law, the Board's payment obligations (if any) arising from the underlying contract are contingent upon an annual appropriation by the Board and the availability of funds to pay for the contracted goods and/or services provided. If such funds are not appropriated or made available for the underlying contract and results in its termination, such conditions/events shall not constitute a default by the Board.

Contractor/Vendor shall be paid in accordance with the Local Government Prompt Payment Act upon submission of invoices to the District after delivery and acceptance of the goods and/or services provided. Where required, an original invoice referencing a District purchase order number shall be submitted for payment to the District's Accounts Payable Department, 814 Walnut Street, Green Cove Springs, Florida 32043.

1. The undersigned is not an "Employee" as defined under Chapter 440 of the Florida Statutes describing the workers compensation laws of Florida. 5. The undersigned holds at least one bank account in the name of the undersigned business entity for the purposes of paying business expenses or other expenses related to the services rendered or work performed for the District.
6. The undersigned performs work or is able to perform work for entities other than the District at the undersigned's election without the necessity of completing an employment application or process.
7. The undersigned receives compensation for work or services rendered on a competitive-bid basis or completion-of-task basis or set of tasks as defined by a contract, unless a contractual agreement expressly states that an employment relationship exists.

8. The undersigned either provides its own workers compensation coverage or has elected to be exempt from workers compensation coverage.

9. The undersigned has provided proof of other insurance, including liability insurance, to the District in the amounts required by the District.

10. I have had an opportunity to review this acknowledgement and consult with an attorney before signing same. I am freely and knowingly signing this acknowledgement on the date indicated below.

Public Consulting Group, Inc. (PCG) has been retained by Clay County District Schools, hereafter referred to as “School District,” to provide Medicaid billing services pursuant to the Florida Medicaid school-based billing program. This Medicaid Billing Services Compliance Checklist is intended to help School District comply with applicable Medicaid billing requirements. *PCG and School District will review the Compliance Checklist together before the start of each school year and make any necessary changes or updates.*

PCG and School District also agree that the Compliance Checklist is subject to, and incorporated by reference into, the parties’ Medicaid billing services contract. This Compliance Checklist will immediately cease to be effective upon the termination or expiration of the Medicaid billing services contract. The parties intend for the Compliance Checklist to be fully consistent with applicable law, regulation, and Medicaid requirements.

All Medicaid billing must be in compliance with all applicable Medicaid requirements, including those relating to documentation. School District’s failure to maintain the required documentation could result in adverse audit findings and the recoupment of Medicaid payments.

- **School District is responsible for the accuracy of the data it enters into EDPlan™, hereafter referred to as “PCG System,” and data that it otherwise sends to PCG for Medicaid billing purposes.**
- **School District is responsible for ensuring that claims are not submitted for direct service delivery that was not provided. For example, School District must ensure that claims for direct service delivery are not submitted on dates when the student is not in attendance and student attendance data does not show student as “present” in school.**
- **School District is responsible for maintaining all documentation necessary to support the payment of Medicaid claims.**
- **In the event of a state or federal Medicaid audit, School District is responsible for producing all required documentation, including documentation that may not be referenced in this Compliance Checklist.**
- **School District is responsible for controlling user access to the PCG System, including managing passwords and activating and inactivating user access.**

PCG will perform a review of certain School District data before using that data to bill Medicaid on behalf of School District. The purpose of such “pre-billing checks” is to help School District avoid the submission of claims to Medicaid that do not satisfy basic Medicaid requirements. However, the responsibility for accurate data and proper documentation remains with School District.

The following Compliance Checklist covers many standard Medicaid documentation requirements for school-based Medicaid direct services billing programs. Each requirement is followed by one or more compliance approaches to be selected by School District. It remains the responsibility of School District to ensure that it is not providing inaccurate documentation to PCG, or otherwise providing information that would lead to the submission of inaccurate claims.

Please contact your PCG client representative if you have any questions about the foregoing outline, or any of the items below

1. Medicaid ID

REQUIREMENT: Every student for whom a service is provided must have a Medicaid ID.

School District is responsible to provide correct student demographic data necessary to determine if the student has a Medicaid ID and if the Medicaid ID that the School District has provided on behalf of the student is accurate.

PCG will check the presence of a Medicaid ID, based on School District data.

Before billing Medicaid, PCG will check to confirm that the student has a Medicaid ID. If the student does not have a Medicaid ID, the service will not be billed. PCG cannot automatically check the accuracy of the offered Medicaid ID.

How should PCG expect to receive this information from School District?

3. Diagnosis Code

REQUIREMENT: Each service submitted to Medicaid must include a diagnosis code.

School District is solely responsible for verifying that the appropriate diagnosis code is selected and documented in the PCG system. PCG will not check or confirm the accuracy or correctness of the diagnosis code that School District selects.
