Contracts document the mutual understanding between the parties as to the terms and conditions of their agreement, contain mutual obligations, and clearly state the agreement's consideration. The term consideration includes the cost of the services and/or products to be provided by second party (vendor or service provider) and any non-monetary performance. No school, department, or other organizational unit has authority to contract in its own name. All Board contracts must be made in the legal name of the Board, "The School Board of Clay County, Florida". The School or Department may extend this name to include the school or department as follows, "The School Board of Clay County, Florida o/b/o _____ (insert the school or department name)" where o/b/o means "on behalf of".

It has come to our attention that the District is receiving services from Advanced Medical Personnel Services without a District Purchase Order & Contract in place. Previous years show that the District and Vendor had a PO & Contract in place for these services (see attached).

To date this vendor has been paid \$658,307 (see attached). Contracts over \$100,000 and Purchase Orders over \$500,000 must be Board approved per Purchasing Policy. If services are still needed for the remainder of the year a Board approved Contract & PO need to be done.

It is imperative that the District have the correct documentation in place before services are rendered. If you need assistance please contact the Purchasing Department.
