This Amendment number six (6) to the Contract (hereafter “original Contract”) between **THE SCHOOL BOARD OF CLAY COUNTY, FLORIDA**, (“Board”), and **CURRICULUM ASSOCIATES, LLC**, (“Contractor”), collectively referred to as “the Parties,” which original Agreement was entered into by the parties on July 19, 2017, shall become effective on the date last executed by either of the parties and shall serve to modify original Agreement and all previous Amendments to said original Agreement as set forth herein.

WHEREAS, the 2017 Agreement concerned the licensing and provisions of ‘I-Ready’ computer-based education programming, assessment, and associated services (“the Program”) for a limited number of district students and employees, and

WHEREAS, the Parties entered into Amendments Number One, Two, Three, Four and Five in 2017, 2018, 2019, 2020 and 2021 to expand the scope and duration of the 2017 Agreement, and

Curriculum Associates[®]

Information on Professional Development Sessions and COVID-19

Protecting the health and safety of the educators we serve and their students, as well as the health and safety of our employees, is of paramount importance to Curriculum Associates. While it is our preference to deliver PD sessions in person, circumstances related to COVID-19 may require us to provide sessions virtually instead. Curriculum Associates' policy is to only provide PD sessions in person where one of our employees can reach the session site by car and where adequate safety measures are in place to protect the health of our session leaders and participants. Curriculum Associates reserves the right to switch any session from in-person to virtual if we cannot reach a session site by car, if adequate safety measures cannot be put in place, or if Curriculum Associates determines that it would otherwise put its employees at risk to provide an in-person session.

If your school or district will not permit visitors at the time of a scheduled session, Curriculum Associates would be happy to provide an equivalent live, virtual session via videoconference. Similarly, Curriculum Associates will comply with your school or district's health and safety requirements regarding on-site visitors if we are given adequate advance notice. Our PD Operations team will work with school or district personnel to hold sessions in a manner that protects the safety of educators and your school community as well as Curriculum Associates employees.

We are pleased to be able to serve you in these challenging times and look forward to providing productive learning sessions to your staff. Any questions regarding scheduling in-person or virtual training sessions should be directed to pdoperations@cainc.com.

Notice for Usage of Teacher Toolbox Materials

Thank you for your interest in Teacher Toolbox! Teacher Toolbox is a digital collection of instructional materials, designed to support teachers in delivering research-based instruction, remediation, and enrichment to students in Grades K–8.

Your Teacher Toolbox subscription provides access to Teacher Toolbox content for Grades K–8. During this time, educators may use Teacher Toolbox materials during whole class and small group instruction, for individual assignments, and may post student-facing Teacher Toolbox PDFs on a password-protected learning management system (LMS). Please be aware that files expire on June 30 of each year for purposes of Teacher Toolbox maintenance and updates. If you add files to an LMS, this expiration date may require that you re-load these files after this date.
