Amendment to the Cooperative Agreement between DJJ and Clay County School District

The cooperative agreement between the Florida Department of Juvenile Justice and the Clay School District is amended as follows to align with current Florida Statute 1003.51 and Rule 6A-1.045111.

1.) The school district will ensure that at least 95% of the Florida Education Finance Program funds generated by students in juvenile justice programs or in education programs for juveniles under Florida Statute 985.19 be spent on instructional costs for those students.

2.) Juvenile justice nonresidential schools may provide instruction based on the hourly equivalent (1,250 instructional hours) of the 250-day calendar.
