

## Florida School Boards Association

*The voice of education in Florida*

### MEMORANDUM

March 1, 2019

**TO:** School Board Chairmen

**FROM:** Jerry Taylor, FSBA President  
Nora Rupert, FSBA Treasurer  
Andrea Messina, FSBA Executive Director

**SUBJECT:** Annual FSBA Dues Renewal

You are a valued member of FSBA. Your continued leadership and commitment to your students and community is appreciated. Our members consistently tell us that one of the greatest values we serve is providing the intellectual and physical space for ongoing dialogue and networking with peers across the state. You and your district are an integral part of that network.

Your FSBA staff, with over 138 years of experience in education, proudly serves you every day. We maintain the mission of increasing student achievement through the development of advocacy and leadership in public education. The Florida School Boards Association is the largest professional association for Florida School Board members. In addition to representing your views before the State Board of Education, the Department of Education, Florida Legislature, Congress and others, we pride ourselves on growing and adapting to best serve our members, and in turn, the students of Florida.

Your district dues help to ensure that FSBA is able to maintain the benefits members have come to expect, that include, but are not limited to:

- on-call consultation services
- regular publications, updates and analyses
- newsfeed and legislative tracking and summaries
- \$100,000 accidental death insurance policy
- exclusive access to National membership associations and trainings
- discounts on valued products and service

Your dues also allow the association to continue to improve and expand the services, trainings, and resources our members request. Visit <http://tinyurl.com/fsbaAnnualReport1718> to see the full accomplishments from the 2017-2018 year via our State of the Association Annual Report.

FSBA bylaws require the General Membership to approve dues rates at their meeting in November. On November 28, 2018, the General Membership unanimously approved the 2019-20 dues schedule.

We sincerely appreciate your sustained membership and look forward to continuing to serve you through your voice—our voice—the voice of education in Florida.
