

**Individuals with Disabilities Education Act (IDEA)**  
**Part B**  
**Executive Summary**  
**September 7, 2017**

**FUNDING SOURCE:** The Individuals with Disabilities Education Improvement Act (IDEA), Part B fund allocations are based on a federal formula, utilizing the number of eligible children and an estimate of Florida's Fiscal Year 2017-2018 grant awards.

**ALLOCATION:** IDEA, Part B Estimated Preliminary Allocation including roll-forward: \$7,831,531.00.

**GOAL:** IDEA, Part B funds are to be used to provide, in part, for the excess cost of special education and related services for students with disabilities, complying with the federal mandate for a free appropriate public education, and other requirements specified in the assurances.

**OBJECTIVES:** These entitlement project funds are available for the excess costs directly attributable to programs for students with disabilities. For example, funds may be used to:

- supplement child identification activities;
- provide on-site consultation, interpretation and translation assistance for parents and students requiring communication accommodations;
- provide in-service training regarding awareness of disabling conditions and effective instructional strategies;
- provide adaptive/assistive and communication devices for students;
- provide required services and supports to parentally placed private school students;
- employ paraprofessionals to assist teachers and students with severe disabilities; and,
- employ district and school-based personnel necessary to meet the unique needs of students with disabilities.

**TARGET POPULATION:** Funds may be used to support the excess cost of implementing the federal requirements of the IDEA 2004 Act for any eligible student, ages three (3) through twenty-one (21) years of age.

**TIMELINE:** July 1, 2017 – June 30, 2018
