

**Addendum A**  
to the Dual Enrollment Articulation Agreement  
Between School Board of Clay County and  
The University of North Florida Board of Trustees

1. **High School Virtual Teaching Academy:** Dual enrollment students may only enroll in those courses approved by the District and the College of Education and Human Services. The intent of this program is to create a pipeline for an increased number of teachers in northeast Florida, especially rural areas, by introducing high school students to the teaching profession.

As expressed in s. 1007.271 (1), F.S., “Dual Enrollment” is the enrollment of a student in a postsecondary course creditable toward high school completion. The school district asserts the courses articulated on this addendum are in compliance with s. 1007.271 (1), F.S.

The University provides instruction for the dual enrollment classes articulated in this addendum under the High School Virtual Teaching Academy program. The school district is not responsible for tuition payment for the classes articulated in this addendum only.

*Funding sources:* Fla Stat 1007.271(21)(n)(1) dictates that, when applicable, the district’s payment to the institution will come from funds provided in the Florida Education Finance Program. For dual enrollment course instruction that does not take place on University’s campus and is not provided during the fall or spring term, the District may choose to, but shall not be required to, utilize alternative sources of funding. Any utilization of alternative sources of funding must be agreed upon in advance by both parties.

*Participants and Combining Classes:* Dual enrollment courses taught online or on a high school campus may not be combined with any non-college credit high school course. Participation in any dual enrollment course is limited to admitted applicants only.
