Climate Survey Awards

Climate Survey

- All school personnel and K-12 students had the opportunity to participate in Climate Surveys in Fall 2021.
- Great work to Laura Fogarty's team in Climate and Culture on this survey. This survey was adapted from the Center on Positive Behavioral Interventions and Supports (PBIS), the Collaborative for Academic, Social, and Emotional Learning (CASEL), and the Florida Educator Accomplished Practices (FEAPs).
- The survey data will aid an effort to identify student and staff perceptions around three topics: teaching and learning, relationships, and safety to guide decision making and supports going forward.

Climate Survey Awards & Recognition

Schools with the Highest Student Completion Rate

1. Coppergate Elementary School - Principal Missy Metz
2. Doctors Inlet Elementary - Carolyn Ayers

School of the Month

April is the Final Month of the Year to Nominate Your School!

What does my school win?

Thanks to our Community First Credit Union partners, winning schools will receive the following:

1. A celebration for all school employees;
2. Money towards a school initiative; AND
3. A trophy to display in your school.

This is YOUR opportunity to share with our community all of the wonderful things happening in your school. Each month there will be a new theme. Just go to www.OneClay.net/schoolofthemonth and Click to Nominate your school.
