American Heart Association Year In Review

Each year, CCDS partners with the American Heart Association through the Kids Heart Challenge.

2020-2021 Highlights:

- 24 schools participated, **raising \$168,905 dollars**, which is the highest ever raised by CCDS! (Last year \$132,000 was raised).
- \$10,650 in P.E. equipment was earned and given back to our schools.
- Approximately 19,715 students and families received heart healthy information.
- 1,564 students took a heart healthy challenge and learned about the importance of physical activity, nutrition and living tobacco free.

Clay County District Schools is ranked 6th out of the whole state for fundraising efforts with AHA!

Reflections from the Past Year

- Resumed sports and summer learning successfully in June and July - made National News for our Summer Restart Program!
- In August 2020, 22% of our student body population was enrolled in a virtual learning setting (OCO or CVA), by January, 90% of students were back in-person in the brick and mortar setting!
- EdFIRST ½ Cent Sales Tax Passed in Nov. 2020- The Oversight Committee had their first meeting this past Tuesday.
- The Smart Restart Plan was a success! All schools remained OPEN and events were modified to meet the safety needs of the plan and to still celebrate student achievement and experiences.
- Principal of the Year for the State - Jen Halter
- Today is the LAST day of school for 2020-2021!

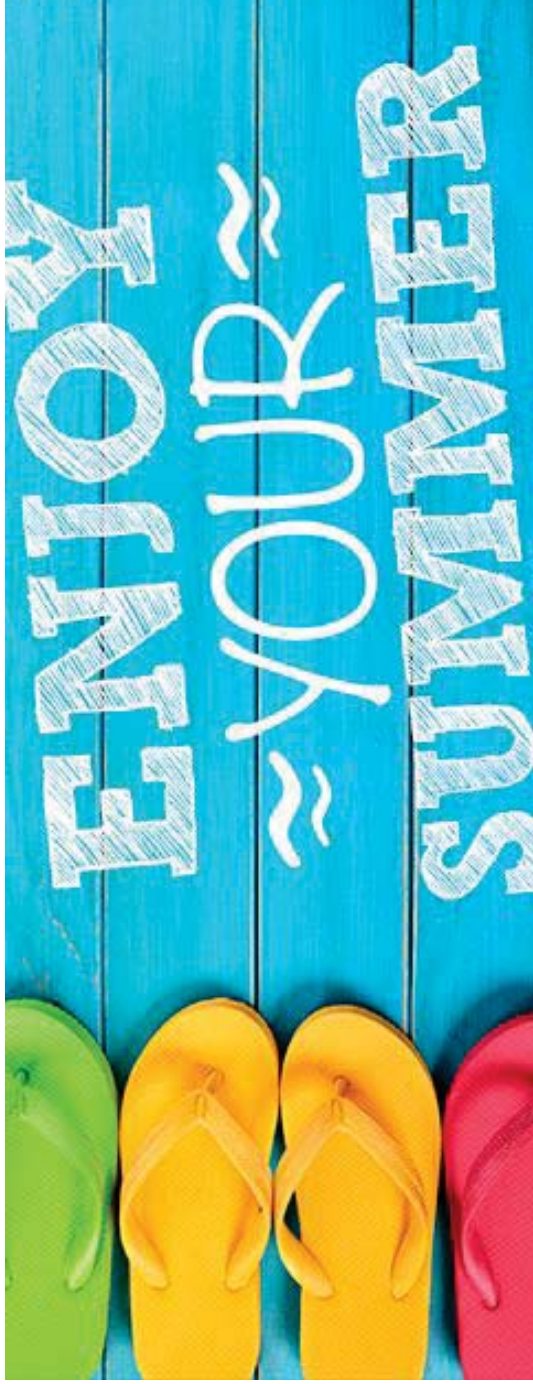

Looking Forward to 2021-2022

- The goal is to return our school system back to the way it was prior to COVID-19 as soon as possible, while keeping safety as the top priority.
- Masks will be encouraged, but not mandatory.
- Volunteers and visitors will begin to phase back into our schools.
- Field Trips will resume on a case-by-case basis.
- Sporting events will allow for more capacity.
- Looking forward to welcoming all students back to the brick and mortar setting next school year!

Have safe and restful Summer Break, Clay County!

First Day of School is Tuesday, August 10th!

Thank you!
