# Superintendent's Advisory Councils

Over the summer, teachers and students applied to become members of the Superintendent's Advisory Councils for the 2021-2022 School Year.

The council allows students and teachers to voice their opinions on a variety of topics and work together to create solutions for select issues that are important to students, teachers, and the school district.

New members were notified this week and will meet once a month for the remainder of the school year.

## Congratulations to the Student Council Members!

# COVID-19 Testing & FLDOE Decision- Tree

# Return to School COVID-19 Guidance does allow students to test out early from quarantine with a negative result and if asymptomatic.

Students seeking clearance for early return after exposure must do so with an approved negative test from a provider and be exhibiting no COVID-19 symptoms. Students must receive clearance from the school nurse by meeting the criteria on the Early Return form per DOH-Clay. A parent/guardian needs to be present for clearance check before the student can return to in-person learning.

Students will receive notification from DOH-Clay that details the earliest date that students may test and the brand/type of test that may be utilized for early return to school through a medical provider.

# COVID-19 Testing in Clay County

Monday through Saturday, 8 am - 5 pm

Beginning Wednesday, August 25 at Omega Park

4317 CR 218, Middleburg, FL 32068

In partnership with Clay County Emergency Management, students and employees can receive a free PCR test at Omega Park through a designated "Fast Pass" line. Students and Employees will need to bring their school or work ID for proof.

## COVID-19 Safety Reminders

Please DO NOT come to school or work if you fall into one of the following scenarios:

- You are awaiting COVID-19 test results (regardless if asymptomatic)
- You are a confirmed positive with COVID-19 and still within the recommended self-isolation timeframe (regardless of vaccination status)
- Someone in the home is exhibiting COVID-19 symptoms and is awaiting test results (\*Unless fully vaccinated and showing no symptoms)
- Someone in the home is positive with COVID-19 (\*Unless fully vaccinated and showing no symptoms - highly encourage use of face covering)
- You have been contact traced and directed to quarantine from the Department of Health or medical provider
