

## SECTION VI SUPPORT SERVICES

### 6.01 EDUCATIONAL AND ANCILLARY FACILITIES

#### B. Annual Architect/Engineer Selection

1. To increase staff efficiency toward having architectural/engineering services available on projects not exceeding ~~\$2,000,000.00~~ the statutory cost limit as established in F.S. 287.055 (2)(g), the following is authorized:
  - a. An appointment of a single architectural/engineering firm for a period of not more than one year is authorized. The appointment may be extended for an additional period of not more than one year if agreeable to the School Board and the architectural/engineering firm. The architectural/engineering firm selection shall follow the professional selection procedures as set forth in 6.01(A). The appointed architectural/engineering firm shall be available to the Superintendent to design, manage and inspect any/all projects costing \$2,000,000.00 not exceeding the statutory cost limit as established in F.S. 287.055 (2)(g) or less. The successful architectural/engineering firm shall be compensated according to the terms of the standard form agreement and fees shall be a stipulated percentage of each project's construction cost. The percentage shall be the same on each project.
  - b. The selection of an architectural firm, an engineering firm, or a firm that provides both architectural and engineering services, and the amount of compensation, shall require Board approval.
