Community Connection

December's Community Connection: Healthy Holidays

Happy Holidays!

Champions of Change

Little Deeds. Huge Impact.

Team Members Making an Impact in Clay County District Schools

The image features a solid red background. In the four corners, there are clusters of white, stylized snowflakes of various sizes and shapes, creating a festive winter theme. The snowflakes are more densely packed in the top-left and bottom-right corners, with some smaller ones scattered in the top-right and bottom-left corners.

Thank You!
