School Recognition Funds From State

Number of Schools Recognized by the State of Florida

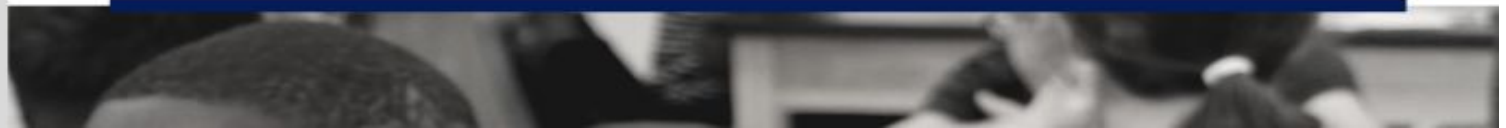

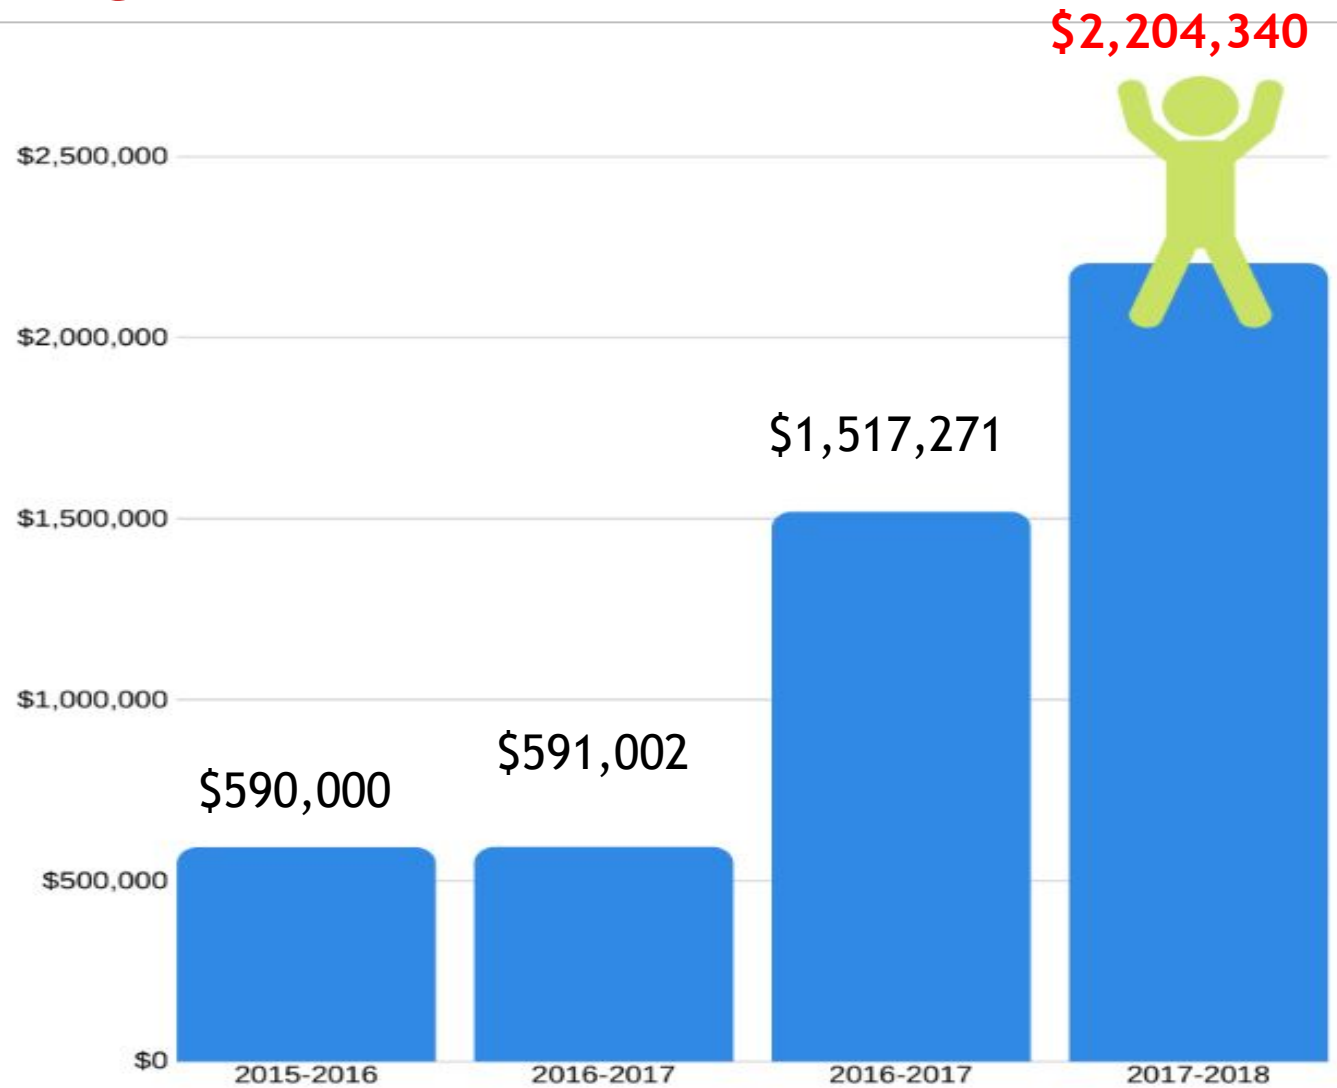

The Florida School Recognition Program recognizes schools that receive a grade of "A," rating of "Commendable," schools that improve at least one performance grade or rating category, or schools that improve more than one letter grade and sustain the improvement the following year. Clay County District Schools has increased the number of schools receiving this honor from 5 to 22 since the 2015-2016 school year.

Amount of School Recognition Funds Generated

\$1,614,340

**FUNDS
GENERATED**

Since 2015-2016, the amount of funds generated due to the School Recognition program has more than **DOUBLED**

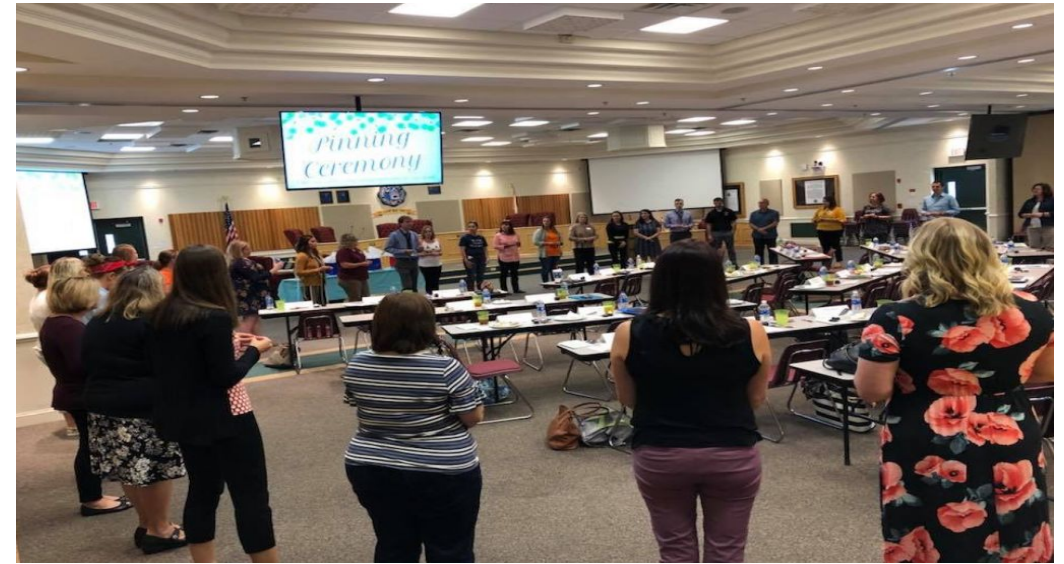

2019 Teacher of the Year Pinning Ceremony

Discovering Endless Possibilities

Champions of Change

Little Deeds. Huge Impact.

Team Members Making an Impact in Clay County District Schools

The background features abstract geometric shapes in shades of red and blue. On the left, a solid red shape curves inward. On the right, there are overlapping, semi-transparent shapes in various shades of red and blue, creating a layered effect. The central area is white, providing a clean space for the text.

Thank You!
