Florida Association of District School Superintendents

March 9, 2006

MEMORANDUM

TO: District School Superintendents

FROM: David Mosrie
Chief Executive Officer

SUBJECT: 2006-2007 FADSS/FASA/AASA Annual Dues

Thank you for your continued support of the Florida Association of District School Superintendents (FADSS). We are preparing for the 2006-2007 school year and plan to continue our services to you and your district as the enclosed brochure indicates.

FADSS staff works with the Florida Legislature, Superintendents, Superintendent Secretaries, District-Level Leaders, and Principals. A coordinated Leadership Training program is a priority. Also, we provide technical assistance to districts on request and develop statewide policy papers on your behalf. FADSS is your voice in Tallahassee. Working together our impact is much greater than individuals working alone.

Enclosed is an invoice for FADSS 2006-2007 annual dues which are due prior to July 1, 2006. FADSS encourages your membership in the Florida Association of School Administrators (FASA) and American Association of School Administrators (AASA) as well. For your convenience, FASA and AASA annual dues are separately listed on the enclosed invoice. Joining AASA gives us a voice in Washington, D.C. on issues such as NCLB and we encourage you to consider those dues as an investment.

If you have any questions regarding this invoice, please contact Margo Marvel in our office at 850/488-5099 or Suncom 278-5099. Thank you again for your support.
