Following such evaluation the department will deliver to the provider a written report of its findings and will include written recommendations with regard to the provider's performance of the terms and conditions of this contract. The provider will correct all noted deficiencies identified by the department within the specified period of time set forth in the recommendations. The provider's failure to correct noted deficiencies may, at the sole and exclusive discretion of the department, result in any one or any combination of the following: (1) the provider being deemed in breach or default of this contract; (2) the withholding of payments to the provider by the department; and (3) the termination of this contract for cause.

**F. Indemnification**

NOTE: Paragraph I.F.1. and I.F.2. are not applicable to contracts executed between state agencies or subdivisions, as defined in §768.28, FS.

Any sub-license, assignment, or transfer otherwise occurring shall be null and void.
2. The provider shall be responsible for all work performed and all expenses incurred with the project. If the department permits the provider to subcontract all or part of the work contemplated under this contract, including entering into subcontracts with vendors for services and commodities, it is understood by the provider that the department shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and the provider shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. Failure to pay within seven (7) working days will result in a penalty charged against the provider and paid to the subcontractor in the amount of one-half of one (1) percent of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen (15) percent of the outstanding balance due.

#### **J. Return of Funds**

To return to the department any overpayments due to unearned funds or funds disallowed pursuant to the terms of this contract that were disbursed to the provider by the department. In the event that the provider or its independent auditor discovers that overpayment has been made, the provider shall repay said overpayment within 40 calendar days without prior notification from the department. In the event that the department first discovers an overpayment has been made, the department will notify the provider by letter of such a finding. Should repayment not be made in a timely manner, the department will charge interest of one (1) percent per month compounded on the outstanding balance after 40 calendar days after the date of notification or discovery.

#### **K. Incident Reporting**

It is agreed that any articles which are the subject of, or are required to carry out this contract shall be purchased from Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE) identified under Chapter 946, FS, in the same manner and under the procedures set forth in §§946.515(2) and (4), FS. For purposes of this contract, the provider shall be deemed to be substituted for the department insofar as dealings with PRIDE. ##### **3. MyFloridaMarketPlace Vendor Registration**

Each vendor doing business with the State of Florida for the sale of commodities or contractual services as defined in section 287.012, Florida Statutes, shall register in the MyFloridaMarketPlace system, unless exempted under Florida Administrative Code Rule 60A-1.030(3) (F.A.C.).

For payments within the State accounting system (FLAIR or its successor), the Transaction Fee shall, when possible, be automatically deducted from payments to the vendor. If automatic deduction is not possible, the vendor shall pay the Transaction Fee pursuant to Rule 60A-1.031(2), F.A.C. By submission of these reports and corresponding payments, vendor certifies their correctness. All such reports and payments shall be subject to audit by the State or its designee.

The Provider shall receive a credit for any Transaction Fee paid by the Provider for the purchase of any item(s) if such item(s) are returned to the Provider through no fault, act, or omission of the Provider. Notwithstanding the foregoing, a Transaction Fee is non-refundable when an item is rejected or returned, or declined, due to the vendor's failure to perform or comply with specifications or requirements of the agreement.

Failure to comply with these requirements shall constitute grounds for declaring the vendor in default and recovering procurement costs from the vendor in addition to all outstanding fees. Providers delinquent in paying transaction fees may be excluded from conducting future business with the State.

2. Except where the provider is a state agency, the provider, its officers, agents, employees, subcontractors, or assignees, in performance of this contract, shall act in the capacity of an independent contractor and not as an officer, employee, or agent of the State of Florida. Nor shall the provider represent to others that it has the authority to bind the department unless specifically authorized to do so.

3. Except where the provider is a state agency, neither the provider, its officers, agents, employees, subcontractors, nor assignees are entitled to state retirement or state leave benefits, or to any other compensation of state employment as a result of performing the duties and obligations of this contract.
4. The provider agrees to take such actions as may be necessary to ensure that each subcontractor of the provider will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.
5. Unless justified by the provider and agreed to by the department in Attachment I, the department will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, or clerical support) to the provider, or its subcontractor or assignee.
6. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds, and all necessary insurance for the provider, the provider's officers, employees, agents, subcontractors, or assignees shall be the responsibility of the provider.

**P. Sponsorship**

**Q. Final Invoice**

To submit the final invoice for payment to the department no more than 30 days after the contract ends or is terminated. If the provider fails to do so, all right to payment is forfeited and the department will not honor any requests submitted after the aforesaid time period. Any payment due under the terms of this contract may be withheld until all reports due from the provider and necessary adjustments thereto have been approved by the department.

Any and all patent rights accruing under or in connection with the performance of this contract are hereby reserved to the State of Florida.
2. In the event that any books, manuals, films, or other copyrightable materials are produced, the provider shall notify the Department of State. Any and all copyrights accruing under or in connection with the performance under this contract are hereby reserved to the State of Florida.
3. The provider, without exception, shall indemnify and save harmless the State of Florida and its employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured by the provider. The provider has no liability when such claim is solely and exclusively due to the Department of State's alteration of the article. The State of Florida will provide prompt written notification of claim of copyright or patent infringement. Further, if such claim is made or is pending, the provider may, at its option and expense, procure for the Department of State, the right to continue use of, replace, or modify the article to render it non-infringing. If the provider uses any design, device, or materials covered by letters, patent, or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or cost arising from the use of such design, device, or materials in any way involved in the work.

**U. Construction or Renovation of Facilities Using State Funds**

Any state funds provided for the purchase of or improvements to real property are contingent upon the provider granting to the state a security interest in the property at least to the amount of the state funds provided for at least (5) years from the date of purchase or the completion of the improvements or as further required by law. As a condition of a receipt of state funding for this purpose, the provider agrees that, if it disposes of the property before the department's interest is vacated, the provider will refund the proportionate share of the state's initial investment, as adjusted by depreciation.

**V. Electronic Fund Transfer**

**A. Contract Amount**

To pay for contracted services according to the conditions of Attachment I in an amount not to exceed \$60,097 subject to the availability of funds. The State of Florida's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Legislature. Invoice payment requirements do not start until a properly completed invoice is provided to the department.
