

We, at Learning Wheels, agree to hold a K-2 workshop for Bennett Elementary in Clay County, FL. This workshop will be held on October 11th, 2011 starting at 12:00 P.M. and ending at 3:00. The subject for this workshop is math. This is an interactive, hands-on workshop full of instructional ideas to help insure student mastery of required skills.

The total price for the workshop will vary depending on the number of participants, but will include a minimum of 40 participants at the session. The total price will be \$100 per participant. This price includes all travel expenses, shipping, handouts, materials and consultant fees.

Each attending participant will receive a material bag with educational games valued at \$75 and a handout with games and activities that can be immediately implemented in the classroom. If you have any questions, please don't hesitate to call us. We want your workshop to be wonderful.

Thank you very much for choosing Learning Wheels!
