

## **UPDATES TO THE STUDENT PROGRESSION PLAN INCLUDE:**

- **Three (3) credits in Science, two (2) of which have to be a lab component**
- **One (1) credit in Fine Arts (may include Speech and Debate) or Practical Arts course that incorporates artistic content and techniques of creativity, interpretation, and imagination**
- **Multiple Birth/Classroom Placement:**  
**(Parents of multiple birth siblings assigned to same grade level and school may request the school to place the siblings in the same classroom or to separate them. School will provide assistance in the decision and reserves some rights to override the parents' wishes).**
- **Physical Education Component:**  
**(Availability of one-on-one counseling to students regarding the benefits of Physical Education)**
