

Workshop Meeting
CLAY COUNTY SCHOOL BOARD
January 17, 2006

The Clay County School Board met in workshop session on the above date in the Board Room at the Teacher Inservice Center at Fleming Island High School with members present, to-wit: Carol Vallencourt, District No. 1; Carol Studdard, District No. 2; Charles Van Zant, District No. 3 (arrived at 4:50 pm); Wayne Bolla, District No. 4; and Lisa Graham, District No. 5.

The meeting was called to order at 4:00 p.m. by the Chairman. There was no agenda for this meeting. The purpose of the meeting was strictly a training session with *Idea* Integration on the new electronic agenda.

Sara Taylor, a Consultant from *Idea* Integration, led the Board Members through the process of accessing and viewing agenda items through the electronic agenda. During the second hour of the training workshop, the Board was taken through a "mock" meeting, to practice initiating motions and votes. The Board was also given a view of the role of the Board Assistant while a meeting is in session.

The February regular board meeting will again be backed up with paper documentation to allow more time for electronic deadlines and attachments. It was also the consensus of the Board, that once all the technical problems are worked out and the electronic agenda is finalized, it will be released to the Board and published to the public website on the same day. Information Services Technicians are still working out some of the technical difficulties associated with linking the electronic agenda to the public website.

The meeting adjourned at 6:00 p.m.
