Re: Selection of one School Board member and one citizen member for
the 2010 Value Adjustment Board in accord with the requirements of
Section 194.015, Florida Statutes

Dear Mr. Wortham:

It is time to select members to serve on the Value Adjustment Board (VAB) for 2010. At its meeting on July 27, 2010, I intend to request that the Board of County Commissioners select two of its members to serve on the VAB and to reappoint John O'Connor as its citizen member. The School Board must choose one of its members to serve on the VAB and appoint a citizen member. The citizen member must own a business occupying commercial space located within the school district. This member may not be a member or an employee of the School District and may not be a person who represents property owners in any administrative or judicial review of property taxes.

Please notify the Clay County School Board (the CCSB) that, pursuant to Section 194.015, Florida Statutes, it must select one of its members to serve on the VAB and appoint or reappoint a citizen meeting the above-referenced requirements. Last year the School Board appointed Mr. Charles (Scott) Roberts. Maybe Mr. Roberts would be willing to serve again.

County staff is in the process of soliciting qualified special magistrates as well as private counsel to represent the VAB. Last year the VAB met two times. It will be necessary for the VAB to meet in late August or September to choose the special magistrates, reappoint counsel and certify the tax roll so that the tax bills may be sent out by November 1, 2010. It is anticipated that the VAB would then meet again in January or February to review the special magistrate findings on the petitions. It is possible that the VAB will also be called upon to adjudicate disputes arising from the valuation of the portability of assessments. That would be a separate meeting.

I would appreciate it if you would please agenda this item for the School Board's next meeting as we have approaching deadlines in August to prepare for the VAB's first meeting in late August or September. I look forward to receiving the CCSB's selections at your earliest convenience. Please advise if you have any questions.

Very truly yours,

Frances J. Moss
