Superintendent Charlie Van Zant, Jr.
Clay County Schools
900 Walnut Street
Green Cove Springs, Florida 32340

Dear Superintendent Van Zant:

It is with great pleasure I extend a formal invitation to the Clay County Schools to become one of our flagship partners in the WeatherSTEM project.

We will cover all equipment and installation costs as well as all ongoing maintenance and support costs associated with the WeatherSTEM project. In addition, we will work with your leadership to coordinate professional development activities that equip teachers with the knowledge they need to take full advantage of the program in their teaching efforts.

I am very excited to have the opportunity to bring this project to the students and teachers of Clay County Schools. With your acceptance of our invitation, we will work hard to insure it has a positive impact to your schools and your community.

Sincerely,

Edward B. Mansouri
