

UNOH

UNIVERSITY OF NORTHWESTERN OHIO

Dear Instructor,

It is my pleasure to invite you to our annual UNOH Instructor Update Seminar that we are holding on July 23, 24, 25, and 26, 2014. The 2014 Instructors' Update Seminar will again offer new and exciting classes, as always, you will receive your NATEF hours for certification and you can also receive college credits from UNOH.

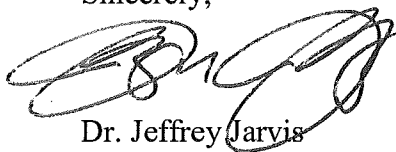

Our theme for this year's event is "Music of the Ages". So bring out your best costume relating to different eras of music. This seminar is, as before, an all-expense paid session. All you have to do is make your reservation with us and we take care of everything else, including hotels and food.

Some of the activities during our three-day event will be as follows:

- Driving Experience for the first 120 instructors at Limaland Motorsports Park
- Dinner and entertainment on Wednesday night at the UNOH Event Center
- Banquet with dinner, drinks, games and entertainment on Thursday evening
- Activities around the Lima area for your spouse or guest
- Racing at Limaland Motorsports Park on Friday night

If you are interested in attending our 30th Annual Instructor Update Seminar, visit our website for more information and the registration form or mail in the reply card and a packet will be mailed to you.

Sincerely,

Dr. Jeffrey Jarvis

President

To Register:

- Visit our website at www.unoh.edu/updateseminar to register on-line
- Return the reply card to the University by April 1st to have a registration packet mailed to you
- Email Shawna at sroob@unoh.edu for a registration packet and more information
