NEW

G-2.1.05 Certified Behavior Analyst

An increasing number of students on the autism spectrum receive private applied behavior analysis (ABA) therapy. While the ESE specialized classrooms provide instruction using the principles of behavior analysis, there is an increasing demand on the part of parents for formal ABA therapy to be provided at school. The district needs a certified behavior analyst on staff who can represent the interests of the district, provide professional development for teachers on ABA principles and practices as prescribed by the IEP, and provide ABA therapy for students as required.

The cost of providing privately contracted ABA therapy to one student for a period of six (6) months would exceed \$25,000.00. Having a behavior analyst on staff would mitigate the cost of this therapy.

Job Locator: G-2.1.05
Position: Certified Behavior Analyst

Evaluated by: Director of Exceptional Student
Education

Job Description:

The Certified Behavior Analyst (CBA) is directly responsible to the Director of Exceptional Student Education. He/she serves in a staff relationship with other ESE Specialists, teachers, and staff.

6. Support implementation of effective behavioral interventions by developing and conducting training for teachers, District staff and parents and attend IEP meetings as necessary.
7. Collaborate with parents, behavior specialists, mental health professionals, agency personnel, and educators in case management and problem-solving.
8. Familiarizes self with most recent research/practice in applied behavior analysis.
9. Follow Federal and State laws, as well as School Board policies.
10. Perform other duties as assigned by the Director of Exceptional Student Education.

2. Master's degree from an accredited institution with Board certification as a Behavior Analyst.
3. Three years of successful teaching experience with students on the autism spectrum and/or working with students with behaviorally complex needs.
