

6.01 EDUCATIONAL AND ANCILLARY FACILITIES

I. Relocatable Facilities

1. The Clay County School Board establishes when District capacity is identified in the review of development impact, relocatable facilities ~~are not to~~ will be included as available capacity. ~~Relocatable facilities are not considered as long term facilities and to use these facilities within any capacity determination would hinder the District's goal for replacement.~~
2. The Clay County School Board is committed to providing quality, safe and lasting facilities that ensure a positive educational environment. The School Board's goal is to utilize relocatable facilities in the following circumstances:
 - a. When available funding and growth necessitate their use to relieve overcrowding until permanent facilities can be provided.
 - b. To temporarily house instructional programs and/or administrative units during the period of time remodeling, renovation, or other major repair is underway in a permanent structure.
 - c. In the event of any natural or man-made disaster until appropriate permanent facilities can be provided.
3. It is the goal of the Clay County School Board that existing relocatable facilities exceeding thirty (30) years of age are to be replaced to the fullest extent funding allows. Renovation of existing relocatables shall be every fifteen (15) years.
