**Workshop Items**

**2. Redesigning Clay County High Schools**

**Minutes:**

The purpose of this workshop was to provide information regarding "The Academies of Clay" and how the redesign of Clay County's high schools with small learning communities (Academies) can improve teaching and learning.

- Diane Kornegay, Assistant Superintendent for Instruction, gave a brief introduction of the workshop presenters.
- Alice Paulk, Supervisor of CTE, gave an Overview and historical perspective.
- Chereese Stewart, Director of Career and Technical Education, presented Next Steps.
- David Broskie, Principal of Oakleaf High School, talked about how principals are preparing for the redesign.
- Chris Wester, Keystone Heights High School's Teacher of the Year and also one of Clay County's top five TOY finalists, spoke about the benefits of the redesign from a teacher's perspective.
- Zach Cox, former Academy student, talked about learning in the Academy environment.
- Angie Benitez, parent of an Academy student, gave

- o a parent's perspective of the Academy program.
- o Emily Weiskopf, Supervisor of School Improvement/Professional Development & Assessment, answered questions about training that will be provided to teachers.

Following the presentations, the workshop portion of the meeting was closed and after a short break, the special meeting was called to order at 6:30 p.m.
