If you answer no to meeting any requirement: (Completed 11/21/06)

1.) Describe the initiatives you are taking to maximize your efforts to correct the situation.

I am reviewing the students currently enrolled in the Free or Reduced Lunch program in order to invite three additional parents representing our LSE population to become members of our SAC resulting in 13 total members, 6 representing our LSE population or 46%.

I will also resend the FRL participation form to the households of the current SAC members who do not qualify for FRL as both families participated in the FRL program in the 2005-06 school year.

These initiatives will occur prior to our November, 2006 SAC meeting.

2.) For the business/community category the district will provide wide notice of vacancies throughout the community at large. Please notify the Director of School Improvement, Professional Development, and Assessment of any vacancies you have been unable to fill after your efforts to advertise your vacancies widely in your community.
