**Subject:** FW: Your PLTW Core Training Institute registration has been received!

After I did my qualification test, I was asked if I would like to register for the summer session, so I did. As usual, they start on a Monday and will not let you into the dorm on Sunday night which is always Fathers Day holiday. I will be going up on the 17th to ensure I arrive on time. I will stay with my son in Charleston and drive the 2 hours up on Monday morning or go to Ft Jackson and stay in the VIP suite if its available.
