Reference: Price Increase

Dear Robert,

This letter is to inform you of an industry wide price increase on all orders placed on or after March 11, 2013. We find ourselves confronted with increased raw material and energy costs that are impacting all levels of our carpet production and distribution processes.

We have held the price of \$6.99 per sq yd on the New Basics II 28 Weldlok carpet that you have used with the Clay County School contract since 2006. Your price will increase to \$7.50 per sq yd on Monday March 11, 2013.

As always, thank you for your business and continued support of Mohawk Industries.

Sincerely,

A handwritten signature in cursive script that reads "John McClean".
