II. JOB DESCRIPTION ACTIONS

Approve the following new job description:

NEW

STEM Project Specialist

This new position will serve as the liaison between the school and military families as defined in the DoDEA PASS Grant.

Job Locator: NEW
STEM Project Specialist
Position Grade: Teacher Salary Schedule
Evaluated by: Director of Student Services

Job Description:

The STEM Project Specialist will serve as the liaison between the school and military families as defined in the DoDEA PASS Grant. The STEM Project Specialist will also ensure the academic program goals and support program goals identified in the PASS Grant are successfully met.

Responsibilities and duties of this position include:

1. Serve as liaison between the school/district and the Naval Air Station to meet the needs of the district's military dependent students and their families.
2. Promote communication between the school/district, military families and state and local support agencies.
3. Work closely with members of the administration/ teaching staff to provide resources needed to meet the individual needs of the students at the participating school sites.
4. Promote school and district partnerships with the military and business community.
5. Coordinate and oversee staff training and follow-up for the support programs required at participating schools to include Foundations for Safe and Civil Schools and the Student2Student peer leader program.
6. Oversee the implementation of the PATHS program for improving social and emotional learning.
7. Create a STEM website with supporting resources to assist teachers in the implementation of STEM strategies.
8. Provide multimedia technology support in the development of STEM model lessons.
9. Serve in a staff relationship with other curriculum specialists in facilitating and coordinating specifically assigned curriculum areas.
10. Assist in the development and implementation of the STEM curriculum including strategies to integrate technology into the math and science curricula.
11. Provide support and coaching to teachers as requested.
12. Assist with other projects and responsibilities as assigned.

Required Qualifications:

1. Currently possess, or eligible to receive a valid Florida Educator's Certificate
2. Three (3) years of successful experience in classroom teaching.
3. Experience in the field of communication and public relations.
4. Experience with multimedia technology.
5. Skills in oral and written communication.
6. Knowledge of STEM curriculum and related resources.

Effective: 10-18-11
