To Whom It May Concern:

This letter is to inform you of the purpose of Carl Hendrick's participation in Stoneware's webNetwork Customer Advisory Council (CAC) on October 23 and 24, 2012. The purpose of the CAC is to bring together a select group of Stoneware customers to provide feedback on our proposed roadmap, share ideas with other customers on different implementations of the product, and serve as a sounding board for our management team on our vision and strategy. We view this valuable customer feedback as a vital part of our strategy to improve our offerings, as Mr. Hendrick is a thought leader in his role as Director of Technology at Clay County Schools. As part of the CAC, Stoneware will provide travel to and from the event, as well as meals and lodging while Mr. Hendrick is at our corporate headquarters. There is no requirement for Mr. Hendrick to provide any services to or on behalf of Stoneware. No gifts or monetary benefits will be provided to Mr. Hendrick as a result of her attendance. We ask for your approval for Mr. Hendrick to attend and assist us in improving our product offering.

Sincerely,

Greg Tan
