Manager Intern

II. Job Description Actions

The following job descriptions have been revised:

C-3.8.37 Technology Support Assistant - Requirement for Driving Record removed.
Employee does not drive a Clay County School Board vehicle.

The following supplement job description has been revised:

Technology Coach

Job Locator: C.3.8.37

Technology Support Assistant

Position Grade: Support Salary Schedule

Evaluated By: Assigned Principal

Job Description

Provides assistance to Information Services (I.S.) school Principal, designated school technology leaders, and the school technology committee to deliver “just in time” support to ensure campus staff has technology resources available at all times. Maintains campus LANs and troubleshoots computer hardware and software issues. Works with I.S. to implement new hardware, software, and related technology.

Responsibilities and duties of this position include:

1. Assists with installations, and configuration of school networks, including servers, operating systems, application software, workstations, network electronics, and cabling, assists with basic installations of basic and program related technology devices, including adaptive devices.
2. Troubleshoots existing network systems, including major and minor hardware maintenance, upgrades, and repairs for workstations, file servers, network hardware, peripherals, and operating systems.
3. Assists teachers and staff in the operation of computers, other hardware, and the network system pertaining to technology literacy, such as email, operating systems, word processing, spreadsheets, etc.
4. Serves as primary campus contact for the Information Services Help Desk.
5. Ensures appropriate physical and electronic/software security for all hardware and network equipment, including password maintenance.
6. Assists in backing up all servers, and maintaining logs and tape rotation schedules,
7. Assists I.S. in the administration of all users in the domain and provides appropriate levels of security, including printer services, access and backups for all users.
8. Assists in maintaining hardware and software inventories, including recommending obsolete or inoperative equipment to be removed from inventory (surplus.)
9. Monitors adherence to the District Technology Plan, Acceptable Use Policy, copyright laws, and technology guidelines.
10. Performs other duties as requested by assigned Principal or I.S.

Required Qualifications:

1. Must be a high school graduate or have passed the GED equivalency examination.
2. Post high school training or experience in network and technology support.
3. Technical proficiency in network and technology support certified by IS administrator.
4. Must possess a valid Florida Driver's License appropriate for the vehicle/equipment assigned and maintained.
5. ~~Must have a safe driving record during employment. Safe driving history shall be interpreted as follows: On a license record search no accumulation of points totaling eight (8) or more within any 12-month period within the three (3) years immediately preceding the record search; and no conviction for DUI within the seven (7) years immediately preceding the record search. A no contest plea shall be considered the same as a conviction.~~

Desired Qualifications:

1. Associates Degree in Computer Science or related field.
2. MCP, MCDST, or other Microsoft certification.
3. Experience in an educational setting.

Board Approved: 6/20/06

Revised: 9/21/06

SUPPLEMENTED POSITION: #36
Educational Technology Advisor
Technology Coach

Responsibilities and duties of this position include:

1. Provides leadership on technology steering committee and in developing/updating technology plan **or section of the School Improvement Plan.**
2. Attends county-wide district technology meetings and relevant workshops necessary to keep abreast of technological developments.
3. Provides leadership on technology steering committee and in developing/updating Assists in disseminating information and providing workshops within the school about new ~~technology, hardware and~~ **instructional and application** software.
4. **Assist the technology integration specialist and other curriculum specialist in coordinating technology integration in all K-6 curriculum areas.**
5. **Provide technology integration inservice training, coaching and modeling to K-6 teachers.**
6. **Provide support and coaching to teachers to improve their technology integration skills.**
7. **Provide teachers support in using the district selected gradebook program**
8. Assists in recommending appropriate software ~~and hardware~~ for student, parent, faculty, and administrative use.
9. ~~Assists in ordering, securing, and setting up new technology.~~
10. ~~Aids in troubleshooting software and hardware problems.~~
11. ~~Keeps school administration posted on needed repairs of computers in school. (Maintain school policy.~~
9. Assists in the maintenance of school technology inventory and in responding to technology surveys.
10. Assists in writing grant proposals to acquire technology funds and support for the school.

Required Qualifications:

1. Must attend all meetings and workshops for Technology Advisors unless excused by designated District Administrator in order to receive supplement and in order to be considered for reappointment for the following year.
