A. Administrative Staff Communications to the Board

All communications from administrators to the Board or its committees shall be submitted through the Superintendent or as directed by the Superintendent. The Superintendent shall forward all such communications received from administrators to the Board at his/her earliest convenience. This procedure is not intended to deny any administrator his/her constitutional right of free speech or the right to appeal to the Board on important matters through established procedures.

B. Board Communications to the Administrative Staff

All official policies and directives of the Board of interest and concern to the administrative staff will be communicated through the Superintendent, who shall also keep administrators informed of the Board's problems, concerns, and actions.

C. Social Interaction

Both administrators and Board members share a keen interest in the schools and in education generally, and it is to be expected that when they meet at social affairs and other functions, they will informally discuss such matters as educational trends, issues, and innovations, and general activities of the District. However, since individual Board members have no special authority except when they are convened at a legal meeting of the Board or vested with special authority by Board action, administrators and Board members should not discuss personalities, personnel grievances, or complaints because this will be considered to be unethical conduct on the part of the Board member and unprofessional conduct on the part of the administrator. Such matters should be addressed in accordance with the procedures established in Board policy.

A candidate shall be disqualified from employment in any administrative position that requires direct contact with students if the candidate is ineligible for such employment under F.S. 1012.315.

A person is ineligible for educator certification or employment in any position that requires direct contact with students if:

- A. they are on the disqualification list maintained by the Florida Department of Education under F.S. 1001.10(4)(b);
- B. they are registered as a sex offender as described in 42 U.S.C. 9858f(c)(1)(C);
- C. they are ineligible based on a security background investigation under F.S.435.04;

with students in a District school.

- D. they would be ineligible for an exemption under F.S. 435.07(4)(c); or,
- E. they have been convicted or found guilty of, have had adjudication withheld for, or have pled guilty or nolo contendere to (1) any criminal act in another state or under federal law which, if committed in Florida, constitutes a disqualifying offense under F.S. 435.04(2) or (2) any delinquent act committed in Florida or any delinquent or criminal act committed in another state or under Federal law which, if committed in Florida, qualifies an individual for inclusion on the Registered Juvenile Sex Offender List under F.S. 943.0435.

To be eligible for employment in an administrative position requiring certification, an individual must be of good moral character and hold a valid certificate issued pursuant to Florida law and the rules of the State Board of Education. A copy of the certificate shall be filed with the District.

In addition, the Board shall allow an individual with a temporary certificate in educational leadership to be eligible for administrative positions for which State certification in educational leadership is required. Pursuant to State law and rules adopted by the State Board of Education, an individual must earn a passing score on the Florida Educational Leadership Examination, document three (3) years of successful experience in an executive management or leadership position, and hold a bachelor's degree or higher from an accredited institution of higher learning to qualify for a temporary certificate in educational leadership. A person who is employed under a temporary certificate in educational leadership must be under the mentorship of a State-certificated school administrator during the term of the temporary certificate.

The Superintendent shall also conduct employment history checks of all candidates for administrative positions. The employment history check shall include, but not be limited to, contacting any previous employer and screening the candidate through the use of the screening tools described in State law. If contact with (a) previous employer(s) cannot be made, the Superintendent shall document the efforts made to do so.

The Board may establish reciprocal certification agreements with other Florida school districts whose employment and/or certification requirements are comparable to those of the Clay County School District.

The Board shall require a candidate for employment with an out-of-district certificate not comparable to the Clay County School District Certification to complete all requirements for initial employment and certification.

F.S. 1012.33 states that "the first ninety-seven (97) days of an initial principal's or supervisor's contract is a probationary period. During the probationary period, the employee may be dismissed without cause or may resign from the contractual position without breach of contract." This statement means that individuals who are appointed into their initial administrative positions in the State of Florida will have a ninety-seven (97) day probationary period.

All administrators shall become familiar with the policies of the Board and other policies, regulations, memoranda, bulletins, and handbooks that pertain to their duties in the District. Any administrator employed by the Board who shall be guilty of any willful violation of the policies of the Board shall be guilty of gross insubordination and shall be subject to dismissal or other lesser penalty as the Board may prescribe.

1121.01 - **BACKGROUND SCREENING AND EMPLOYMENT HISTORY CHECKS**

The safety of its students is of paramount importance to the District. Consistent with this concern for student safety, and in compliance with Florida law, the District requires that, prior to initial employment, or re-employment if there has been a break in service, all candidates for all administrative positions shall be subject to a criminal background screening to determine eligibility for employment. Additionally, the Superintendent shall verify all new full-time and part-time employees' right to work in the United States according to Federal and State law.

The application for employment shall inform the applicants that they are subject to a criminal background screening and employment history check.

The cost of the background screening related to initial employment or re-employment after a break in service will be borne by the candidate for employment.

The Board is a registered employer with the Care Provider Background Screening Clearinghouse. Background screenings, including all fingerprint requirements, shall be conducted in accordance with F.S. 435.12 and F.S. 1012.32. Criminal history checks through the Care Provider Background Screening will be conducted before referring an employee or potential employee or a person with a current or potential affiliation with the District for electronic fingerprint submission to the Florida Department of Law Enforcement. For purposes of this policy, "affiliation" means the status of a person employed or serving as a level 2 volunteer or contractor, or seeking to be employed or to serve as a volunteer or contractor, with the District in a position for which screening is not required by law but is authorized under the National Child Protection Act.

If it is found that a person who is employed as an administrator does not meet the screening requirements, the person shall be immediately suspended from working in that capacity and shall remain suspended until final resolution of any appeals.

A person who is found ineligible for employment under F.S. 1012.315, or otherwise found through background screening to have been convicted of any crime involving moral turpitude as defined by rule of the State Board of Education, may not be employed, engaged to provide services, or serve in any position that requires direct contact with students. For purposes of this policy, "convicted" means that there has been a determination of guilt as a result of a trial or the entry of a plea of guilty or nolo contendere, regardless of whether adjudication is withheld, and includes an adjudication of delinquency of a juvenile as specified in F.S. 943.0435.

Furthermore, before employing an administrator in any position that requires direct contact with students, the Superintendent shall conduct employment history checks of each of the candidate's previous employer(s), review each affidavit of separation from previous employers pursuant to F.S. 1012.31, screen the candidate through use of the educator screening tools described in F.S. 1001.10(5), and document the findings. If unable to contact a previous employer, the Superintendent shall document efforts to contact the employer (F.S. 1012.27(6)). Background screenings for these candidates must also comply with the requirements of F.S. 1012.465 or F.S. 1012.56 (whichever is applicable).

Pursuant to State law, all administrators employed by the District must self-report arrests for serious offenses (see AP 1121.01).

The cost of this subsequent background screening will be borne by the employee.

The information contained in reports received from the FDLE and the FBI is confidential.

Although permissible by State law, the District will not share information received as the result of the criminal background check with other school districts.

Current employees will be rescreened through the Care Provider Background Screening Clearinghouse in accordance with the following schedule:

- A. Employees for whom the last screening was conducted on or before June 30, 2021 must be rescreened by June 30, 2025;
- B. Employees for whom the last screen was conducted between July 1, 2021 and June 30, 2022 must be rescreened by June 30, 2026; and
- C. Employees for whom the last screening was conducted between July 1, 2022 and December 31, 2023 must be screened by June 30, 2027.

Furthermore, if information received as a result of the criminal history records check indicates that a certificated administrator has been convicted of certain crimes enumerated by law, the Superintendent must report this information to the Florida Department of Education per Policy 8141 - *Mandatory Reporting of Misconduct*.

Changes to Initial Status - Care Provider Background Screening Clearinghouse

Before January 1, 2024, initial status and any changes in status must be reported within ten (10) business days after a person receives his/her initial status or after a change in the person's status has been made.

1122 - NONDISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY

I. General Statement

The School Board does not discriminate on the basis of race, ethnicity, color, national origin, sex, disability, pregnancy, marital status, age (except as authorized by law), religion, military status, ancestry, or genetic information which are classes protected by State and/or Federal law (collectively, "protected classes") in its programs and activities, including employment opportunities.

The Board does not, as a condition of employment, membership, certification, licensing, credentialing, or passing an examination, subject individuals to training, instruction, or other required activity that is prohibited under F.S. 760.10 and F.S. 1000.05. Prohibited discrimination also occurs when any student or employee is subjected to training or instruction that is unlawful under F.S. 1000.05.

Such prohibited activities include espousing, promoting, advancing, inculcating, or compelling employees or students to believe the following:

- A. Members of one (1) race, color, national origin, or sex are morally superior to members of another race, color, national origin, or sex.

- B. A person, by virtue of his/her race, color, national origin, or sex is inherently racist, sexist, or oppressive, whether consciously or unconsciously.
- C. A person's moral character or status as either privileged or oppressed is necessarily determined by his/her race, color, national origin, or sex.
- D. Members of one (1) race, color, national origin, or sex cannot or should not attempt to treat others without respect to race, color, national origin, or sex.
- E. A person, by virtue of his/her race, color, national origin, or sex bears responsibility for, or should be discriminated against or received adverse treatment because of, actions committed in the past by other members of the same race, color, national origin, or sex.
- F. A person, by virtue of his/her race, color, national origin, or sex should be discriminated against or received adverse treatment to achieve diversity, equity, or inclusion.
- G. A person, by virtue of his/her race, color, sex, or national origin, bears personal responsibility for and must feel guilt, anguish, or other forms of psychological distress because of actions, in which the person played no part, committed in the past by other members of the same race, color, national origin, or sex.
- H. Such virtues as merit, excellence, hard work, fairness, neutrality, objectivity, and racial colorblindness are racist or sexist, or were created by members of a particular race, color, national origin, or sex to oppress members of another race, color, national origin, or sex.

These prohibited activities should not be construed to exclude discussion of the concepts listed therein as part of a larger course of training or instruction, provided such training or instruction is given in an objective manner without endorsement of the concepts.

It is the legal obligation and the policy of the Board to employ only those persons who are best qualified, with or without reasonable accommodations.

Further, nothing in this policy shall be construed to abridge the rights of students or school employees that are protected by the First Amendment to the Constitution of the United States.

II. Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Respondent is the individual who has been alleged to have engaged in unlawful discrimination/retaliation, regardless of whether the reporting party files a formal complaint or is seeking an informal resolution to the alleged discrimination/retaliation.

School District community means students and Board employees (i.e., administrators, and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

For purposes of this policy, "military status" refers to a person's status in the uniformed services, which includes the performance of duty, on a voluntary basis, or involuntary basis, in a uniformed service including active duty, active duty for training, initial active duty for training, inactive duty for training, and full-time National Guard duty. It also includes the period of time for which a person is absent from employment for the purpose of an examination to

determine the fitness of the person to perform any such duty as listed above.

III. District Compliance Officer(s)

The Superintendent shall appoint compliance officer(s) whose responsibility it will be to require that Federal and State regulations are complied with and that any inquiries or complaints are dealt with promptly in accordance with law. The Superintendent shall also require that proper notice of nondiscrimination for Title II, Title VI, and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Americans with Disabilities Act of 1990, and the Age Discrimination in Employment Act will be provided to staff members and the general public. Any sections of the District's collectively-bargained, negotiated agreements dealing with hiring, promotion, and tenure will contain a statement of nondiscrimination similar to that in the Board's statement above.

A. Compliance Officer(s)

The Board designates the following persons to serve as the District's "Compliance Officer(s)" (also known as "Civil Rights Coordinators"; hereinafter referred to as the "COs"):

Assistant Superintendent of Human Resources
904-336-6500
900 Walnut Street
Green Cove Springs, FL 32043

B. Publication Required

The name(s), title(s), and contact information of this/these individual(s) will be published annually on the School District's website.

IV. Complaint Procedures

Except for sex discrimination and/or Sexual Harassment that is covered by Policy 2266 - *Nondiscrimination on the Basis of Sex in Education Programs or Activities*, any employee who alleges to have been subjected to unlawful discrimination may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter. Nothing contained in this policy is intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the U.S. Department of Education's Office for Civil Rights ("OCR"), the Florida Commission on Human Relations ("FCHR"), or the Equal Employment Opportunity Commission ("EEOC").

In accordance with Federal and State law, employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation, or misapplication of Federal and/or State law. In addition, employees will be notified of their right to file a complaint with the OCR, FCHR, or EEOC.

Internal complaints must be in writing and identify the specific circumstances or areas of dispute that have given rise to the complaint and offer possible solutions to the dispute. The complaint must be filed with a compliance officer within the time limits specified below. The compliance officer is available to assist individuals in filing a complaint.

V. Internal Complaint Procedure

The following internal complaint procedure is available to employees for the prompt and equitable resolution of complaints alleging discrimination that is prohibited in this policy. This complaint procedure is not available to unsuccessful applicants. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the OCR, FCHR, or EEOC.

- A. An employee with a complaint based on alleged discrimination may first discuss the problem with the compliance officer.
- B. If the informal discussion does not resolve the matter, or if the employee skips Step A, the individual may file a formal written complaint with the compliance officer. The written complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, describe the alleged discriminatory action in sufficient detail to inform the compliance officer of the nature and date of the alleged violation, and propose a resolution. The

complaint must be filed within thirty (30) days of the circumstances or event giving rise to the complaint unless the time for filing is extended by the compliance officer for good cause.

- C. The compliance officer will conduct an independent investigation of the matter (which may or may not include a hearing). This complaint procedure contemplates informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to present witnesses and other evidence relevant to the complaint. The compliance officer will provide the complainant with a written disposition of the complaint within ten (10) days. If no decision is rendered within ten (10) days, or the decision is unsatisfactory in the opinion of the complainant, the employee may file, in writing, an appeal with the Superintendent.
- D. The Superintendent will, within ten (10) days of receiving the written appeal, conduct a hearing with all parties involved in an attempt to resolve the complaint.
- E. The Superintendent will render his/her decision within ten (10) days of the hearing.
- F. The employee may be represented, at his/her own cost, at any of the above-described meetings/hearings.
- G. The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

If it is determined that the complainant was subjected to unlawful discrimination, the CO must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

VI. Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

VII. Training

The compliance officers will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Federal and State law, and are informed of the Board's policies and practices with respect to fully implementing and complying with the requirements of Federal and State law.

VIII. Notice

Notice of the Board's policy on nondiscrimination in employment practices and the identity of the compliance officers will be posted throughout the District, and published in the District's recruitment statements or general information publications as required by Federal and State law and this policy.

IX. Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation, including, but not limited to:

- A. all written reports/allegations/complaints/statements;

- K. dated written determinations to the parties;

- N. documentation of any supportive measures offered and/or provided to the Complainant and/or the Respondent, including no contact orders issued to both parties, the dates the no contact orders were issued, and the dates the parties acknowledged receipt of the no contact orders;
- O. copies of the Board policy and/or procedures/guidelines used by the District to conduct the investigation, and any documents used by the District at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student Codes of Conduct and/or Employee Handbooks);
- P. copies of any documentation that memorializes any formal or informal resolutions to the alleged discrimination or harassment; and
- Q. documentation of any training provided to District personnel related to this policy, including but not limited to, notification of the prohibitions and expectations of staff set forth in this policy and the role and responsibility of all District personnel involved in enforcing this policy, including their duty to report alleged violations of this policy and/or conducting an investigation of an alleged violation of this policy.

Title PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

Code po1122.01

Status From Neola

Legal 29 C.F.R. Part 1630
29 U.S.C. 794, Section 504 Rehabilitation Act of 1973, as amended
34 C.F.R. Part 104
42 U.S.C. 12101 et seq., Americans with Disabilities Act of 1990, as amended

1122.01 - PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

The School Board prohibits discrimination against any employee or applicant based upon his/her disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training, or other terms, conditions and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability.

Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability unless the accommodation would impose an undue hardship on the operation of the District's program and/or activities. A reasonable accommodation is not necessarily required for an individual who is merely regarded as having a disability.

District Compliance Officer(s)

The following persons are designated as the District Section 504 Compliance Officer(s)/ADA Coordinator(s) ("District Compliance Officer(s)"):

Assistant Superintendent of Human Resources
904-336-6500
900 Walnut Street
Green Cove Springs, FL 32043

The name(s), title(s), and contact information of this/these individual(s) will be published annually on the School District's website.

The District Compliance Officer(s) are responsible for coordinating the District's efforts to comply with and fulfill its responsibilities under Section 504 and Title II of the Americans with Disabilities Act, as amended ("ADA"). A copy of Section 504 and the ADA, including copies of their implementing regulations, may be obtained from either of the District Compliance Officer(s).

The District Compliance Officer(s) will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints. The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA.

Complaint Procedures

If a person believes that s/he has been discriminated against on the basis of his/her disability in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training, or other terms, conditions and privileges of employment, the person may utilize the complaint procedures set forth in Policy 1122 - *Nondiscrimination and Equal Employment Opportunity* as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination, or participates as a witness in an investigation, is prohibited. Specifically, the Board will not discriminate/retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by Section 504 or the ADA, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Training

The District Compliance Officer(s) will disseminate information so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, administrative procedures, and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The Board will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

Facilities

No qualified person with a disability will, because the District's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities.

Notice

Notice of the Board's policy on nondiscrimination in employment practices will be published on the District's website and posted throughout the District, and included in the District's recruitment statements or general information publications.

Status From Neola

42 U.S.C. 12101 et seq., Americans with Disabilities Act of 1990, as amended

1122.02 - **NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE**

The School Board does not discriminate against any employee or applicant for employment with respect to hiring, compensation, terms, conditions, or privileges of employment based on genetic information. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Retaliation against an applicant or employee for engaging in protected activity is prohibited.

As required by Federal law and regulation, the Board shall direct its employees not to provide any genetic information in response to requests for medical information, including but not limited to FMLA medical certification or recertification. The Board shall also direct applicants for employment not to provide any genetic information in response to requests for medical information as part of the District's application process. "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. As required by Federal law, if the District inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider it shall be treated as a confidential medical record.

The Superintendent shall appoint a compliance officer whose responsibility it will be to ensure that Federal regulations are complied with and that any inquiries or complaints are dealt with promptly in accordance with law. S/He shall also ensure that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members.

Title DRUG-FREE WORKPLACE

Code po1124

Status From Neola

Legal F.S. 440.101
F.S. 440.102
F.A.C. Chapter 59A-24, Drug-Free Workplace Standards

1124 - DRUG-FREE WORKPLACE

The School Board recognizes that substance abuse in our nation and our community exacts staggering costs in both human and economic terms. Substance abuse causes impaired job performance, lost productivity, absenteeism, accidents, wasted materials, lowered morale, higher health care costs, and diminished interpersonal relationship skills. The Board commits to create and maintain a drug-free workplace.

The use of illegal drugs, the abuse of alcohol, and the misuse of prescription and over-the-counter drugs are unacceptable. The Board does not permit the manufacture, possession, use, distribution, or dispensing of any controlled substance, alcohol, or any drug paraphernalia as the term is defined by law, by any member of the District's staff, visitor or vendor at any time while on District property or while involved in any District-related activity or event.

Drug Testing

In furtherance of this policy, the Board conducts drug testing of its job applicants and employees, pursuant to Federal and State law.

Board employees who operate Board vehicles and have a commercial driver's license or perform safety-sensitive functions are subject to the drug testing procedures in Policy 4162.

"Drug" means an amphetamine; a cannabinoid; cocaine; phencyclidine (PCP); a hallucinogen; methaqualone; an opiate; a barbiturate; a benzodiazepine; a synthetic narcotic; a designer drug; or a metabolite of any of the substances listed in this paragraph. This definition also includes all prescription drugs obtained without authorization and all prescribed and over-the-counter drugs being used in a way other than for medical purposes, in accordance with the directions for use provided in the prescription or by the manufacturer. This definition includes prescription marijuana.

Types of Drug Testing

A. Job Applicant Drug Testing

For the purpose of this policy, "job applicant" means a person who has applied for a position with the Board and has been offered employment conditioned upon successful completion of a drug test. Applicants will be informed in advance of the requirement of a negative drug screen as a condition of employment. The drug screen must be conducted within thirty (30) days prior to employment, and within twenty-four (24) hours of receiving the notice to report from Human Resources. A refusal to submit to a drug test or a positive confirmed drug test may be a basis for refusing to hire a job applicant.

B. Reasonable Suspicion Drug Testing

For the purpose of this policy, "reasonable suspicion" means the reasonable belief that an employee is using or has used drugs in violation of this policy, drawn from specific objective and articulable facts and reasonable inferences drawn from those facts in light of experience concerning the appearance, behavior, speech, or body odors of the employee.

1. observable phenomena while at work, including, but not limited to; direct observation of drug use; physical symptoms; or manifestations of being under the influence of a drug;
2. abnormal conduct or erratic behavior while at work or a significant deterioration in work performance;
3. a report of drug use, provided by a reliable and credible source;
4. evidence that an individual has tampered with a drug test during his/her employment with the Board;
5. information that an employee has caused, or contributed to, an accident while at work; or
6. evidence that an employee has used, possessed, sold, solicited, or transferred drugs while working for the Board or while on the Board's premises; or while operating the Board's vehicles, machinery, or equipment.

C. Routine Fitness-for-Duty Drug Testing

A drug screening will be required as part of an employee fitness-for-duty medical examination that is scheduled routinely for all members of an employment classification or group.

D. Follow-up Drug Testing

If the employee in the course of employment enters an employee assistance program for drug-related problems, or a drug rehabilitation program, the Board will require the employee to submit to a drug test as a follow-up to such program. Follow-up testing will be conducted at least once a year for a two (2) year period after completion of the program, with no advance notice of follow-up testing dates.

Drugs Tested

The Board may test for the following drugs:

- A. alcohol, including a distilled spirit, wine, a malt beverage, or an intoxicating liquor
- B. an amphetamine
- C. a cannabinoid (THC/marijuana)
- D. cocaine
- E. phencyclidine (PCP)
- F. a hallucinogen
- G. methaqualone
- H. an opiate (fentanyl, oxycodone, methadone)
- I. a barbiturate (phenobarbital)
- J. a benzodiazepine (Valium, Xanax, Klonopin)
- K. a synthetic narcotic
- L. a designer drug
- M. a metabolite of any of the substances listed above

Confidential Report to Medical Review Officer (MRO)

An employee may confidentially report to an MRO their use of prescription or non-prescription medications, either before or after being tested.

Right to Consult with the MRO

An employee has the right to consult with an MRO for technical information regarding prescription or non-prescription medication.

Employee Self-Report

Board employees who self-report substance abuse problems, prior to any incident requiring the employee's drug testing, will, upon the first self-report, be afforded employee assistance with the District's Employee Assistance Program.

Depending upon the substance involved, this may necessitate the employee requesting a leave from their position while in treatment. This leave will be charged to the employee's accrued time or will be unpaid. Actions taken upon an employee's subsequent self-reports will be at the discretion of Human Resources.

Positive Confirmed Test Result

An employee who receives a positive confirmed test result may contest or explain the result to the MRO after receiving notification of the test result. If the employee's explanation or challenge is unsatisfactory to the MRO, the MRO will report a positive test result to the Board.

Refusal and Adulterated Specimen

A refusal to submit to a drug screen will be considered a positive test result, and the employee will be subject to disciplinary action. An employee or applicant who refuses to submit to an alcohol or controlled substance test does so by:

- A. failing to provide adequate breath for testing without a valid medical explanation after being notified of the requirement for breath testing;
- B. failing to provide adequate urine for controlled substance testing without a valid medical explanation after being notified of the requirement for urine testing; or
- C. engaging in conduct that clearly obstructs the testing process.
- D. refusing to submit to drug and/or alcohol testing.

An adulterated specimen is considered a refusal to participate in a drug screen (i.e., a positive test).

Disciplinary Sanctions

Disciplinary sanctions, if appropriate, will be implemented in accordance with Board policy, applicable Florida statutes, and State Board of Education rules.

A job applicant found to test positive for illegal drug(s) or abuse of legal drug(s) will not be considered for employment by the Board.

A Board employee found to test positive for illegal drug(s) or abuse of legal drug(s) will be immediately subject to disciplinary procedures.

Notice of Administrative or Civil Action

It is the responsibility of the employee to notify the laboratory of any administrative or civil action brought pursuant to Florida law or this policy.

Confidentiality

Laboratory results and test results will not appear in an employee's general personnel records. Information of this nature will be contained in a separate, confidential medical file that will be appropriately maintained by the Human Resources Department. The reports or test results may be disclosed to Board administrators on a strictly need-to-know basis and to the tested employee upon request. Disclosures without the employee's consent may also occur when the information:

- A. is compelled by law or by judicial or administrative process;
- B. has been placed at issue in a formal dispute between the Board and the employee;
- C. is to be used in administering an employee benefit plan; or
- D. is needed by medical personnel for the diagnosis or treatment of the employee in the event the employee is unable to authorize disclosure.

Resources Available

Information regarding the Employee Assistance Program can be found in the OneClay Portal under the Benefits tile.

Notice of Policy

A notice of drug testing will be included on vacancy announcements for positions with the Board.

This policy is adopted pursuant to F.S. 440.102. The Board will follow the procedures outlined in AP 1124, *Drug-Free Workplace Technical Guide*, in implementing this policy.

1129 - CONFLICT OF INTEREST

The proper performance of school business is dependent upon high standards of honesty, integrity, impartiality, and professional conduct by School Board employees. Further, such characteristics are essential to the Board's commitment to earn and keep the public's confidence. For these reasons, the Board adopts the following procedures to assure that conflicts of interest do not occur. These procedures are not intended to be all inclusive, nor to substitute for good judgment on the part of all District Board members, employees, officers, and agents.

- A. No employee, officer, agent, or Board member shall engage in or have a financial interest, directly or indirectly, in any activity that conflicts with the employee's job duties and responsibilities in the school system.
- B. No employee, officer, agent, or Board member shall engage in business, private practice of their profession, the rendering of services, or the sale of goods of any type where advantage is taken of any professional relationship they may have with any student, or parents of such students, or clients in the course of their employment with the District.

Included, by way of illustration rather than limitation, are the following:

1. the provision of any private lessons or services for a fee;
2. the use, sale, or improper divulging of any privileged information about a student or client gained in the course of the employee's employment or through access to District records;
3. the referral of any student or client for lessons or services to any private business or professional practitioner if there is any expectation of reciprocal referrals, sharing of fees, or other remuneration;
4. the requirement of students or clients to purchase any private goods or services provided by an employee or any business, or professional practitioner with whom any employee has a financial relationship, as a condition of receiving any grades, credits, promotions, approvals, or recommendations.

C. No employee, officer, agent, or Board member shall make use of materials, equipment, or facilities of the District in private practice. Examples would be the use of facilities before, during, or after regular business hours for service to private practice clients, or the checking out of items from an instructional materials center for private practice.

Exceptions to any provision in parts A through C of this policy shall be approved in advance by the Superintendent and shall be consistent with State law.

No employee, officer, agent, or Board member with a real or apparent conflict of interest may participate in the selection, award, or administration of a contract supported by the Federal award. A conflict of interest includes when the employee, officer, agent, or Board member, any member of their immediate family, their partner, or an organization that employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from an entity considered for a contract.

An employee, officer, agent, and Board member of the District may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors.

If the District has a parent, affiliate, or subsidiary organization that is not a State, local government, or Indian tribe, the District may not conduct a procurement action involving the parent, affiliate, or subsidiary organization if the District is unable, or appears to be unable, to be impartial in conducting a procurement action involving a related organization.

Employees, officers, agents, and Board members must promptly disclose any potential conflict of interest that may lead to a violation of this policy to the District. Upon discovery of any potential conflict of interest, the District will promptly disclose, in writing, the potential conflict of interest to the appropriate Federal agency or, if applicable, the pass-through entity.

The District will also promptly disclose whenever, in connection with the Federal award (including any activities or subawards thereunder), it has credible evidence of the commission of a violation of Federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 of the United States Code or a violation of the civil False Claims Act (31 U.S.C. 3729–3733). The disclosure must be made in writing to the Federal agency, the agency's Office of Inspector General, and pass-through entity. The District is also required to report matters related to recipient integrity and performance in accordance with Appendix XII of 2 C.F.R. Part 200.

Employees, officers, agents, and Board members found to be in violation of this conflict of interest policy will be subject to disciplinary action, up to and including termination, pursuant to Board Policy 1139.01, *Discipline of Administrative Staff*, and/or State law.

1130 - **APPOINTMENT, ASSIGNMENT, TRANSFER, AND PROMOTION OF ADMINISTRATORS**

The School Board believes that the appropriate placement of qualified and competent staff is essential to the success of the District.

Appointment and Assignment

The Superintendent shall submit written recommendations with regard to the appointment and assignment of administrators for Board action.

The Board shall act not later than three (3) weeks following the receipt of State mandated testing scores and data, including school grades, or June 30th, whichever is later, on the Superintendent's nominations of supervisors, principals, and members of the instructional staff.

In accordance with State law, the Board may reject the Superintendent's recommendations for initial appointment and assignment, or re-appointment and assignment, for good cause.

The Superintendent may temporarily reassign employees when it is determined that it is in the employee's and/or School District's best interest(s).

Promotion and Transfer

Pursuant to State law, the Superintendent's primary consideration in recommending an individual for promotion must be the individual's demonstrated effectiveness pursuant to F.S. 1012.34.

When need be, the Superintendent shall submit written recommendations with regard to the promotion or transfer of administrative staff for Board action.

In accordance with State law, the Board may reject the Superintendent's recommendation for the transfer or promotion of an administrative staff member for good cause.

Duties, Days, and Hours

The Superintendent shall communicate the duties, days, and hours of the various classifications of administrators.

- A. Administrative staff shall perform the duties required by Florida statutes and Board policy, as well as all other generally accepted administrative duties such as supervision of bus loading zones, chaperoning students, and other reasonable duties as may be assigned by the administrator's immediate supervisor. Failure to perform such duties in an acceptable manner shall constitute a violation of an administrator's contract and just cause for disciplinary action.
- B. Administrative staff are responsible for student control and supervision at any location during school-sponsored activities.
- C. Administrators shall not permit their family or friends by their presence to interfere with the performance of their duties during working hours.

Employment and Supervision of Relatives (Nepotism)

Neither the superintendent nor a Board member may appoint or employ a relative to work under their direct supervision.

These limitations do not apply to employees appointed or employed before the election or appointment of the superintendent or a Board member.

Two (2) or more relatives shall not work in the same school/department except by permission of the Superintendent. In the event that an administrator, due to some unusual circumstance, may have been placed in the same school/department with a relative, the administrator may continue in the position until reassigned to a position of comparable grade, pay, and reasonable personal convenience.

- A. Relatives may be employed in the same school/department when specifically recommended by the administrator and approved by the Superintendent on the grounds that it is to the advantage of the District.
- B. Under no circumstances shall a person supervise the work of a relative.

Likewise, administrators may not nominate for employment, or directly supervise, relatives at the same work location. The administrator of any District entity or office shall disclose to the Superintendent any relative for whom the administrator is responsible with respect to employment decisions, payroll authorization, or job performance evaluations. All employees shall disclose to the Superintendent, the names of all relatives working at the same work location. Individuals who are required to submit to an appropriate examination will also be required to execute a release that complies with the requirements of the Health Insurance Portability and Accountability Act in order to allow the report of the medical examination to be released to the Board/Superintendent and to allow the Superintendent or his/her designee to speak to the healthcare provider who conducted the medical examination in order to get clarification (see Form 1160 F2). The School Board expects all its employees to be honest and ethical in their conduct, and to comply with applicable State and Federal law, Board policies and administrative procedures. Pursuant to State law, the Board expects administrative staff members to report any violation or suspected violation of any Federal, State or local law, policy, or regulation committed by any employee, or agent of an agency or independent contractor which is doing business with the Board, which creates and presents a substantial or specific danger to the public's health, safety, or welfare to their immediate supervisors. Additionally, pursuant to State law, administrative staff members are expected to report any act or suspected act of gross mismanagement, malfeasance, misfeasance, gross waste of public funds, suspected or actual Medicaid fraud or abuse, or gross neglect of duty committed by an employee or agent of an agency or independent contractor which is doing business with the Board.

It is the responsibility of an employee who is aware of conduct on the part of any Board member or employee that possibly violates Federal or State law, or Board policy, to call this conduct to the attention of his/her immediate supervisor. If the employee's immediate supervisor is not responsive or is the employee whose behavior is in question, the employee should report the alleged misconduct to the Superintendent.

After such a report is made, the immediate supervisor will ask that the employee's report be put in writing.

Any employee making such a report shall be protected from discipline, retaliation, or reprisal for making such report as long as the employee made a reasonable and good faith effort to determine the accuracy of any information reported.

Employees are subject to disciplinary action, up to and including termination, for purposely, knowingly, or recklessly making a false report under this policy. Each administrator shall maintain a standard of care for the supervision, control, and protection of students commensurate with their assigned duties and responsibilities which include, but are not limited to, the following:

- A. An administrator shall report immediately any accidents or safety hazards about which they are informed or detects to their supervisor as well as to other authorities or District staff members as may be required by established policies and procedures.
- B. An administrator shall report unsafe, potentially harmful, dangerous, violent, or criminal activities, or the threat of these activities, to the Superintendent and local public safety agencies and/or school officials in accordance with Policy 8406 - *Reports of Suspicious and Potential Threats to Schools*.

An administrator shall notify the parent of a student if there is a change in the student's services or monitoring related to the student's mental, emotional, or physical health or well-being and in the school's ability to provide a safe and supportive learning environment for the student. Notice shall be made as soon as reasonably possible. The administrator shall make a good faith effort to speak with the parent either in person or by telephone, with follow-up written notice by e-mail or U.S. mail.

Exception - Withholding of Information

An administrator is permitted to withhold information about a student's mental, emotional, or physical health or well-being from the parent if a reasonably prudent person would believe that the disclosure would result in abuse, abandonment, or neglect, as those are defined in F.S. 39.01. When information is withheld from a parent on this basis, the specific circumstances should be documented in the student's record (F.S. 1001.42(8)(c)2.)

Regardless of whether an administrator withholds information set forth herein, pursuant to State law and Policy 8462 (*Student Abuse, Abandonment, and Neglect*), any administrator who knows or has reasonable cause to suspect that a child or student has been abused, abandoned, or neglected by a parent, legal custodian, caregiver, adult, or other person responsible for the child's welfare, is required to report such knowledge or suspicion to the Florida Department of Children and Families via the central abuse hotline at 1-800-96-ABUSE (1-800-962-2873) or via face, web-based chat, or web-based report.

- G. An administrator may not discourage or prohibit parental notification of and involvement in critical decisions affecting a student's mental, emotional, or physical health or well-being.
- H. An administrator shall not inappropriately associate with students at any time in a manner which may give the appearance of impropriety, including, but not limited to, the creation or participation in any situation or activity which could be considered abusive or sexually suggestive or involve illegal substances such as drugs, alcohol, or tobacco. Any sexual or other inappropriate conduct with a student by any staff member will subject the offender to potential criminal liability and discipline up to and including termination of employment.
- I. An administrator shall not knowingly distribute to a minor any material that is obscene and harmful to minors, as defined in F.S. 847.012, in any format and/or by any manner. An administrator who knowingly distributes any such material to a minor also commits a felony under State law and is subject to disciplinary action up to and including termination.
- J. An administrator shall not disclose personally identifiable information about a student to third persons unless specifically authorized by law or the student's parent(s) to do so.
- K. An administrator who is transporting a student should not do so unless accompanied by another adult.
- L. A student shall not be required to perform work or services that may be detrimental to their health.
- M. Administrators shall not inappropriately engage students in social media and online networking media, such as Facebook, "X", Instagram, etc.
- N. Administrators are expressly prohibited from posting any video or comment pertaining to any student on social network sites or similar forums, such as YouTube.

Since most information concerning a child in school, other than directory information described in Policy 8330, is confidential under Federal and State laws, any staff member who shares confidential information with another person not authorized to receive the information may be subject to discipline and/or civil liability. This includes, but is not limited to, information concerning assessments, grades, behavior, family background, and alleged child abuse.

Pursuant to the laws of the State and School Board Policy 8462, each administrator shall report to the proper legal authorities immediately any sign of suspected child abuse, abandonment, or neglect.

"Communications medium" means broadcasting stations, newspapers, magazines, outdoor advertising facilities, printers, direct mail, advertising agencies, the Internet, and telephone companies; but with respect to telephones, an expenditure is deemed to be an expenditure for the use of communications media only if made for the costs of telephones, paid telephonists, or automatic telephone equipment to be used by a candidate or a political committee to communicate with potential voters but excluding the costs of telephones incurred by a volunteer for use of telephones by such volunteer; however, with respect to the Internet, an expenditure is deemed an expenditure for use of communications media only if made for the cost of creating or disseminating a message on a computer information system accessible by more than one person but excluding internal communications of a campaign or of any group.

Therefore, administrative staff members who engage in political activities or hold public office shall not use time, facilities, or personnel of the school system to engage in such activities. Specifically, the use of copy reproduction equipment or other machinery or supplies, the use of secretarial help, or any other school facilities or personnel is strictly prohibited. Telephone use for such political activities during duty hours shall be confined to an emergency only, and then only in such manner as

shall not conflict with the administrative staff member's school-related duties. Additionally, administrative staff members who engage in political activities or hold public office are expected to discourage constituents or other persons with whom they are associated with in their political capacities, from making telephone calls to them during duty hours.

Administrative staff who declare themselves candidates for an elective office shall notify the Superintendent immediately upon qualifying for election. They shall submit to the Superintendent a written explanation of how they will conduct their campaign so that it will be in accord with the requirements of State law and this policy.

All candidates for public office may be granted personal leave without pay. The administrative staff member's request for leave shall be submitted according to the established procedure.

Such candidates shall adhere strictly to Florida statutes governing political activity on the part of public official and public employees.

An administrative staff member who is a successful candidate for an office requiring a part-time responsibility shall report immediately to the Superintendent after the election and thereafter, when deemed necessary by the Superintendent or Board, to evaluate the compatibility of the dual responsibility and the need for personal leave without pay.

1242 - PROFESSIONAL LEARNING

Professional Learning System

Pursuant to State law, the School District will work collaboratively with the Florida Department of Education (FLDOE), public postsecondary institutions, State education foundations, teachers, consortia, professional organizations, and business/community representatives in Florida to maintain a coordinated system of professional learning.

Pursuant to Florida law, the term "professional learning" means learning that is aligned to Florida's standards for effective professional learning, educator practices, and leadership practices; incorporates active learning; is collaborative; provides models; and is sustained and continuous.

The purpose of the system is to increase student achievement, enhance classroom instructional strategies that promote rigor and relevance throughout the curriculum and prepare students for continuing education in the workforce.

The District's comprehensive professional learning system will incorporate school improvement plans, align with the professional learning standards adopted by the State and align with the principal leadership training. Furthermore, the results of the performance evaluations of administrators conducted pursuant to State law and School Board Policy 1220 will be used when identifying areas for which professional learning is needed. As part of its effort to develop and refine its professional learning system, the District will review and monitor school discipline data; school environment surveys; assessments of parental satisfaction; performance appraisal data of teachers, managers, and administrative personnel; and other performance indicators to identify school and student needs that can be met by improved professional learning performance.

The District's professional learning system shall include the following:

- A. an overview of the system;

- B. a list of the collaborative partnerships established and a description of how a diverse group of stakeholders was consulted during development of the system;
- C. a description of the organizational structure of professional learning in the District;
- D. a list of the District- and school-based positions with the primary responsibility for planning, providing, implementing, and supporting, or evaluating professional learning, and a brief description of their roles related to professional learning;
- E. a description of the District's systems of professional learning programs and supports that enable instructional personnel and school administrators to continually develop throughout their career, and provide opportunities for meaningful teacher leadership and the identification and preparation of aspiring school leaders;
- F. a description of how the District implements each of the professional learning standards outlined in State Board Rule;
- G. a list of the technology platforms and programs the District uses to manage, provide, or support professional learning, and a brief description of how they are utilized;
- H. a list of the funding sources and amounts allocated for the District's professional learning resources, and the percentage of the District's total operating expenses that is allocated for professional learning for each of the last three (3) school years; and,
- I. confirmation that the system meets the requirements of F.S. 1012.98.

The Board will provide funding for professional learning as required by State law and the General Appropriations Act and will authorize expenditures from other sources to continuously strengthen the District's system of professional learning. The plan will also provide for training for each teacher who will use materials that were purchased with funds allocated by the State for instructional materials, provide for in-service credit for the training, and document satisfactory completion of the training by each teacher.

The in-service activities for administrators shall focus on an analysis of student achievement data, the use of the Board-adopted evaluation program for instructional staff, ongoing formal and informal assessments of student achievement, identification and use of enhanced and differentiated instructional strategies that emphasize rigor, relevance, and reading in the content areas, enhancement of subject content expertise, integrated use of classroom technology that enhances teaching and learning, classroom management, parent involvement, and school safety.

The District shall also provide in-service activities and support targeted to the individual needs of new administrators participating in the professional learning certification and education competency program.

The Superintendent may establish and maintain an individual professional learning plan for each administrator assigned to a school as a seamless component to the school improvement plans developed pursuant to State law. The individual professional learning plan established by the Superintendent may:

- A. define the in-service objectives and specific measurable improvements expected in student performance as a result of the in-service activity;
- B. include an evaluation component that determines the effectiveness of the professional learning plan;
- C. include in-service activities for school administrative personnel that address updated skills necessary for instructional leadership and effective school management;
- D. provide for systematic consultation with regional and State personnel designated to provide technical assistance and evaluation of local professional learning programs;
- E. provide for delivery of professional learning by distance learning and other technology-based delivery systems to reach more educators at lower costs;
- F. provide for the continuous evaluation of the quality and effectiveness of professional learning programs in order to eliminate ineffective programs and strategies and to expand effective ones. Evaluations must consider the impact of such activities on the performance of participating educators and their students' achievement and behavior.

Professional learning activities linked to student learning and professional growth for administrative staff will meet the following criteria:

- A. Utilize materials aligned to the State’s educational leadership standards.
- B. Have clear, defined, and measurable outcomes for both individual in-service activities and multiple day sessions.
- C. Employ multiple measurement tools for data on teacher growth, participants’ use of new knowledge and skills, student learning outcomes, instructional growth outcomes, and leadership growth outcomes, as applicable.
- D. Utilize active learning and engage participants directly in designing and trying out strategies, providing participants with the opportunity to engage in authentic teaching and leadership experiences.
- E. Utilize artifacts, interactive activities, and other strategies to provide deeply embedded and highly contextualized professional learning.
- F. Create opportunities for collaboration.
- G. Utilize coaching and expert support to involve the sharing of expertise about content and evidence-based practices, focused directly on the needs of the role.
- H. Provide opportunities to think about, receive input on, and make changes to practice by facilitating reflection and providing feedback.
- I. Provide sustained duration with follow-up to have adequate time to learn, practice, implement, and reflect upon new strategies that facilitate changes in practice.

By July 1st of each year and prior to the release of funds for instructional materials, pursuant to statutory requirements, the Superintendent will certify to the Commissioner of Education that the Board has approved a comprehensive professional learning system that requires fidelity of implementation of instructional materials that are in the first two (2) years of the adoption cycle. The report will also include verification that the training was provided.

The District shall submit its professional learning system to the FLDOE for review and approval in accordance with timelines adopted by the FLDOE and as set forth in F.A.C. 6A-5.069.

Professional Learning Catalog

A. Components

As part of its coordinated system of professional learning, the District will establish a Professional Learning Catalog (catalog) that outlines all professional learning opportunities, referred to as components, for all District employees from all funding sources. For each component, the catalog will include the following:

1. a title;
2. an identifying number assigned in accordance with the Florida Department of Education (FLDOE) Information Database Requirements: Volume II – Automated Staff Information System pursuant to F.S. 1008.385 and F.A.C. 6A-1.0014;
3. the maximum number of in-service points to be awarded for successful completion of the component, assigned in accordance with the specifications outlined in F.A.C. 6A-5.071;

5. the component evaluation criteria for determining the effectiveness of professional learning in:
 - a. addressing the specific objectives;
 - b. increasing educator knowledge and skills;

 - d. improving student outcomes.

For each component for which in-service points will be awarded, the catalog will also include a description of any follow-up activities that will be required and support that will be provided to allow for successful completion of the component.

B. Review, Amendment, and Submission

Annually, the District shall conduct a review of the previous year's catalog program operations that results in a determination of its effectiveness in the educational setting as measured by changes in educator practice and student outcomes, and use this information to make decisions about which components to continue, modify, or eliminate.

Based on the results of the review, and by September 1st, annually, the catalog will be updated and approved by the Board.

By October 1st of each year, the District will submit a letter to the Commissioner of Education verifying that the Board has approved the District's catalog and that it meets the criteria set forth in F.A.C. 6A-5.071. Any components of the District's catalog developed or modified after the annual approval of the catalog will be approved as an amendment by the Board.

C. Record Maintenance and Data Reporting

The following information will be maintained for each component:

1. dates the component was delivered;
2. names of component leaders;
3. names of participants and performance records;
4. evaluation of the component; and,
5. criteria for successful completion.

The following information will be maintained for each component participant:

1. title and number of the component;
2. dates of participation;
3. satisfactory or unsatisfactory completion; and,
4. number of in-service points to be awarded, eligibility of the points to be used for certification, and expiration date of the educator's certificate(s), if applicable. All requirements for renewal of a Professional Certificate on the basis of completion of in-service points pursuant to F.S. 1012.585 and F.A.C. 6A-4.0051 shall be met.

The District shall submit its professional learning catalog to the FLDOE for review and approval as set forth in F.A.C. 6A-5.071.

The District will report data information for all approved professional learning components through the FLDOE's automated data reporting procedures.

Instructional staff members, as citizens in a democratic society, have the right to speak out on issues of public concern. When those issues are related to the District, however, the instructional staff member's expression should be balanced against the interests of this District. Further, Federal and State law prohibit the School Board from adopting any policy or rule, or from entering into any agreement, that infringes upon or waives the rights or freedoms afforded to instructional staff members by the United States Constitution.

1362 - ANTI-HARASSMENT

I. General Policy Statement

It is the policy of the School Board to maintain an educational and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to

unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board. Further, the Board prohibits the bullying of any employee as set forth in F.S. 1006.147.

The Superintendent will vigorously enforce its prohibition against discriminatory harassment on the basis of race (including anti-Semitism [as defined in Bylaw 0100]), ethnicity, color, national origin, sex (including sexual orientation, gender status, or gender identity), disability (including HIV, AIDS, or sickle cell trait), pregnancy, marital status, age (except as authorized by law), religion, military status, ancestry, or genetic information which are classes protected by State and/or Federal law (collectively, "protected classes"; hereinafter referred to as unlawful harassment), and encourages those within the School District community as well as Third Parties, who feel aggrieved to seek assistance to rectify such problems. The Superintendent will investigate all allegations of unlawful harassment and in those cases where unlawful harassment is substantiated, the Superintendent will take immediate steps to end the harassment, prevent its reoccurrence, and remedy its effects. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

Further, nothing in this policy shall be construed to abridge the rights of school employees that are protected by the First Amendment to the Constitution of the United States.

II. Other Violations of the Anti-Harassment Policy

The Superintendent will also take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation.
- B. Filing a malicious or knowingly false report or complaint of unlawful harassment.
- C. Disregarding, failing to investigate adequately, or delaying the investigation of allegations of unlawful harassment, when responsibility for reporting and/or investigating unlawful harassment charges comprises part of one's supervisory duties.

III. Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges, or is alleged, to have been subjected to unlawful harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment.

Respondent is the individual who has been alleged to have engaged in unlawful harassment, regardless of whether the reporting party files a formal complaint or is seeking an informal resolution to the alleged harassment.

School District community means students and Board employees (i.e., administrators, and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

A. Bullying

Bullying rises to the level of unlawful harassment when one or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more employees and that bullying is based upon sex, race (including anti-Semitism), color, national origin, religion, or disability, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that creates an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school performance or participation. This unlawful harassment

may include, but not be limited to, the following:

1. teasing;
2. social exclusion;
3. threats;
4. intimidation;
5. stalking;
6. cyberstalking;
7. cyberbullying;
8. physical violence;
9. theft;
10. sexual, religious, or racial harassment;
11. public or private humiliation; or
12. destruction of property.

B. "Harassment" means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal, or physical conduct directed against a school employee that:

1. places a school employee in reasonable fear of harm to his/her person or damage to his/her property;
2. has the effect of substantially interfering with an employee's educational performance, opportunities, or benefits; or
3. has the effect of substantially disrupting the orderly operation of a school.

C. "Bullying" and "harassment" also include:

1. Retaliation against a school employee by a student or school employee for asserting or alleging an act of bullying or harassment. Reporting an act of bullying or harassment that is not made in good faith is considered retaliation.
2. Perpetuation of conduct listed under the definitions of "bullying," "cyberbullying," or "harassment" by an individual or group with intent to demean, dehumanize, embarrass, or cause physical harm to a school employee by:
 - a. incitement or coercion;
 - b. accessing or knowingly causing or providing access to data or computer software through a computer, computer system, or computer network within the scope of the District school system; or,
 - c. acting in a manner that has an effect substantially similar to the effect of bullying or harassment.

D. Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, "sexual harassment" is defined as:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when:

1. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment, or status in a class, educational program, or activity.
2. Submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual.
3. Such conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working, and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy 2266 – *Nondiscrimination on the Basis of Sex in Education Programs or Activities* is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

1. Unwelcome sexual propositions, invitations, solicitations, and flirtations.
2. Unwanted physical and/or sexual contact.
3. Threats or insinuations that a person's employment, wages, academic grade, promotion, classroom work or assignments, academic status, participation in athletics or extra-curricular programs, activities, or events, or other conditions of employment or education may be adversely affected by not submitting to sexual advances.
4. Unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes, or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls.
5. Sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings, or literature placed in the work or educational environment, that may reasonably embarrass or offend individuals.
6. Unwelcome and inappropriate touching, patting, or pinching; obscene gestures.
7. Asking about, or telling about, sexual fantasies, sexual preferences, or sexual activities.
8. Speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history.
9. Giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship.
10. Leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin.
11. A pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another.
12. Consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
13. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.
14. Inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based and gender-based conduct must be sufficiently severe, pervasive, or persistent such that it adversely affects, limits, or denies an individual's employment, or such that it creates a hostile or abusive employment or educational

environment.

E. Sexual Cyberharassment

Pursuant to Florida law, "sexual cyberharassment" means to publish to an Internet website or disseminate through electronic means to another person a sexually explicit image of a person that contains or conveys the personal identification information of the depicted person without the depicted person's consent, contrary to the depicted person's reasonable expectation that the image would remain private, for no legitimate purpose, with the intent of causing substantial emotional distress to the depicted person. Evidence that the depicted person sent a sexually explicit image to another person does not, on its own, remove his/her reasonable expectation of privacy for that image. Sexual cyberharassment may be a form of sexual harassment.

F. Race/Color Harassment (Including Anti-Semitism)

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working, and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

Prohibited anti-Semitism harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's Jewish heritage and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working, and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is based upon a certain perception of the Jewish people, which may be expressed as hatred toward Jewish people, rhetorical and physical manifestations of anti-Semitism directed toward a person, his/her property, or toward Jewish community institutions or religious facilities.

G. Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

H. National Origin Harassment

Prohibited national origin harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

I. Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's disability, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

J. Pregnancy Harassment

Prohibited pregnancy harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's pregnancy and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's pregnancy and condition of pregnancy.

IV. Reports and Complaints of Harassing Conduct

Members of the School District community and Third Parties, which includes all staff, are encouraged to promptly report incidents of unlawful harassing conduct to an administrator, supervisor, or other School District official so that the Superintendent may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with the District's Anti-Harassment Compliance Officer within two (2) days of receiving the report of harassment. Anonymous reports of an alleged act of bullying or harassment may be reported to an administrator, supervisor, or other School District official; however, formal disciplinary action may not be based solely on an anonymous report.

Members of the School District community and Third Parties who believe they have been unlawfully harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs unless the Complainant makes the complaint maliciously or with knowledge that it is false. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of reported act of bullying and/or harassment in accordance with Policy 5517.01 – *Bullying and Harassment*, the principal or his/her designee believes that the reported misconduct may have created a hostile work environment and may have constituted unlawful discriminatory harassment based on sex, race (including anti-Semitism), color, national origin, religion, or disability, the principal or his/her designee will report the act of bullying and/or harassment to one of the Compliance Officers who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will be handled in accordance with the grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or while the matter is being addressed pursuant to Policy 2266, the Principal shall suspend Policy 5517.01 investigation to await the Compliance Officer's written report or the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 1362 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

A. Compliance Officers

The Board designates the following individuals to serve as the District's "Compliance Officers" (also known as "Civil Rights Coordinators"; hereinafter referred to as the "COs").

The COs shall also serve as the District's Section 504 Compliance Officer/ADA Coordinator and Title IX Coordinator

Assistant Superintendent of Human Resources
904-336-6500

Green Cove Springs, FL 32043

B. Publication Required

The names, titles, and contact information of these individuals will be published annually on the School District's website.

The names, titles, and/or contact information of the persons presently serving as Compliance Officers may change from time to time, and such changes shall be deemed technical corrections within the meaning of Bylaw 0131.1 and shall be made pursuant to that bylaw.

C. Duties and Responsibilities

A Compliance Officer will be available during regular school/work hours to discuss concerns related to

unlawful harassment, to assist students, other members of the School District community, and Third Parties who seek support or advice when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

Any Board employee who directly observes unlawful harassment of a student is obligated, in accordance with this policy, to report such observations to one of the Anti-Harassment Compliance Officers within two (2) days. Thereafter, the Compliance Officer or designee must contact the Complainant, if over age eighteen (18) or the Complainant's parents/guardians if the Complainant is under the age eighteen (18), within two (2) days to advise of the Superintendent's intent to investigate the alleged misconduct, including the obligation of the compliance officer or designee to conduct an investigation following all the procedures outlined for a formal complaint.

Compliance Officers are assigned to accept complaints of unlawful harassment directly from any member of the School District community or a visitor to the District or to receive complaints which are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, the Compliance Officer will begin either an informal or formal process (depending on the request of the member of the School District community alleging harassment), or the Compliance Officer will designate a specific individual to conduct such a process. In the case of a formal complaint, the Compliance Officer will prepare, after consultation with the Superintendent, recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of unlawful harassment which are reported to them to a Compliance Officer within five (5) days of learning of the incident.

V. Investigation and Complaint Procedure

Except for Sexual Harassment that is covered by Policy 2266 - *Nondiscrimination on the Basis of Sex in Education Program or Activities*, any employee or other member of the School District community or Third Party who believes that they have been subjected to unlawful harassment may seek resolution of the complaint through the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment or retaliation, time lines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education, Office for Civil Rights (OCR), the Florida Commission on Human Relations (FCHR), and/or the Equal Employment Opportunity Commission (EEOC).

A. Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop inappropriate behavior and to facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student, other member of the School District community, or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint.

Employees, other members of the School District community, or Third Parties who believe that they have been unlawfully harassed or retaliated against may initiate their complaint through this informal complaint process, but are not required to do so. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should

tell or otherwise inform the Respondent that the alleged harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officer is available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the allegedly inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A Complainant may make an informal complaint, either orally or in writing: (1) to a teacher, other employee, or building administrator; (2) to the Superintendent or other District-level employee; and/or (3) directly to one of the Compliance Officers.

All informal complaints must be reported to the Compliance Officers who will either facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The School District's informal complaint procedure is designed to provide employees, other members of the School District community, or Third Parties who believe they are being unlawfully harassed by another individual with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve, but not be limited to, one or more of the following:

1. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the Respondent.
2. Distributing a copy of this policy as a reminder to the individuals in the school building or office where the Respondent works or attends.
3. If both parties agree, the Compliance Officers may arrange and facilitate a meeting or mediation between the Complainant and Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officers or designee is directed to attempt to resolve all informal complaints within fifteen (15) days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

All materials generated as part of the informal complaint process will be retained by the Compliance Officers or designee in accordance with the Board's records retention policy. (See Policy 8310 and Policy 8320)

B. Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process as described below shall be implemented.

This formal complaint process is not intended to interfere with the rights of an employee, other member of the School District community, or third party to pursue a complaint of unlawful harassment with the United States Department of Education, Office for Civil Rights, the Florida Civil Rights Commission, or the Equal Employment Opportunity Commission.

The Complainant may file a formal complaint, either orally or in writing with a teacher, principal, or other District official, the Compliance Officer, Superintendent, or other District official. Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, time lines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, principal, or other District official, the Compliance Officer, Superintendent, or other District official, either orally or in writing, about any complaint of harassment, that employee must report such information to the Compliance Officer within two (2) days.

Throughout the course of the process as described herein, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter the Compliance Officer will prepare a written summary of the oral interview, and the complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including but not limited to a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the Compliance Officer should consult the Complainant to assess his/her agreement to any action deemed appropriate. If the Complainant is unwilling to consent to any change that is deemed appropriate by the Compliance Officer, the Compliance Officer may still take whatever actions deemed appropriate in consultation with the Superintendent and/or Board Attorney.

Within two (2) days of receiving a formal complaint, the Compliance Officer or a designee will initiate a formal investigation to determine whether the complainant has been subjected to offensive conduct/harassment/retaliation. The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the Respondent that a formal complaint has been received. The respondent will be informed about the nature of the allegations and a copy of any relevant policies and/or administrative procedures and the Board's anti-harassment policy shall be provided to the respondent at that time. The respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the Compliance Officer or a designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) days of receiving the formal complaint. The investigation will include:

1. interviews with the Complainant;
2. interviews with the Respondent;
3. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
4. consideration of any documentation or other evidence presented by the complainant, respondent, or any other witness which is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer/designee may consult with the Board Attorney. A written report shall then be prepared and delivered to the Superintendent which summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment/retaliation of the Complainant. The Compliance Officer's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. The Compliance Officer may consult with the Board Attorney before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) days of receiving the report of the Compliance Officer or the designee, the Superintendent must either issue a written decision regarding whether or not the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the complainant and the respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

The decision of the Superintendent shall be final.

The Superintendent reserves the right to investigate and resolve a complaint or report of unlawful harassment regardless of whether the member of the School District community or Third Party alleging the unlawful harassment pursues the complaint. The Superintendent also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Superintendent.

The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

VI. Privacy/Confidentiality

The School District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative procedures shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity.

During the course of a formal investigation, the Compliance Officer or designee will instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.

All public records created as a part of an investigation of a complaint of harassment will be maintained by the Compliance Officer in accordance with the Board's records retention policy. Any records which are considered student records in accordance with the Family Educational Rights and Privacy Act will be maintained in a manner consistent with the provisions of the Federal and State laws.

VII. Sanctions and Monitoring

The Superintendent shall vigorously enforce the Board's prohibitions against unlawful harassment and bullying by taking appropriate action reasonably calculated to stop the harassment/retaliation/bullying and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. Disciplinary action up to and including the discharge of an employee may occur if an employee is found to have wrongfully and intentionally accused another of an act of bullying or harassment. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Superintendent may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Superintendent becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

VIII. Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

IX. Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct

State law requires any teacher or school employee who knows or suspects that a child under the age of eighteen (18) is a victim of child abuse or neglect to immediately report that knowledge or suspicion to the Department of Children and Family Services. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the complainant, a report of such knowledge must be made in accordance with State law and Board policy.

If the Compliance Officer or a designee has reason to believe that the complainant has been the victim of criminal conduct as defined under Florida law, such knowledge should be reported to local law enforcement.

Any reports made to the local child protection service or to local law enforcement shall not terminate the Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officers or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.

X. Mandatory Reporting of Misconduct by Certificated Employees

The Superintendent is required by State law and Board Policy 8141 to report alleged misconduct by certificated employees of the District that affects the health, safety, or welfare of a student. In accordance with Board policy and State law, the Superintendent shall investigate each allegation of such conduct and, if confirmed, shall report such misconduct pursuant to Policy 8141.

XI. Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent or designee shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding this policy and harassment in general, will be age and content appropriate.

XII. Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation, including, but not limited to:

- A. all written reports/allegations/complaints/statements;
- B. narratives of all verbal reports/allegations/complaints/statements;
- C. a narrative of all actions taken by District personnel;
- D. any written documentation of actions taken by District personnel or individuals contracted or appointed by the Board to fulfill its responsibilities;
- E. written witness statements;
- F. narratives of, notes from, or audio, video, or digital recordings of witness statements;
- G. all documentary evidence;
- H. e-mails, texts, or social media posts pertaining to the investigation;
- I. contemporaneous notes in whatever form made (e.g., handwritten, keyed into a computer or tablet, etc.) pertaining to the investigation;

- J. written disciplinary sanctions issued to students or employees and a narrative of verbal disciplinary sanctions issued to students or employees for violations of the policies and procedures prohibiting discrimination or harassment;
- K. dated written determinations to the parties;
- L. dated written descriptions of verbal notifications to the parties;
- M. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects;
- N. documentation of any supportive measures offered and/or provided to the Complainant and/or the Respondent, including no contact orders issued to both parties, the dates the no contact orders were issued, and the dates the parties acknowledged receipt of the no contact orders;
- O. copies of the Board policy and/or procedures/guidelines used by the District to conduct the investigation, and any documents used by the District at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student Code of Conduct and/or Employee Handbooks);
- P. copies of any documentation that memorializes any formal or informal resolutions to the alleged discrimination or harassment; and
- Q. documentation of any training provided to District personnel related to this policy, including but not limited to, notification of the prohibitions and expectations of staff set forth in this policy and the role and responsibility of all District personnel involved in enforcing this policy, including their duty to report alleged violations of this policy and/or conducting an investigation of an alleged violation of this policy.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The information, documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.

In determining such service, sick leave and paid holidays shall be counted, but all other types of leave and holidays will be excluded.
- B. Credit for service in another state or as otherwise allowed under the adopted salary schedule shall be determined by using the minimum service required in this District for a comparable position.
- C. An employee who claims credit for previous experience must submit the Experience Verification Form to previous employers. In order to receive credit for years of service, Clay County District Schools Human Resources Department must receive the Experience Verification Form within ninety (90) days of employment.

The group health plans, working together with the insurer, will ensure the confidentiality, integrity, and availability of the group health plans' electronically protected health information in accordance with the HIPAA Security Rule.

The Board hereby appoints the Superintendent to serve as the security official of the group health plans.

All of the group health plans' functions are carried out by the insurer and the insurer owns and/or controls all of the equipment and media used to create, maintain, receive, and transmit electronic protected health information relating to the group health plans. Accordingly, the insurer is in the best position to implement the technical, physical, and administrative safeguards required by the HIPAA Security Rule.

The security official does not have the ability to assess or adjust the insurer's policies related to the HIPAA Security Rule. Accordingly, unless otherwise determined by the security official, the group health plans shall utilize as administrative procedures the insurer's own policies addressing security measures for the group health plans' electronic protected health information.

The Department of Health and Human Services (HHS) has the authority to impose civil monetary penalties upon covered entities. HHS has not historically imposed these penalties directly upon individuals. Notwithstanding the foregoing, the Board agrees to indemnify and hold harmless the privacy official and security official in connection with the performance of their delegated duties for the group health plans, except to the extent that any liability is imposed as the result of intentional misconduct or gross negligence by the privacy official or security official as defined by law.

The fully insured group health plans established by the Board shall:

- A. refrain from taking any retaliatory action against any individual for exercising any right under the plan, filing a complaint with Health and Human Services, participating in any proceeding under Part C of Title XI of the Social Security Act, or opposing any act or practice made unlawful by the Privacy Rule provided that the individual has a good faith belief that the practice opposed is unlawful;
- B. not impose a requirement that participants waive their rights under the Privacy Rule as a condition of the provision of payment, enrollment in a health plan, or eligibility of benefits;
- C. if the plan document is amended in accordance with the Privacy Rule, the plan must retain a copy of the plan as amended for six (6) years from the date of its amendment or the date when it last was in effect, whichever is later;
- D. provide notification to affected individuals, the Secretary of the U.S. Department of Health and Human Services, and the media (when required), if the plan or one of its business associates discovers a breach of unsecured protected health information, in accordance with the requirements of HIPAA and its implementing regulations.

Fully insured group health plans established by the Board shall not create or receive protected health information, except for:

- A. summary health information;

Summary health information is de-identified information that summarizes claims history, claims expenses, or type of claims experienced by health plan participants.

- B. information on whether an individual is participating in a group health plan, or is enrolled in or has disenrolled from a health insurance issuer or HMO offered by the plan;
- C. information disclosed to the plan under a signed authorization that meets the requirements of the Privacy Rule.

The School Board acknowledges that the patient protection and Affordable Care Act ("ACA") imposes certain obligations upon the Board. Such obligations may include the following:

- A. The Board shall notify new employees of health insurance options available through the Health Insurance Marketplace within fourteen (14) days of an employee's employment start date. Sample form notices are available from the U.S. Department of Labor at:

<http://www.dol.gov/ebsa/healthreform/regulations/coverageoptionsnotice.html>

- B. Employees of the Board have the option to enroll in the Health Insurance Marketplace. If a full-time employee (as defined by the ACA) of the Board enrolls in the Health Insurance Marketplace and receives a subsidy, then the Board may be liable for a penalty.

In event that the Board concludes that it is fiscally-wise to incur the potential penalty in lieu of providing affordable, minimum value coverage to all full-time employees, the Board shall incur the potential penalty.

A leave of absence is permission granted or allowed by the School Board under its adopted policies for an employee to be absent from duty for a specified period of time with the right to return to employment upon the expiration of the leave.

Administrators shall not be absent from their assigned duties except as authorized by the Superintendent. An administrator who is willfully absent from duty without leave shall forfeit compensation for the time of such absence. Contracts or appointments shall be subject to cancellation by the Board and the administrator shall be subject to immediate dismissal.

All leave shall expire no later than June 30th of each school year except as otherwise permitted by law or Board policy. If leave is requested to extend beyond June 30th, the administrator shall re-apply for leave to begin July 1st of the following school year.

Leave shall be used for the purposes set forth in the leave application. An administrator who uses leave for purposes other than that set forth in the leave application may be subject to discipline, up to and including termination.

Leave may be with or without pay as provided by law, regulations of the State Board, and this policy. For any absence that is without pay, the deduction in compensation for each day of absence shall be determined by dividing the annual salary by the number of days/hours for the employment period.

A. Paid leaves of absence may include: vacation, sick leave, personal charged to sick, jury/witness duty, illness- or injury-in-line-of-duty, professional and military.

B. Unpaid leaves of absence may include: professional, personal leave not paid, family and medical leave, and maternity/paternity leave,

Approval of Leaves

All requests for leave shall be submitted on the proper form to the administrator's supervisor. Except in cases of emergency, a request for leave should be filed at least ten (10) days before the date on which the proposed leave is to become effective.

Long-term leave without pay may be granted for a period up to one (1) school year.

The approval or denial of requests for leave shall be based on the requirements of efficient operation of the District school system, as well as on consideration of what is fair to the employee.

Except in the case of sick leave or emergency, leave requests shall be approved or denied before the effective date of the leave.

1430.01 - FMLA LEAVE

Qualifying Reasons for FMLA and Military Family Leave

In accordance with the Family and Medical Leave Act of 1993, as amended, ("FMLA"), eligible staff members may take up to twelve (12) work weeks of job-protected, unpaid leave, or substitute appropriate paid leave if the staff member has earned or accrued it, for the following reasons:

- A. the birth and/or care of a newborn child of the staff member, within one (1) year of the child's birth;
- B. the placement with the staff member of a child for adoption or foster care, within one (1) year of the child's arrival;
- C. the staff member is needed to provide physical and/or psychological care for a spouse, child, or parent with a serious health condition;
- D. the staff member's own serious health condition makes him/her unable to perform the functions of his/her position;
or
- E. any qualifying exigency (as defined in applicable Federal regulations) arising out of the fact that the staff member's spouse, son, daughter, or parent is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces ("Qualifying Exigency Leave"). Covered active duty means duty during deployment with the Armed Forces to a foreign country.

In addition, an eligible staff member who is a spouse, son, daughter, parent, or next of kin of a covered service member may take up to a total of twenty-six (26) work weeks of job-protected, unpaid leave, or substitute appropriate paid leave if the staff member has earned or accrued it, during a "single twelve (12) month period" to provide physical and/or psychological care for the covered service member ("Military Caregiver Leave"). A covered service member is defined as (1) a member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or (2) a veteran who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness and who was a member of the Armed Forces (including a member of the National Guard or Reserves) at

any time during the period of five (5) years preceding the date on which the veteran undergoes that medical treatment, recuperation, or therapy. Serious injury or illness for purposes of Military Caregiver Leave is defined as an injury or illness incurred by a covered service member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the covered service member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and that may render the service member medically unfit to perform the duties of his/her office, grade, rank, or rating. In the case of a veteran, the injury or illness could have manifested itself before or after the member became a veteran. The "single twelve (12) month period" for leave to care for a covered service member with a serious injury or illness begins the first day the staff member takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established below for general FMLA leave. During the "single twelve (12) month period", an eligible staff member is limited to a combined total of twenty-six (26) work weeks of unpaid leave for any FMLA-qualifying reason. (Only twelve (12) of the twenty-six (26) work weeks total may be for a FMLA-qualifying reason other than to care for a covered service member.)

Eligible Employees

Staff members are "eligible" if they have worked for the School Board for at least twelve (12) months, **and** for at least 1,250 hours over the twelve (12) months prior to the leave request. Months and hours that members of the National Guard or Reserve would have worked if they had not been called up for military service counts towards the staff member's eligibility for FMLA leave. While the twelve (12) months of employment need not be consecutive, employment periods prior to a break in service of seven (7) years or more will not be counted unless the break is occasioned by the staff member's fulfillment of his/her National Guard or Reserve military obligation, or a written agreement exists concerning the Board's intention to rehire the staff member after the break in service.

Twelve (12) Month Period

Twelve (12) month period is defined as a rolling twelve (12) month period measured backward from the date the staff member uses FMLA leave (i.e. the "leave year" is specific to each individual staff member).

Serious Health Condition

Serious health condition is defined as an illness, injury, impairment, or physical or mental condition that involves inpatient care or continuing treatment by a health care provider. As utilized in this policy, the term "incapacity" means an inability to work, attend school, or perform other regular daily activities due to the serious health condition, treatment therefore, or recovery therefrom. The term "treatment" includes (but is not limited to) examinations to determine if a serious health condition exists and evaluations of the condition. (Treatment does not include routine physical examinations, eye examinations, or dental examinations.)

- A. Inpatient care means an overnight stay in a hospital, hospice, or residential medical-care facility, including any period of incapacity or subsequent treatment in connection with such inpatient care.
- B. Continuing treatment by a healthcare provider, includes any one or more of the following: 1.) "incapacity and treatment"; 2.) any incapacity experienced by an expectant mother related to pregnancy, or for prenatal care; 3.) any incapacity or treatment for such incapacity due to a chronic serious health condition; 4.) a period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective (e.g., Alzheimer's, a severe stroke, terminal stages of a disease); or 5.) any period of absence to receive multiple treatments (including any period of recovery therefrom) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider for a.) restorative surgery after an accident, or b.) other injury or a condition that would likely result in a period of incapacity of more than three (3) consecutive, full calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), or kidney disease (dialysis).
 1. "Incapacity and treatment" involves a period of incapacity of more than three (3) consecutive, full calendar days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves
 - a.) treatment two (2) or more times, within thirty (30) days of the first day of incapacity, unless extenuating circumstances exist, by a health care provider, by a nurse under direct supervision of a health care provider, or by a provider of health care services (e.g., physical therapist) under orders of, or on referral by, a health care provider, or b.) treatment by a health care provider on at least one (1) occasion that results in a regimen of continuing treatment under the supervision of a health care provider.
 - a. Treatment by a health care provider as referenced above involves an in-person visit to a health care provider. The first (or only) in-person treatment visit must take place within seven (7) days of the first day of incapacity. The health care provider is responsible for determining whether additional treatment visits or a regimen of continuing treatment is necessary within the thirty (30) day period.

- b. Regimen of continuing treatment includes a course of prescription medication (e.g. antibiotics), or therapy requiring special equipment to resolve or alleviate the health condition (e.g. oxygen).
 - c. A regimen of continuing treatment that includes the taking of over-the-counter medications such as aspirin, antihistamines, or salves; or bed-rest, drinking fluids, exercise, and other similar activities that can be initiated without a visit to a health care provider, is not, by itself, sufficient to constitute a regimen of continuing treatment for purposes of FMLA leave.
2. An expectant mother is entitled to FMLA leave for incapacity due to pregnancy even if she does not receive treatment from a health care provider during the absence, and even if the absence does not last for more than three (3) consecutive, full calendar days.
 3. A chronic serious health condition is one that: a.) requires periodic visits (i.e., at least twice a year) for treatment by a health care provider, or by a nurse under direct supervision of a health care provider; b.) continues over an extended period of time (including recurring episodes of a single underlying condition); and c.) may cause episodic rather than a continuing period of incapacity (e.g., asthma, diabetes, epilepsy, etc.). A visit to a health care provider is not necessary for each absence, and each absence need not last more than three (3) consecutive, full calendar days.
 4. With regard to permanent or long-term conditions, the employee or family member must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider.
- C. Conditions for which cosmetic treatment are administered (e.g., most treatments for acne or plastic surgery) are not "serious health conditions" unless inpatient hospital care is required or complications develop. Ordinarily, unless complications arise, the common cold, the flu, ear aches, upset stomachs, minor ulcers, headaches other than migraines, routine dental or orthodontia problems, periodontal disease, etc., are conditions that do not meet the definition of a serious health condition and do not qualify for FMLA leave.

Intermittent and Reduced Schedule Leave

The Superintendent may allow a staff member to take FMLA leave intermittently (i.e., leave in separate blocks of time for a single qualifying reason) or on a reduced leave schedule (i.e., reducing the employee's usual weekly or daily work schedule) for reason (A) or (B) on page one. A staff member is entitled to take FMLA leave on an intermittent or reduced schedule leave when medically necessary as indicated in reasons (C) and (D) on page one. A staff member may also take FMLA leave on an intermittent or reduced-leave schedule for Qualifying Exigency Leave (i.e., reason (E) on page one). Finally, Military Caregiver Leave may be taken on an intermittent or reduced schedule leave when medically necessary. Regardless, the taking of FMLA leave intermittently or on a reduced schedule leave results in the total reduction of the twelve (12) or twenty-six (26) weeks only by the amount of leave actually taken. If the intermittent or reduced schedule leave is foreseeable based on planned medical treatment for the employee, a family member, or a covered service member, the Superintendent may require the staff member to transfer temporarily, during the period the intermittent or reduced schedule leave is required, to an available alternative position for which the staff member is qualified and which better accommodates recurring periods of leave than the staff member's regular position. The alternative position shall have equivalent pay and benefits but not necessarily equivalent duties. The Superintendent may also transfer the staff member to a part-time job with the same hourly rate of pay and benefits, provided the staff member is not required to take more leave than is medically necessary. Administrative staff members who request intermittent leave or a reduced schedule leave because of reasons (C) or (D) on page one or pursuant to Military Caregiver Leave and the leave would exceed twenty percent (20%) of the total number of working days over the period of anticipated leave must elect either to:

- A. take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- B. transfer temporarily to an available alternative position offered by the Superintendent for which the administrative staff member is qualified, and that has equivalent pay and benefits and that better accommodates the recurring periods of leave than the staff member's regular position.

When leave is needed for planned medical treatment, the staff member must make a reasonable effort to schedule the treatment so as not to unduly disrupt the District's operations, subject to the approval of the health care provider.

If the Superintendent agrees to permit FMLA leave intermittently or on a reduced schedule leave for reason (A) or (B) on page one, the Board may also require the staff member to transfer temporarily, during the period the intermittent or reduced schedule leave is required, to an available alternative position for which the staff member is qualified and which better accommodates recurring periods of leave than does the staff member's regular position.

Staff Member Notice Requirements (Forms available at the U.S. Department of Labor Website: www.dol.gov)

Staff members seeking to use FMLA leave (including Military Caregiver Leave) are required to provide thirty (30) day's advance notice of the need to take FMLA leave when the need is foreseeable and such notice is practicable. If leave is foreseeable less than thirty (30) days in advance, the staff member must provide notice as soon as practicable - generally, either the same or next business day. When the need for leave is not foreseeable, the staff member must provide notice as soon as practicable under the facts and circumstances of the particular case. Absent unusual circumstances, staff members must comply with the Board's usual and customary notice and procedural requirements for requesting leave. Failure to provide timely notice may result in the leave being delayed or denied, and/or possible disciplinary action.

Staff members must provide "sufficient information" for the Superintendent to determine whether the FMLA may apply to the leave request. Depending on the situation, such information may include that the employee is incapacitated due to pregnancy, has been hospitalized overnight, is unable to perform the functions of the job, that the staff member or his/her qualifying family member is under the continuing care of a health care provider, that the requested leave is for a particular qualifying exigency related to a qualifying family member's covered active duty or call to covered active duty status, or that the leave due to a qualifying family member who is a covered service member with a serious injury or illness. The information may also include the anticipated timing and duration of the leave.

When a staff member seeks leave for a FMLA-qualifying reason for the first time, the staff member need not expressly assert FMLA rights or even mention the FMLA. When an employee seeks leave, however, due to a FMLA-qualifying reason for which the District has previously provided the staff member FMLA-protected leave, the staff member must specifically reference either the qualifying reason for leave or the need for FMLA leave.

Substitution of Paid Leave

The staff member may request to "substitute" (i.e., run concurrently) any of his/her earned or accrued paid leave for unpaid FMLA leave. An employee's ability to substitute accrued paid leave is determined by the terms and conditions of the District's normal leave policy. A staff member electing to use any type of paid leave concurrently with FMLA leave must follow the same terms and conditions of the Board's policy that apply to other employees for use of such leave. The staff member is always entitled to unpaid FMLA leave if s/he does not meet the Board's conditions for taking paid leave. On occasion, the Board may waive any procedural requirements for the taking of any type of paid leave.

If the staff member has not earned or accrued adequate paid leave to encompass the entire twelve (12) work week period of FMLA leave or twenty-six (26) work week period of Military Caregiver Leave, the additional weeks of leave to obtain the twelve (12) work weeks of FMLA leave or twenty-six (26) work weeks of Military Caregiver Leave the staff member is entitled to shall be unpaid.

Whenever a staff member uses paid leave in substitution for unpaid FMLA leave/Military Caregiver Leave, such leave counts toward the twelve (12) work week/twenty-six (26) work week maximum leave allowance provided by this policy and Federal law.

District Notice Requirements (Forms available at the U.S. Department of Labor Website: www.dol.gov)

The Superintendent is directed to post the Department of Labor approved Notice explaining employees' rights and responsibilities under the FMLA. The notice must be posted prominently where it can be readily seen by employees and applicants and shall either be distributed to each new employee upon hiring or be included in employee handbooks or other written guidance concerning benefits or leave rights. Electronic posting is sufficient to meet these requirements.

When a staff member requests FMLA leave or the District acquires knowledge that leave may be for a FMLA purpose, the Superintendent shall notify the staff member of his/her eligibility to take leave, and inform the staff member of his/her rights and responsibilities under the FMLA (including the consequences of failing to meet those obligations). Along with the Notice of Rights and Responsibilities, the Superintendent will attach any medical certification that may be required, and a copy of the employee's essential job functions. If the Superintendent determines the staff member is not eligible for FMLA leave, the Superintendent must state at least one (1) reason why the staff member is not eligible. Such notice may be given orally or in writing and should be given within five (5) business days of the request for FMLA leave, absent extenuating circumstances. When oral notice is given, it must be followed by written notice within five (5) business days. Staff member eligibility is determined (and notice provided) at the commencement of the first instance of leave for each FMLA-qualifying reason in the applicable twelve (12) month period. All FMLA absences for the same qualifying reason are considered a single leave and staff member eligibility as to that reason for leave does not change during the applicable twelve (12) month period. If at the time a staff member provides notice of a subsequent need for FMLA leave during the applicable twelve (12) month period due to a different FMLA-qualifying reason and the staff member's eligibility status has not changed, no additional eligibility notice is required. If, however, the staff member's eligibility status has changed, the Superintendent must notify the staff member of the change in eligibility status within five (5) business days, absent extenuating circumstances.

If the specific information provided by the Notice of Rights and Responsibilities changes, the Superintendent shall, within five (5) business days of receipt of the staff member's first notice of need for leave subsequent to any changes, provide written notice referencing the prior notice and setting forth any of the information in the Notice of Rights and Responsibilities that has changed.

When the Superintendent has sufficient information to determine that leave is being taken for a FMLA-qualifying reason (e.g. after receiving certification), the Superintendent shall notify the staff member whether the leave will be designated and counted as FMLA leave. Leave that qualifies as both Military Caregiver Leave and leave to care for a qualifying family member with a serious health condition (i.e. reason (C)) must be considered as Military Caregiver Leave in the first instance. This designation must be in writing and must be given within five (5) business days of the determination, absent extenuating circumstances. Additionally, when appropriate, the Superintendent shall notify the staff member of the number of hours, days and weeks that will be counted against the employee's FMLA entitlement, and whether the employee will be required to provide a fitness-for-duty certification to return to work.

Only one Designation Notice is required for each FMLA-qualifying reason per applicable twelve (12) month period, regardless of whether the leave taken due to the qualifying reason will be a continuous block of leave or as intermittent or on a reduced schedule leave. If the Superintendent determines the leave will not be designated as FMLA-qualifying (e.g. if the leave is not for a reason covered by the FMLA or the staff member's FMLA leave entitlement has been exhausted), the Superintendent shall notify the staff member of that determination. If the staff member is required to substitute paid leave for unpaid FMLA leave, or if paid leave taken under an existing leave plan is being counted as FMLA leave, the "Designation Notice" shall include this information. Additionally, the "Designation Notice" shall notify the staff member if s/he is required to present a fitness-for-duty certification to be restored to employment. Further, if the fitness-for-duty certification is required to address the staff member's ability to perform the essential functions of his/her job, that will be indicated on the Designation Notice, and a list of the essential functions of the staff member's position will be included.

If the information provided to the staff member in the Designation Notice changes, the Superintendent shall provide, within five (5) business days of receipt of the staff member's first notice of need for leave subsequent to any change, written notice of the change.

In the case of intermittent or reduced-leave schedule leave, only one such notice is required unless the circumstances regarding the leave have changed.

Limits on FMLA When Both Spouses are Employed by the Board

When eligible spouses are both employed by the Board, they are limited to a combined total of twelve (12) workweeks of FMLA leave during any twelve (12) month period if the leave is taken for reason (A) or (B) on page one, or to care for the staff member's parent who has a serious health condition.

Where the spouses both use a portion of the total twelve (12) week FMLA leave entitlement for reason (A) or (B) on page, or to care for a parent, the spouses are each entitled to the difference between the amount s/he has taken individually and the twelve (12) weeks of FMLA leave for other purposes.

When eligible spouses are both employed by the Board, they are limited to a combined total of twenty-six (26) workweeks of Military Caregiver Leave during the "single twelve (12) month period" if the leave is taken for reason (A) or (B) on page one, or to care for the staff member's parent who has a serious health condition, or to care for a covered service member with a serious injury or illness.

Certification

When FMLA leave is taken for either reason (C) or (D) on page one, the staff member must provide medical certification from the health care provider of the eligible staff member or his/her immediate family member. The staff member may either:

- A. submit the completed medical certification to the Superintendent; or
- B. direct the health care provider to transfer the completed medical certification directly to the Superintendent, which will generally require the staff member to furnish the health care provider with a HIPAA-compliant authorization.

If the staff member fails to provide appropriate medical certification, any leave taken by the employee shall not constitute FMLA leave.

When the need for FMLA leave is foreseeable and at least thirty (30) days notice has been provided, the staff member must provide the medical certification before the leave begins. When this is not possible, the employee must provide the requested certification to the Superintendent within fifteen (15) calendar days after the staff member requests FMLA leave.

unless it is not practicable under the circumstances to do so despite the staff member's diligent and good faith efforts.

The Board reserves the right to require second or third opinions (at the Board's expense), and periodic recertification of a serious health condition. If a third opinion is sought, that opinion shall be binding and final. The staff member may either:

- A. submit the opinion of the second health care provider, and the opinion of the third health care provider if applicable, to the Superintendent; or
- B. direct the second or third health care provider to transfer his/her opinion directly to the Superintendent, which will generally require the staff member to furnish the health care provider with a HIPAA-compliant authorization.

In the event that the staff member fails to provide the medical opinion of the second or third health care provider, if applicable, any leave taken by the staff member shall not constitute FMLA leave.

Recertification

Recertification may be required no more often than every thirty (30) days in connection with an absence by the staff member unless the condition will last for more than thirty (30) days. For conditions that are certified as having a minimum duration of more than thirty (30) days, the District will not request recertification until the specified period has passed, except that in all cases the Superintendent may require recertification every six (6) months in connection with an absence by the employee. Additionally, the Superintendent may require a staff member to provide recertification in less than thirty (30) days if the staff member requests an extension of leave, the circumstances described in the previous certification have changed significantly, or if the District receives information that casts doubt upon the staff member's stated reason for the absence or the continuing validity of the certification. Finally, staff members must provide a new medical certification each leave year for medical conditions that last longer than one (1) year.

Staff members requesting Qualifying Exigency Leave are required to submit to the Superintendent a copy of the covered military member's active duty orders and certification providing the appropriate facts related to the particular qualifying exigency for which leave is sought, including contact information if the leave involves meeting with a third party.

Staff members requesting Military Caregiver Leave are required to submit to the Superintendent certification completed by an authorized health care provider or a copy of an Invitational Travel Order (ITO) or Invitational Travel Authorization (ITA) issued to any member of the covered service member's family.

The Board authorizes its health care provider, human resource professional but not the staff member's direct supervisor – to authenticate or clarify a medical certification of a serious health condition, or an ITO or ITA (i.e. medical certification provided for reasons (C) or (D) on page one or Military Caregiver Leave). Additionally, the Superintendent is authorized to contact the individual or entity named in the Qualified Exigency Leave certification for purposes of verifying the existence and nature of the meeting.

A staff member who takes leave for reason (D) on page one, prior to returning to work, must provide the Superintendent with a fitness-for-duty certification that specifically addresses the staff member's ability to perform the essential functions of his/her job. The fitness-for-duty certification shall only apply to the particular health condition that caused the staff member's need for FMLA leave. If reasonable safety concerns exist, the Superintendent may, under certain circumstances, require a staff member to submit a fitness-for-duty certification before s/he returns to work from intermittent FMLA leave. The cost of the certification shall be borne by the staff member.

Job Restoration & Maintenance of Health Benefits

Upon return from FMLA leave, the Board shall restore the staff member to his/her former position, or to an equivalent position with equivalent pay, benefits, and other terms and conditions of employment. During FMLA leave, the Board shall maintain the staff member's current coverage under the Board's group health insurance program on the same conditions as coverage would have been provided if the staff member had been continuously working during the leave period. If the staff member was paying all or part of the premium payments prior to going on FMLA leave, the staff member must continue to pay his/her share during the leave.

Any leave or return from leave during the last five (5) weeks of an academic term shall be reviewed individually by the Superintendent to minimize disruption to the students' program.

The staff member shall not accrue any sick leave, vacation, or other benefits during a period of unpaid FMLA leave.

The use of FMLA leave shall not result in the loss of any employment benefit that the staff member earned or was entitled to before using FMLA leave. If a bonus or other payment, however, is based on the achievement of a specified goal such as hours worked or perfect attendance, and the employee does not meet the goal due to FMLA leave, payment shall be denied

unless it is paid to an employee on equivalent leave status for a reason that does not qualify as FMLA leave.

A staff member shall have no greater right to restoration or to other benefits and conditions of employment than if the employee had been continuously employed.

If the staff member fails to return to work at the end of the leave for reasons other than the continuation, recurrence, or onset of a serious health condition that entitles the staff member to leave pursuant to reasons (C) or (D) on page one or Military Caregiver Leave, or for circumstances beyond the control of the staff member, the staff member shall reimburse the Board for the health insurance premiums paid by the Board during the unpaid FMLA leave period.

Generally, a staff member may not be required to take more FMLA leave than necessary to resolve the circumstance that precipitated the need for leave.

A staff member who fraudulently obtains FMLA leave is not protected by this policy's job restoration or maintenance of health benefits provisions.

The Superintendent shall prepare any procedures that are appropriate for this policy and ensure that the policy is posted properly. Copies of this policy shall be available to staff members upon request.
