CONTRACT REVIEW PROCESS FOR "ALL" CONTRACTS

A contract is defined as an agreement between two or more parties that is intended to have legal effect. This may include MOUs, Interlocal Agreements, Service Agreements and Contracts. Contracts document the mutual understanding between the parties as to the terms and conditions of their agreement, contain mutual obligations, and clearly state the agreement's consideration. The term consideration includes the cost of the services and/or products to be provided by second party (vendor or service provider) and any non-monetary performance. No school, department, or other organizational unit has authority to contract in its own name. All Board contracts must be made in the legal name of the Board, "The School Board of Clay County, Florida". The School or Department may extend this name to include the school or department as follows, "The School Board of Clay County, Florida o/b/o _____ (insert the school or department name)" where o/b/o means "on behalf of".

All contracts shall be reviewed and approved by the School Board Attorney and/or the Supervisor of Purchasing to ensure legality, compliance with Board policy, and to ensure the Board interests are protected before the authorized signatory may execute the contract.

All contracts having a value of \$100,000 or more shall be authorized by the Board at a regular or special meeting and signed by the Board Chairman. All approved contracts having a value of less than \$100,000 may be executed by the Superintendent or appropriate District administrator based on the value of the contract.

As required by Federal law, BGC agrees that no PII shall be revealed, transmitted, exchanged, or otherwise passed to other contractors or interested parties except as permitted by this Agreement, by the FERPA permitted disclosures set forth at 34 CFR §§ 99.31(a)(1), 99.31(a)(6), and 99.31(a)(12), or on a case-by-case basis as specifically agreed to in writing by a CCDS officer with designated data, security, or signature authority.

8.3 End of Agreement Data Handling. BGC agrees that, upon termination of this Agreement, it shall return all PII to CCDS in a useable electronic form, and erase, destroy, and render unreadable all PII stored on BGC computers, servers, information storage/retrieval devices and systems of any kind or nature whatsoever, in its entirety in a manner that prevents its physical reconstruction through the use of commonly available file restoration utilities, and certify in writing that these actions have been completed within thirty (30) days after the termination of this Agreement or within seven (7) days after the request of an agent of CCDS, whichever shall come first. Notwithstanding the foregoing, BGC shall be permitted to retain an archival copy of the PII solely for purposes of satisfying the data retention requirements of third-party publishers of reports

8.5 Mandatory Disclosure of PII. If BGC becomes compelled by law or regulation (including securities laws), or subpoena, court order, or other administrative directive to disclose any PII related to CCDS students, BGC will provide CCDS with prompt written notice, to the extent permitted by law, so that CCDS may seek an appropriate protective order or other remedy. If a remedy acceptable to CCDS is not obtained by the date that BGC must comply with the request, BGC will furnish only that portion of the PII that it is legally required to furnish, and BGC shall require any recipient of the PII to exercise commercially reasonable efforts to keep the PII confidential, to the extent permitted by law.

8.6 Remedies for Disclosure of Confidential Information. The Parties acknowledge that unauthorized disclosure or use of PII or other confidential education records may irreparably damage CCDS in such a way that adequate compensation could not be obtained from damages in an action at law. Accordingly, the actual or threatened unauthorized disclosure or use of any PII or education records shall give CCDS the right to seek injunctive relief restraining such unauthorized disclosure or use, in addition to any other remedy otherwise available (including reasonable attorneys' fees). BGC hereby waives the posting of a bond with respect to any action for injunctive relief. BGC further grants CCDS the right, but not the obligation, to enforce these provisions in BGC's name against any of BGC's employees, officers, board members, owners, representatives, agents, contractors, and subcontractors violating the above provisions.

9.1 This Agreement shall be governed by the laws of the State of Florida. Any and all legal action arising out of the Agreement will have its venue in the courts of the State of Florida located in Clay County and the Agreement will be interpreted according to the laws of Florida and/or federal law where appropriate. No remedy herein conferred upon any Party is intended to be exclusive of any other remedy, and each and every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any Party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

9.2 If any legal action or other proceeding is brought for the enforcement of this Agreement, or because of a dispute, breach, default, or misrepresentation in connection with any provision of this Agreement, the successful or prevailing Party or Parties shall be entitled to

recover court costs, and expenses recognized as taxable court costs pursuant to Florida Statutes and/or The Florida Rules of Civil Procedure (including fees, costs, and expenses incident to appeals) incurred in that action or proceeding, in addition to any other relief to which such Party or Parties may be entitled.

10. INDEPENDENT CONTRACTOR RELATIONSHIP

10.1 BGC is, and shall be, in the performance of all activities under this Agreement, an independent contractor, and not an employee, agent, or servant of CCDS. All persons engaged in the analysis pursuant to Section 4 of this Agreement shall at all times, and in all places, be subject to BGC's sole direction, supervision, and control. BGC shall exercise control over the means and manner in which it and its employees perform pursuant to this Agreement, and in all respects BGC's relationship and the relationship of its employees to CCDS shall be that of an independent contractor and not as employees or agents of CCDS. BGC does not have the power or authority to bind CCDS in any promise, agreement, or representation.

10.2 Nothing contained herein, other than the limited "agency" language in subsection 4.2 of this Agreement, shall be deemed to create an association, partnership, joint venture, or relationship of principal and agent or master and servant among the Parties or any affiliate thereof, or to provide any Party hereto with the right, power, or authority whether expressed or implied, to create any such duty or obligation on behalf of any other Party.

11. INSURANCE

At its sole expense, during the term of this Agreement BGC shall maintain General and Professional Liability insurance for any and all claims as a result of an action, lack of action, error, or omission by BGC, its employees, agents, or subcontractors in an amount not less than One Million Dollars (\$1,000,000) per claim. If such policy is written on a "claims-made" basis, coverage shall remain in effect for three (3) years after the expiration or termination of this Agreement and any of its extensions.

12. INDEMNIFICATION

12.1 Each party covenants and agrees at all times to save, hold, and keep harmless each other party against any and all claims, demands, penalties, judgments, court costs, reasonable attorney's fees, and liability of every kind and nature whatsoever to the extent permitted by law arising out of or in any way connected or arising out of a party's performance of this Agreement. However, this indemnification subsection shall not operate to release any party from liability for their own negligence or the negligence of their officers, agents or employees or the duty to indemnify another party from said negligence.

12.2 Nothing in this Agreement shall be construed or interpreted to increase the scope or dollar limit of the CCDS's liability beyond that which is set forth in section 768.28, Florida Statutes. Nor shall any such language be construed or interpreted to waive the CCDS's sovereign immunity from suit, or to require the CCDS to indemnify BGC or any other person, corporation or legal entity of any kind or nature whatsoever for injury or loss resulting from any acts or

omissions other than those which arise from the actionable negligence of the CCSS or its employees. The Board expressly reserves all other protections and privileges related to its sovereign immunity.

13. SUCCESSORS AND ASSIGNS

Neither CCDS nor BGC shall assign, sublet, convey, or transfer its interest in this Agreement. Nothing herein shall be construed as creating any rights or benefits hereunder to anyone other than CCDS and BGC.

14. NON-EXCLUSIVE AGREEMENT

The Parties understand and agree this Agreement is a non-exclusive agreement and the Parties hereto may participate in other comparable services to and from any other person or entity.

15. SEVERABILITY

If any term or provision of this Agreement, or the application thereof to any person or circumstances shall, to any extent, be held invalid or unenforceable, such term or provision shall be stricken and deemed unenforceable and every other term and provision of this Agreement shall be deemed valid and enforceable to the extent permitted by law.

16. ENTIRETY OF AGREEMENT

CCDS and BGC agree that this Agreement, and any documents made a part thereof, set forth the entire agreement between the Parties and that there are no promises or understandings other than those stated herein. None of the provisions, terms, and conditions contained in this Agreement may be added to, modified, superseded, or otherwise altered, except by written instrument executed by the Parties hereto.

17. NON-WAIVER

The failure of either Party to exercise or delay in exercising any right, power, or privilege provided for hereunder shall not be deemed a waiver thereof; nor shall any single or partial exercise of any such right, power, or privilege preclude any other or further exercise thereof, or the exercise of any other right, power, or privilege under this Agreement. No Party shall be deemed to have waived a right, power, or privilege provided for herein, unless such waiver is in writing and signed by the waiving Party.

18. FORCE MAJEURE

Nonperformance of either Party shall be excused to the extent that performance is rendered impossible by strike, fire, flood, pandemic, Acts of God, governmental acts or orders or restrictions, failure of suppliers, or any other reason where failure to perform is beyond the reasonable control of the non-performing party.

19. CONSTRUCTION OF AGREEMENT

Each Party has participated in negotiating and drafting this Agreement, so if an ambiguity or a question of intent or interpretation arises, this Agreement is to be construed as if the Parties had drafted it jointly, as opposed to being construed against a Party because it was responsible for drafting one or more provisions of this Agreement.

20. TERM, TERMINATION AND EXTENSION OF AGREEMENT

This Agreement shall be for a term of two (2) years, commencing on the date on which the last signature is affixed. Upon written agreement of the parties, executed at least thirty (30) days prior to expiration, the Agreement may be extended three times for periods of one (1) year each. The maximum term of this Agreement shall be five (5) years, including the original term and the one year extensions, after which the Agreement must be reviewed for currency and re-executed. Either party may terminate this Agreement immediately for cause in the event that the other party acts in violation of any state or federal law, regulation or rule, including but not limited to FERPA, or willfully or negligently abuses the confidentiality restrictions of this Agreement or is in material violation of any term of this Agreement. Either party shall have the absolute right to terminate this agreement with or without cause with sixty (60) days' prior written notice to the other party. However, any unilateral termination of this Agreement by a party shall be effective only at the end of the specific academic period during which the written notice was given if the notice is given more than sixty (60) days from the end of the academic period

Mailing Address: P.O. Box #2059, Jacksonville, FL 32203.2059

WHEREAS, the SBCC is engaged in the activity of providing educational opportunities to children; and

WHEREAS, CONTRACTOR has experience, skill, and expertise in delivering the services and/or products described in this Agreement; and

WHEREAS, the SBCC is interested in procuring the services and/or products of CONTRACTOR, as best fits the needs of the school district as determined by the SBCC; and

WHEREAS, CONTRACTOR desires to provide afterschool services to the Schools listed in Attachment A-1.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

1. The Company, Vendor, Agency, or Consultant, of Contract for Goods and Services, hereafter collectively and individually referred to as the “CONTRACTOR”.
2. CONTRACTOR represents that it is an independent contractor and that it requires that the SBCC treat it as such. CONTRACTOR agrees:
 - a. That it has no rights to any benefits extended by the SBCC to its employees [including without limitation, sick leave, vacation time, insurance coverage, etc.];
 - b. That it will not take a position contrary to their status as an independent contractor, and agrees to accept the responsibilities placed on independent contractors by federal and state law [accordingly, the SBCC will not make the deductions or contributions that an employer may be required to make with respect to its employees, and the undersigned will be responsible for all federal and state tax and fund obligations, including without limitation, income tax, Social Security, unemployment compensation, etc.];
 - c. CONTRACTOR agrees, as an independent contractor and not an employee of the SBCC, it is responsible for providing their own Worker’s Compensation Insurance and social security/self-employment contributions.
3. CONTRACTOR acknowledges and accepts responsibility for all risks of injury and loss associated with the performance of this Agreement. In addition to any other statutory or common law obligation to indemnify and defend the SBCC, CONTRACTOR shall indemnify, defend, and hold harmless the SBCC, its officers, and employees from any claim, loss, damage, penalty, or liability arising from the negligent acts, omissions, misfeasance, malfeasance, or intentionally wrongful conduct of CONTRACTOR, its employees, or agents relating to the performance of duties imposed upon CONTRACTOR by this Agreement. Such indemnity shall not be limited by benefits payable by or for CONTRACTOR under worker’s compensation, disability, or any other employee benefits or insurance programs or policies. Contractor shall timely provide to the SBCC written notice of any claim, complaint, or demand asserted against CONTRACTOR related to the performance of this Agreement. CONTRACTOR’s obligations under this section shall survive the termination of this Agreement.
4. CONTRACTOR agrees to be bound by, and at its own expense comply with, all federal, state, and local laws, ordinances, and regulations applicable to the services. CONTRACTOR shall review and comply with the confidentiality requirements of federal and state law and the SBCC policy regarding access to and use of records.

5. Reservation of Sovereign Immunity: No provision or language in the underlying contract shall be construed or interpreted to increase the scope or dollar limit of the SBCC's liability beyond that which is set forth in Section 768.28 of the Florida Statutes. Nor shall any such language be construed or interpreted to waive the SBCC's sovereign immunity from suit, or to require the SBCC to indemnify CONTRACTOR or any other person, corporation or legal entity of any kind or nature whatsoever for injury or loss resulting from any acts or omissions other than those which arise from the actionable negligence of the SBCC. The SBCC expressly reserves all other protections and privileges related to its sovereign immunity.
6. CONTRACTOR will perform the services in a thorough, efficient, and professional manner, promptly and with due diligence and care, and in accordance with the best practices of the profession, utilizing qualified and suitable personnel, equipment and materials. CONTRACTOR warrants and represents to the SBCC that it possesses the expertise, capability, equipment and personnel to properly perform the services and that it is properly and legally licensed to perform the services. CONTRACTOR acknowledges that the SBCC is relying on the warranties and representations made by CONTRACTOR.
7. Method of Payment: Services and/or Products satisfactorily received shall be compensated in accordance with Attachment A and the following terms:
 - a. Procurement is performed in accordance with applicable law, State Board of Education Rules, Clay County School Board Policy and other applicable rules and regulations which govern. CONTRACTOR shall be paid in accordance with the Local Government Prompt Payment Act (218.70, et seq., Florida Statutes) upon submission of detailed invoices to the appropriate location listed on the District Purchase Order and/or the School Internal Account Purchase Order, and only after delivery and acceptance of the services and/or products provided.
 - b. Services and/or Products, as authorized by and listed in Attachment A, shall be compensated by Hour Rate (cost per hour) / Fixed Fee (*includes direct and indirect costs*) / Flat Rate (*cost for scope of work*) / etc.
 - c. Direct reimbursement for travel expenses, as authorized by and listed in Attachment A, shall be made in accordance with the requirements and rates found at F.S. 112.061 and any applicable SBCC policies.
 - d. Incurrence of other direct expenses, if any, must be pre-approved in writing by the SBCC.
 - e. Unless otherwise required by law, the SBCC's payment obligations (if any) arising from the underlying Agreement are contingent upon an annual appropriation by the School Board and the availability of funds to pay for the contracted services and/or products provided. If such funds are not appropriated for the underlying Agreement and results in its termination, such conditions/events shall not constitute a default by the SBCC.
8. The SBCC and CONTRACTOR have mutual rights to terminate this Agreement with or without cause and without penalty or further payment, at any time upon thirty (30) days written notice to the other party. However, if it is determined by the SBCC that the work is not being performed as agreed herein, CONTRACTOR shall be deemed to be in default, and the SBCC reserves the right to cancel this Agreement immediately.
9. Force Majeure: Neither party to this Agreement shall be liable for delays or failures in performance under this Agreement (other than obligations relating to payment, confidentiality, and protection of ownership and intellectual property rights) resulting from acts or events beyond the reasonable control of such party (a "Force Majeure Event"), including acts of war, terrorism, acts of God, earthquake, flood, embargo, riot, sabotage, labor dispute, wide spread outbreak of disease or pandemic, governmental act, failure of the internet, power failure, or energy, utility, or telecommunications interruptions, provided that the delayed party: (i) gives the other party prompt notice of such cause; and (ii) uses its reasonable commercial efforts to promptly correct such failure or delay in performance. In the event that a Force Majeure Event lasts for more than 90 days, and the party experiencing the initial delay cannot correct its failure or delay in performance during that period of time, despite using its reasonable commercial efforts to do so, the other party may terminate the affected portions of this Agreement.
10. This Agreement shall not be modified or amended except in writing, duly agreed to and executed by the parties.
11. CONTRACTOR shall not assign this Agreement in whole or in part, without the express written consent of the SBCC Purchasing Department.

13. No other representations or promises shall be binding on the parties hereto except those representations or promises contained herein.

14. In the event that any part, term, or provision of this Agreement is, in a court of competent jurisdiction, found to be illegal or unenforceable, the validity of the remaining portions and provisions will not be affected, and the rights and obligations of the parties shall be construed and enforced as if this Agreement did not contain the particular part, term, or provision held to be so invalid.
15. Should any litigation be commenced in connection with this Agreement, the prevailing party shall be entitled to reasonable attorney fees and court costs.
16. The parties hereto represent that they have reviewed this Agreement and have sought legal advice concerning the legal significance and ramifications of this Agreement.
17. CONTRACTOR shall retain records associated with the services and/or products provided herein for a period of three years following final payment. CONTRACTOR shall, with reasonable notice, provide the SBCC access to these records during the above retention period.
18. Jessica Lunsford Act: SBCC is required to conduct background screening of CONTRACTOR (including its employees, agents, and sub-contractors) (go to Clay County District Schools website for fingerprinting procedures). CONTRACTOR covenants to comply with all requirements of the above-cited statutes at CONTRACTOR's sole expense and shall provide the SBCC proof of such compliance upon request.

Certification: By executing this Agreement, CONTRACTOR swears and affirms under penalty of perjury that all of its employees, agents, and subcontractors will comply with these procedures, the requirements of the Jessica Lunsford Act, SBCC's finger printing procedures, and the laws of the State of Florida. Failure to comply with these procedures, the Act, SBCC's finger printing procedures, and the law of the State of Florida shall constitute a material breach of the Agreement, and SBCC may avail itself of all remedies pursuant to law. CONTRACTOR agrees to indemnify and hold harmless SBCC, its officers, employees, and agents, from and against any and all claims or causes of action, including without limitation those for personal injury, death, property damages, and attorney fees, arising out of or relating to CONTRACTOR's failure to comply with any of the above.

19. Stat. that the subcontractor does not employ, contract with or subcontract with any unauthorized alien. The CONTRACTOR must maintain a copy of such affidavit for the duration of the Agreement. This section serves as notice to the CONTRACTOR that, pursuant to the terms of Section 448.095(2)(c) 1 and 2, Florida Statutes, the SBCC shall terminate this Agreement if it has a good faith belief that the CONTRACTOR has knowingly violated Section 448.09(1), F.S.. If the SBCC has a good faith belief that the subcontractor, without the knowledge of the CONTRACTOR, has knowingly violated Section 448.09(1) or 448.095(2), F.S., the SBCC shall notify the CONTRACTOR and order the CONTRACTOR to immediately terminate the contract with the subcontractor. If the SBCC terminates an Agreement with a CONTRACTOR pursuant to sec. 448.095(2)(c), F.S., the CONTRACTOR will not be awarded a public contract for at least one year after the date of such termination.
20. The CONTRACTOR certifies that CONTRACTOR is in compliance with the requirements of law regarding equal employment opportunity for all persons without regard to age, race, color, religion, sex, national origin, or disability and is not on the Discriminatory Vendor List pursuant to Florida Statute 287.134.

CONTRACTOR shall furnish the SBCC's Representative copies of insurance certificates evidencing that it maintains at least the insurance coverage required hereunder, and which contain the following or equivalent clause: *"Before any reduction, cancellation, modification or expiration of the insurance policy, thirty (30) days prior written notice thereof shall be given to the SBCC."* CONTRACTOR is NOT authorized to proceed with the services until all the insurance certificates have been received and accepted.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the SBCC, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of CONTRACTOR's obligation to fulfill the insurance requirements herein.

22. CONTRACTOR shall not solicit or accept brokerage or any other fees or remuneration from any provider of the SBCC insurance program.
23. CONTRACTOR recognizes and acknowledges that by virtue of entering into this Agreement and providing services hereunder, CONTRACTOR, its agents, employees, officers, and subcontractors may have access to certain confidential information and processes, including confidential student information, personal health information, financial records, and access to the SBCC networks (hereinafter "Confidential Information"). 3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. Clay County School District

Proposed Scope of Work

Boys & Girls Clubs of Northeast Florida (BGCNF) will offer Project STEAM+L (Science Technology Engineering Arts and Math plus Literacy) at designated Clay County School District in Florida in collaboration with the Florida Department of Education's 21st Century Community Learning Centers grant programming. Designed to complement and enrich school day instruction, the 21st Century program serves students at the seven (7) designated schools listed in Attachment A-1, pg. 16 (**FINAL LIST**), afterschool for 2-3 hours as determined by a Memorandum of Understanding ("MOU") with the Clay County School District, the School District Director of K-12 and the individual school principals, as referred to on page 22 of 23 under the subheading of Facilities.

Our Club and services are fully open to all children in each designated school. BGCNF offers programming to serve adult-family members of all students served. Elementary, Middle and High Schools receive academic support, meals and snacks and personal enrichment activities weekly. Student Ratios: Academic / Certified Teachers minimum of 15:1 and Enrichment / Non-Academic minimum of 25:1.

Community Notice

Boys & Girls Clubs of Northeast Florida will post a Public Notice in our "What We Do – 21st CCLC" section of our website by mid-April to provide information about our intent to apply for this grant <http://www.bgcnf.org/21stcentury/>. A notice will also be posted at the administrative office.

Needs Assessments

BGCNF will work with each school to collect Parent/Student and Teacher survey data. Survey links and hard copies will be given to each principal and their teams to ensure that a minimum of 20% of the total of each group are surveyed. Surveys will be collected and analyzed. BGCNF's operations team members will make recommendations from the data and write programming into each grant.

Closing the Gaps: The programs are designed to address the identified needs: (1) academic remediation/homework help to address student progress; (2) integrated reading and writing activities (literacy) to support ELA academic achievement; (3) STEAM to address science and math deficiencies with a blend of visual arts and photography ("A" in STEAM); (4) physical exercise and education to create healthier students; and (5) adult-family member services.

Community Partners: Boys & Girls Clubs will work with community partners and stakeholders representing each school to provide support necessary to maintain and sustain programming.

Target Population, Recruitment and Retention

Target Population

As part of the 2022-23 21st CCLC grant proposal, BGCNF will serve students who meet the priorities for the 21st CCLC program. Specifically, our project (unit) director will work with school administration to target students who have received less than satisfactory scores on their end of year exams during the past school year and those who are currently receiving less than a “c” grade and/or those who are in the lowest 25th percentile within enrollment.

Research shows that students begin to disengage with formal education as early as the fourth and fifth grades. Students who are disengaged from school are no longer motivated to succeed in school – it is no longer what they see as meaningful or important. Unfortunately, disaffected and disengaged students also influence their peers to disengage – and generally engage with negative activities. Such students are likely to be retained; to fail to earn enough credits; to perform poorly on state assessments; and to fail to graduate on time (America’s Promise Alliance, 2017). We have structured our grant and program to service Clay County School District students with Science, Technology, Engineering, Arts, Math and Literacy programming so that we can reach this core group as identified in the needs assessment so that they can not only prosper, but also extend the power of the grant by becoming a positive influence for their peers.

Boys & Girls Clubs of Northeast Florida staff strive to secure an environment to serve children with special needs including those who might be homeless, English language learners, physical, psychological, sensory or learning disabilities, and/or those with attention behavior concerns. BGCNF and our staff work with every individual student so that they are not excluded from the program and are safely accommodated.

Recruitment and Retention

The recruitment and retention of the most at-risk students and those most in need of 21st CCLC services is conducted through established relationships each individual Clay County School as identified in this response. The primary strategies to be used to recruit and retain targeted students for enrollment and to achieve consistent, long-term participation in the 21st CCLC program are achieved by involving students, parents and school principals and teachers from the very beginning, including through the development of this application. The recruitment strategy

ATTACHMENT A-1

Boys & Girls Clubs of Northeast Florida Proposed Schools & Scope of Work

Clay County School District

has the additional benefit of strengthening our ongoing relationship with the school day, meeting the needs not only of students but of teachers and the schools.

Recruitment

- Reach out to adult-family members of students served at designated Clay County Schools. Follow up with all who provided phone numbers on the needs assessment and ask them to tell their friends and family members about the Club and programs.
- Have staff recruit potential students directly through events, relationships and unique entry points to reach students in the schools.
- Encourage current students to recruit their fellow student friends.
- Create recruitment activities designed to target potential students that align with each school's programming.
- Ask teachers and the principal to give referrals for the program.
- Secure a list of school events and have BGCNF Club staff members attend.

Retention

Particularly with secondary students, we acknowledge that 21st CCLC activities must be extremely compelling to not only attract but retain such students. Students have many options and our intent – and a strong suit of BGCNF – is to incite students to continue to choose our programs. We:

- Poll students to secure feedback and preferences for enrichment.
- Create excitement around the STEAM+L programming to engage students.
- Communicate with parents to follow-up student absences of more than two days in the 21st CCLC program, including helping parents to solve attendance barriers.
- Routinely share information about the 21st CCLC programs to parents as they pick up their children and integrate information to keep their children engaged as part of our adult-family member program activities.
- The Club Project (Unit) Director and assigned teachers regularly collaborate with the schools to be certain that academic learning objectives and materials are shared.
- Work directly with school administration in time of need to retain a student.
- Staff ensure that support is given to students with different learning styles.

Program Evaluation

ATTACHMENT A-1

Boys & Girls Clubs of Northeast Florida Proposed Schools & Scope of Work

Clay County School District

Evaluation is a critical component of Project STEAM+L programming. Boys & Girls Clubs of Northeast Florida (BGCNF) values the opportunity to learn from an objective perspective and is committed to making mid-course corrections where data show that the program is not performing optimally for students or for their families. BGCNF finance, operations and development/grants administration staff meet weekly to discuss process improvements based on data. Our team understands the important role of evaluating our 21st CCLC programs and we are prepared to make adjustments based on data outcomes.

Approved Program Activities

Project Celebration STEAM+L engages students in the Science, Technology, Engineering, Arts (Visual & Photography), Math and Literacy areas. STEM and STEAM have become popular vehicles for youth activities. We view them as the organizing framework for a variety of activities to challenge, captivate, and motivate students. We have added literacy to specifically acknowledge that literacy is the building block for students' current and future success. Without

Boys & Girls Clubs Experience and Capacity

BGCNF staff has experience with managing federal grants with FDOE 21st CCLC, HUD – Community Development Block Grants, USDA food and FDOH grants and numerous other city and foundation grants.

Upon receipt of monitoring and audit activities, BGCNF finance, operations and grants administration staff collaborate weekly through meetings and discussions to effectively evaluate, monitor and adjust programs, train staff, and make necessary improvements. BGCNF effectively manages six (6) 21st CCLC Grants and 32 Kids Hope Alliance Grants serving over 5,000 students daily and nearly 10,000 annually. At least 10 staff members have engaged in 21st CCLC training and development activities. We are prepared and excited about this opportunity to serve more students in our afterschool programs.

Surveys, questionnaires, among other informative data-based assessment tools are issued to the program participants. Staff reviews the data and makes adjustment to programming as needed to enhance student outcomes. Our on-going relationship with the school administration to review the goals of the school improvement plans monthly is critically important to implementing program changes to drive student grade improvements.

oversees data collection and programming. All team members receive training to meet the objectives of the RFP

Professional Development - All 21st CCCL teachers, program instructors, and other 21st CCLC staff are trained on elements of the grant including the funding priorities and provisions of academic, project-based and experiential learning methods and activities in culturally appropriate ways. Staff gain a sound understanding of the program design, need, and effective teaching methodology of the 21st CCLC program, and the measurable objectives and activities to be offered to our students and their adult-family members to ensure that the offerings address community needs. Weekly staff meetings are held that include a training element. Monthly agency-wide training programs occur to keep staff aligned with the goals and objectives of the grant and to enhance student experiences and outcomes via our programs.

Facilities – Clay County School District

Boys & Girls Clubs of Northeast Florida will work with each school to determine the space required to appropriately run the 21st CCLC programs to include, but not limited to: Classrooms, Activity Rooms, Gyms, Outdoor recreational areas, and/or Multipurpose Rooms. The list of on-site facilities to be utilized by the Contractor will be discussed and agreed upon in writing via a Memorandum of Understanding (“MOU”) with the Clay County School District, the School District Director of K-12 and the individual school principals. The above referenced MOU must be submitted to purchasing and the office of the School Board Attorney for contract review.

Safety and Student Transportation

BGCNF takes the safety and security of the youth we serve very seriously. Our 21st CCLC program staff undergo a FDLE Level II screening and meet all the certification requirements and possess the necessary licenses as required by BGCNF, DCPS and 21st CCLC. BGCNF conducts random drug tests and background checks are conducted annually after hire. Staff undergoes screening as required by the Jessica Lunsford Act. BGCNF adheres to all district safety and hiring regulations.

Safety procedures/onsite: To enroll students at the 21st CCLC a parent or guardian must fill out a detailed membership form with contact medical, employment, demographic and socioeconomic information. Students sign themselves in and out each day, which provides the monthly attendance records, as needed. Adult-family members are encouraged to pick up their children

from the club each day. Should a parent or guardian not be available to pick their child up at the end of the day, we require that the parent sign a release form and provide an authorized list of individuals for pick-up with proof of identity. BGCNF has a detailed Parent Handbook which includes safe practices and expectations. Our Clubs and teams are compliant with CPR, First Aid, and ongoing in-house and other trainings. BGCNF's safety manual and guidelines addresses a myriad of other safety issues. BGCNF will collaborate with each Clay County School to determine transportation needs to serve the students in the after school and summer programs.

Collaboration and Sustainability

Collaboration

Our on-going school collaboration includes the sharing of student data, including report card grades, standardized test scores, attendance and behavior records. And, BGCNF hires certified teachers from each school to provide continuity with the school day including before school and afterschool programs. Throughout the school year, our project (unit) director, teachers and school administration meet to discuss student performance and identify areas to further engage in academic enrichment and to evaluate continued alignment with the school improvement plans.

Sustainability

One of the main purposes of this funding is to create an innovative program that is both high-quality and sustainable after the end of federal funding. We understand that the 21st CCLC grant is designed to front-load key programming expenditures to allow for successful continuation in those years federal funding is no longer available. BGCNF Board of Governors and our partners are deeply committed to the success of this program at each designated Clay County School. Fundraising at all levels include: Annual Capital Campaigns, Jacksonville event fundraisers, board donations, corporate outreach and grants. We proactively pursue any and all available sources of private and public financial support for our effort to sustain Boys & Girls Clubs within the Clay County School District.

7.8 In accordance with section 6.2, any survey, analysis, or evaluation provided to students as part of the analysis defined in Section 4 of this Agreement must be approved by the Point of Contact defined in section 5 prior to utilization.

8. DATA SECURITY

BGC agrees to protect and maintain PII with security measures that include maintaining secure environments that are properly patched and up to date with all appropriate security updates implemented on a reasonably timely basis as designated by a relevant authority, including but not limited to, Microsoft notifications. Likewise, BGC agrees to conform to the following measures to protect and secure PII:

8.1 Data Transmission, Storage, Backup, and Recovery. BGC agrees that any and all transmission or exchange of system application data with CCDS and/or any other parties shall take place via secure means, e.g. HTTPS, FTPS, SFTP, or equivalent. BGC agrees that any and all CCDS data will be stored, processed, and maintained solely on designated servers and that no CCDS data at any time will be processed on or transferred to any portable or laptop computing device or any portable storage medium, unless that storage medium is in use as part of BGC's designated backup and recovery processes. All servers, storage, backups, and network paths utilized in the delivery of service shall be contained within the states, districts, and territories of the United States, unless specifically agreed to in writing by a CCDS officer with designated data, security or signature authority. BGC agrees to store all CCDS backup data stored as part of its backup and recovery processes in encrypted form, using no less than 128 bit key.

8.2 Data Re-Use. BGC agrees that any and all PII disclosed under this Agreement shall be used expressly and solely for the purposes enumerated herein. PII shall not be distributed, repurposed, or shared across other applications, environments, or business units of BGC except as permitted in this Agreement. As required by Federal law, BGC agrees that no PII shall be revealed, transmitted, exchanged, or otherwise passed to other contractors or interested parties except as permitted by this Agreement, by the FERPA permitted disclosures set forth at 34 CFR §§ 99.31(a)(1), 99.31(a)(6), and 99.31(a)(12), or on a case-by-case basis as specifically agreed to in writing by a CCDS officer with designated data, security, or signature authority.

8.3 End of Agreement Data Handling. BGC agrees that, upon termination of this Agreement, it shall return all PII to CCDS in a useable electronic form, and erase, destroy, and render unreadable all PII stored on BGC computers, servers, information storage/retrieval devices and systems of any kind or nature whatsoever, in its entirety in a manner that prevents its physical reconstruction through the use of commonly available file restoration utilities, and certify in writing that these actions have been completed within thirty (30) days after the termination of this Agreement or within seven (7) days after the request of an agent of CCDS, whichever shall come first. Notwithstanding the foregoing, BGC shall be permitted to retain an archival copy of the PII solely for purposes of satisfying the data retention requirements of third-party publishers of reports

or other articles in connection with the analysis defined in Section 4 of this Agreement, or as may be required by law.

8.4 Data Breach. BGC agrees to comply with Florida Statutes §501.171 and all applicable laws that require the notification of individuals in the event of unauthorized release of PII or other event requiring notification by law. In the event of a material breach of any of BGC's security obligations under this Agreement or other event requiring notification under applicable law ("Notification Event"). BGC agrees to notify CCDS promptly and to provide reasonable assistance to CCDS to inform individuals if required by applicable law, and to indemnify, hold harmless, and defend CCDS and its trustees, officers, and employees from and against any claims, damages, or other harm related to such Notification Event.

8.5 Mandatory Disclosure of PII. If BGC becomes compelled by law or regulation (including securities laws), or subpoena, court order, or other administrative directive to disclose any PII related to CCDS students, BGC will provide CCDS with prompt written notice, to the extent permitted by law, so that CCDS may seek an appropriate protective order or other remedy. If a remedy acceptable to CCDS is not obtained by the date that BGC must comply with the request, BGC will furnish only that portion of the PII that it is legally required to furnish, and BGC shall require any recipient of the PII to exercise commercially reasonable efforts to keep the PII confidential, to the extent permitted by law.

8.6 Remedies for Disclosure of Confidential Information. The Parties acknowledge that unauthorized disclosure or use of PII or other confidential education records may irreparably damage CCDS in such a way that adequate compensation could not be obtained from damages in an action at law. Accordingly, the actual or threatened unauthorized disclosure or use of any PII or education records shall give CCDS the right to seek injunctive relief restraining such unauthorized disclosure or use, in addition to any other remedy otherwise available (including reasonable attorneys' fees). BGC hereby waives the posting of a bond with respect to any action for injunctive relief. BGC further grants CCDS the right, but not the obligation, to enforce these provisions in BGC's name against any of BGC's employees, officers, board members, owners, representatives, agents, contractors, and subcontractors violating the above provisions.

9. GOVERNING LAW AND REMEDIES

9.1 This Agreement shall be governed by the laws of the State of Florida. Any and all legal action arising out of the Agreement will have its venue in the courts of the State of Florida located in Clay County and the Agreement will be interpreted according to the laws of Florida and/or federal law where appropriate. No remedy herein conferred upon any Party is intended to be exclusive of any other remedy, and each and every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any Party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

9.2 If any legal action or other proceeding is brought for the enforcement of this Agreement, or because of a dispute, breach, default, or misrepresentation in connection with any provision of this Agreement, the successful or prevailing Party or Parties shall be entitled to

recover court costs, and expenses recognized as taxable court costs pursuant to Florida Statutes and/or The Florida Rules of Civil Procedure (including fees, costs, and expenses incident to appeals) incurred in that action or proceeding, in addition to any other relief to which such Party or Parties may be entitled.

10. INDEPENDENT CONTRACTOR RELATIONSHIP

10.1 BGC is, and shall be, in the performance of all activities under this Agreement, an independent contractor, and not an employee, agent, or servant of CCDS. All persons engaged in the analysis pursuant to Section 4 of this Agreement shall at all times, and in all places, be subject to BGC's sole direction, supervision, and control. BGC shall exercise control over the means and manner in which it and its employees perform pursuant to this Agreement, and in all respects BGC's relationship and the relationship of its employees to CCDS shall be that of an independent contractor and not as employees or agents of CCDS. BGC does not have the power or authority to bind CCDS in any promise, agreement, or representation.

10.2 Nothing contained herein, other than the limited "agency" language in subsection 4.2 of this Agreement, shall be deemed to create an association, partnership, joint venture, or relationship of principal and agent or master and servant among the Parties or any affiliate thereof, or to provide any Party hereto with the right, power, or authority whether expressed or implied, to create any such duty or obligation on behalf of any other Party.

11. INSURANCE

At its sole expense, during the term of this Agreement BGC shall maintain General and Professional Liability insurance for any and all claims as a result of an action, lack of action, error, or omission by BGC, its employees, agents, or subcontractors in an amount not less than One Million Dollars (\$1,000,000) per claim. If such policy is written on a "claims-made" basis, coverage shall remain in effect for three (3) years after the expiration or termination of this Agreement and any of its extensions.

12. INDEMNIFICATION

12.1 Each party covenants and agrees at all times to save, hold, and keep harmless each other party against any and all claims, demands, penalties, judgments, court costs, reasonable attorney's fees, and liability of every kind and nature whatsoever to the extent permitted by law arising out of or in any way connected or arising out of a party's performance of this Agreement. However, this indemnification subsection shall not operate to release any party from liability for their own negligence or the negligence of their officers, agents or employees or the duty to indemnify another party from said negligence.

12.2 Nothing in this Agreement shall be construed or interpreted to increase the scope or dollar limit of the CCDS's liability beyond that which is set forth in section 768.28, Florida Statutes. Nor shall any such language be construed or interpreted to waive the CCDS's sovereign immunity from suit, or to require the CCDS to indemnify BGC or any other person, corporation or legal entity of any kind or nature whatsoever for injury or loss resulting from any acts or

omissions other than those which arise from the actionable negligence of the CCSS or its employees. The Board expressly reserves all other protections and privileges related to its sovereign immunity.

13. SUCCESSORS AND ASSIGNS

Neither CCDS nor BGC shall assign, sublet, convey, or transfer its interest in this Agreement. Nothing herein shall be construed as creating any rights or benefits hereunder to anyone other than CCDS and BGC.

14. NON-EXCLUSIVE AGREEMENT

The Parties understand and agree this Agreement is a non-exclusive agreement and the Parties hereto may participate in other comparable services to and from any other person or entity.

15. SEVERABILITY

If any term or provision of this Agreement, or the application thereof to any person or circumstances shall, to any extent, be held invalid or unenforceable, such term or provision shall be stricken and deemed unenforceable and every other term and provision of this Agreement shall be deemed valid and enforceable to the extent permitted by law.

16. ENTIRETY OF AGREEMENT

CCDS and BGC agree that this Agreement, and any documents made a part thereof, set forth the entire agreement between the Parties and that there are no promises or understandings other than those stated herein. None of the provisions, terms, and conditions contained in this Agreement may be added to, modified, superseded, or otherwise altered, except by written instrument executed by the Parties hereto.

17. NON-WAIVER

The failure of either Party to exercise or delay in exercising any right, power, or privilege provided for hereunder shall not be deemed a waiver thereof; nor shall any single or partial exercise of any such right, power, or privilege preclude any other, or further exercise thereof, or the exercise of any other right, power, or privilege under this Agreement. No Party shall be deemed to have waived a right, power, or privilege provided for herein, unless such waiver is in writing and signed by the waiving Party.

18. FORCE MAJEURE

Nonperformance of either Party shall be excused to the extent that performance is rendered impossible by strike, fire, flood, pandemic, Acts of God, governmental acts or orders or restrictions, failure of suppliers, or any other reason where failure to perform is beyond the reasonable control of the non-performing party.

19. CONSTRUCTION OF AGREEMENT

Each Party has participated in negotiating and drafting this Agreement, so if an ambiguity or a question of intent or interpretation arises, this Agreement is to be construed as if the Parties had drafted it jointly, as opposed to being construed against a Party because it was responsible for drafting one or more provisions of this Agreement.

20. TERM, TERMINATION AND EXTENSION OF AGREEMENT

This Agreement shall be for a term of two (2) years, commencing on the date on which the last signature is affixed. Upon written agreement of the parties, executed at least thirty (30) days prior to expiration, the Agreement may be extended three times for periods of one (1) year each. The maximum term of this Agreement shall be five (5) years, including the original term and the one year extensions, after which the Agreement must be reviewed for currency and re-executed. Either party may terminate this Agreement immediately for cause in the event that the other party acts in violation of any state or federal law, regulation or rule, including but not limited to FERPA, or willfully or negligently abuses the confidentiality restrictions of this Agreement or is in material violation of any term of this Agreement. Either party shall have the absolute right to terminate this agreement with or without cause with sixty (60) days' prior written notice to the other party. However, any unilateral termination of this Agreement by a party shall be effective only at the end of the specific academic period during which the written notice was given if the notice is given more than sixty (60) days from the end of the academic period

This CONTRACTOR Services Agreement (“Agreement”) is made as of the effective date set forth below, by and between the SCHOOL BOARD OF CLAY COUNTY, Florida (hereinafter referred to as “SBCC”), a body corporate pursuant to s. 1001.40, Florida Statute, whose principal place of business is 900 Walnut Street, Green Cove Springs, Florida 32043 and Boys & Girls Clubs of Northeast Florida (BGCNF) (hereinafter referred to as “CONTRACTOR”), whose principal place of business is Physical Address: 10 South Newnan Stree, 2nd Floor, Jacksonville, FL 32202
Mailing Address: P.O. Box #2059, Jacksonville, FL 32203.2059

WHEREAS, the SBCC is engaged in the activity of providing educational opportunities to children; and

WHEREAS, CONTRACTOR has experience, skill, and expertise in delivering the services and/or products described in this Agreement; and

WHEREAS, the SBCC is interested in procuring the services and/or products of CONTRACTOR, as best fits the needs of the school district as determined by the SBCC; and

WHEREAS, CONTRACTOR desires to provide afterschool services to the Schools listed in Attachment A-1.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

1. The Company, Vendor, Agency, or Consultant, of Contract for Goods and Services, hereafter collectively and individually referred to as the “CONTRACTOR”.
2. CONTRACTOR represents that it is an independent contractor and that it requires that the SBCC treat it as such. CONTRACTOR agrees:
 - a. That it has no rights to any benefits extended by the SBCC to its employees [including without limitation, sick leave, vacation time, insurance coverage, etc.];
 - b. That it will not take a position contrary to their status as an independent contractor, and agrees to accept the responsibilities placed on independent contractors by federal and state law [accordingly, the SBCC will not make the deductions or contributions that an employer may be required to make with respect to its employees, and the undersigned will be responsible for all federal and state tax and fund obligations, including without limitation, income tax, Social Security, unemployment compensation, etc.];
 - c. CONTRACTOR agrees, as an independent contractor and not an employee of the SBCC, it is responsible for providing their own Worker’s Compensation Insurance and social security/self-employment contributions.
3. CONTRACTOR acknowledges and accepts responsibility for all risks of injury and loss associated with the performance of this Agreement. In addition to any other statutory or common law obligation to indemnify and defend the SBCC, CONTRACTOR shall indemnify, defend, and hold harmless the SBCC, its officers, and employees from any claim, loss, damage, penalty, or liability arising from the negligent acts, omissions, misfeasance, malfeasance, or intentionally wrongful conduct of CONTRACTOR, its employees, or agents relating to the performance of duties imposed upon CONTRACTOR by this Agreement. Such indemnity shall not be limited by benefits payable by or for CONTRACTOR under worker’s compensation, disability, or any other employee benefits or insurance programs or policies. Contractor shall timely provide to the SBCC written notice of any claim, complaint, or demand asserted against CONTRACTOR related to the performance of this Agreement. CONTRACTOR’s obligations under this section shall survive the termination of this Agreement.
4. CONTRACTOR agrees to be bound by, and at its own expense comply with, all federal, state, and local laws, ordinances, and regulations applicable to the services. CONTRACTOR shall review and comply with the confidentiality requirements of federal and state law and the SBCC policy regarding access to and use of records.

5. Reservation of Sovereign Immunity: No provision or language in the underlying contract shall be construed or interpreted to increase the scope or dollar limit of the SBCC's liability beyond that which is set forth in Section 768.28 of the Florida Statutes. Nor shall any such language be construed or interpreted to waive the SBCC's sovereign immunity from suit, or to require the SBCC to indemnify CONTRACTOR or any other person, corporation or legal entity of any kind or nature whatsoever for injury or loss resulting from any acts or omissions other than those which arise from the actionable negligence of the SBCC. The SBCC expressly reserves all other protections and privileges related to its sovereign immunity.
6. CONTRACTOR will perform the services in a thorough, efficient, and professional manner, promptly and with due diligence and care, and in accordance with the best practices of the profession, utilizing qualified and suitable personnel, equipment and materials. CONTRACTOR warrants and represents to the SBCC that it possesses the expertise, capability, equipment and personnel to properly perform the services and that it is properly and legally licensed to perform the services. CONTRACTOR acknowledges that the SBCC is relying on the warranties and representations made by CONTRACTOR.
7. Method of Payment: Services and/or Products satisfactorily received shall be compensated in accordance with Attachment A and the following terms:
 - a. Procurement is performed in accordance with applicable law, State Board of Education Rules, Clay County School Board Policy and other applicable rules and regulations which govern. CONTRACTOR shall be paid in accordance with the Local Government Prompt Payment Act (218.70, et seq., Florida Statutes) upon submission of detailed invoices to the appropriate location listed on the District Purchase Order and/or the School Internal Account Purchase Order, and only after delivery and acceptance of the services and/or products provided.
 - b. Services and/or Products, as authorized by and listed in Attachment A, shall be compensated by Hour Rate (cost per hour) / Fixed Fee (*includes direct and indirect costs*) / Flat Rate (*cost for scope of work*) / etc.
 - c. Direct reimbursement for travel expenses, as authorized by and listed in Attachment A, shall be made in accordance with the requirements and rates found at F.S. 112.061 and any applicable SBCC policies.
 - d. Incurrence of other direct expenses, if any, must be pre-approved in writing by the SBCC.
 - e. Unless otherwise required by law, the SBCC's payment obligations (if any) arising from the underlying Agreement are contingent upon an annual appropriation by the School Board and the availability of funds to pay for the contracted services and/or products provided. If such funds are not appropriated for the underlying Agreement and results in its termination, such conditions/events shall not constitute a default by the SBCC.
8. The SBCC and CONTRACTOR have mutual rights to terminate this Agreement with or without cause and without penalty or further payment, at any time upon thirty (30) days written notice to the other party. However, if it is determined by the SBCC that the work is not being performed as agreed herein, CONTRACTOR shall be deemed to be in default, and the SBCC reserves the right to cancel this Agreement immediately.
9. Force Majeure: Neither party to this Agreement shall be liable for delays or failures in performance under this Agreement (other than obligations relating to payment, confidentiality, and protection of ownership and intellectual property rights) resulting from acts or events beyond the reasonable control of such party (a "Force Majeure Event"), including acts of war, terrorism, acts of God, earthquake, flood, embargo, riot, sabotage, labor dispute, wide spread outbreak of disease or pandemic, governmental act, failure of the internet, power failure, or energy, utility, or telecommunications interruptions, provided that the delayed party: (i) gives the other party prompt notice of such cause; and (ii) uses its reasonable commercial efforts to promptly correct such failure or delay in performance. In the event that a Force Majeure Event lasts for more than 90 days, and the party experiencing the initial delay cannot correct its failure or delay in performance during that period of time, despite using its reasonable commercial efforts to do so, the other party may terminate the affected portions of this Agreement.
10. This Agreement shall not be modified or amended except in writing, duly agreed to and executed by the parties.
11. CONTRACTOR shall not assign this Agreement in whole or in part, without the express written consent of the SBCC Purchasing Department.
12. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida and venue shall be in Clay County, Florida.
13. No other representations or promises shall be binding on the parties hereto except those representations or promises contained herein.

14. In the event that any part, term, or provision of this Agreement is, in a court of competent jurisdiction, found to be illegal or unenforceable, the validity of the remaining portions and provisions will not be affected, and the rights and obligations of the parties shall be construed and enforced as if this Agreement did not contain the particular part, term, or provision held to be so invalid.
15. Should any litigation be commenced in connection with this Agreement, the prevailing party shall be entitled to reasonable attorney fees and court costs.
16. The parties hereto represent that they have reviewed this Agreement and have sought legal advice concerning the legal significance and ramifications of this Agreement.
17. CONTRACTOR shall retain records associated with the services and/or products provided herein for a period of three years following final payment. CONTRACTOR shall, with reasonable notice, provide the SBCC access to these records during the above retention period.
18. Jessica Lunsford Act: SBCC is required to conduct background screening of CONTRACTOR (including its employees, agents, and sub-contractors) (go to Clay County District Schools website for fingerprinting procedures). CONTRACTOR represents and warrants to the SBCC that CONTRACTOR is familiar with Sections 1012.32, 1012.321, 1012.465, 1012.467, and 1012.468 of the Florida Statutes regarding background investigations. CONTRACTOR covenants to comply with all requirements of the above-cited statutes at CONTRACTOR's sole expense and shall provide the SBCC proof of such compliance upon request.

Certification: By executing this Agreement, CONTRACTOR swears and affirms under penalty of perjury that all of its employees, agents, and subcontractors will comply with these procedures, the requirements of the Jessica Lunsford Act, SBCC's finger printing procedures, and the laws of the State of Florida. Failure to comply with these procedures, the Act, SBCC's finger printing procedures, and the law of the State of Florida shall constitute a material breach of the Agreement, and SBCC may avail itself of all remedies pursuant to law. CONTRACTOR agrees to indemnify and hold harmless SBCC, its officers, employees, and agents, from and against any and all claims or causes of action, including without limitation those for personal injury, death, property damages, and attorney fees, arising out of or relating to CONTRACTOR's failure to comply with any of the above.

19. E-Verify: CONTRACTOR named herein, and its subcontractors, are required to register with and use the U.S. Department of Homeland Security's (DHS) E-Verify system to verify the work authorization status of all newly hired employees. By executing this Agreement, the CONTRACTOR certifies that it, and any sub-contractors with which it contracts, are registered with, and use, the E-Verify system for all newly hired employees, and acknowledges that it must obtain an affidavit from its subcontractors in accordance with Section 448.095(2)(b) Fla. Stat. that the subcontractor does not employ, contract with or subcontract with any unauthorized alien. The CONTRACTOR must maintain a copy of such affidavit for the duration of the Agreement. This section serves as notice to the CONTRACTOR that, pursuant to the terms of Section 448.095(2)(c) 1 and 2, Florida Statutes, the SBCC shall terminate this Agreement if it has a good faith belief that the CONTRACTOR has knowingly violated Section 448.09(1), F.S.. If the SBCC has a good faith belief that the subcontractor, without the knowledge of the CONTRACTOR, has knowingly violated Section 448.09(1) or 448.095(2), F.S., the SBCC shall notify the CONTRACTOR and order the CONTRACTOR to immediately terminate the contract with the subcontractor. If the SBCC terminates an Agreement with a CONTRACTOR pursuant to sec. 448.095(2)(c), F.S., the CONTRACTOR will not be awarded a public contract for at least one year after the date of such termination.
20. The CONTRACTOR certifies that CONTRACTOR is in compliance with the requirements of law regarding equal employment opportunity for all persons without regard to age, race, color, religion, sex, national origin, or disability and is not on the Discriminatory Vendor List pursuant to Florida Statute 287.134.
21. CONTRACTOR shall, at CONTRACTOR's sole expense, procure and maintain during the term of this Agreement, at least the following minimum insurance coverage, which shall not limit the liability of CONTRACTOR:

<u>General Liability Policy:</u>	<u>Auto Liability Policy:</u>	<u>Worker's Compensation Policy:</u>
\$1,000,000.00 per occurrence	\$1,000,000.00 combined single limit	\$100,000
\$2,000,000.00 aggregate	\$5,000,000.00 (if charter or common carrier)	<i>*Exempt, need signed WCAF</i>

**If the CONTRACTOR is exempt from Worker's Compensation insurance obligations, the CONTRACTOR must sign the Worker's Compensation Acknowledgment Form (WCAF) attached hereto as Exhibit # 1.*

All policies of insurance shall be rated "A-" or better by the most recently published A.M. Best Rating Guide and shall be subject to the SBCC approval as to form and issuing company. The SBCC shall be named as certificate holder and as an *additional insured* in the comprehensive general (including property damage) liability policy within five (5) days after execution of this Agreement. CONTRACTOR shall furnish the SBCC's Representative copies of insurance certificates evidencing that it maintains at least the insurance coverage required hereunder, and which contain the following or equivalent clause: *"Before any reduction, cancellation, modification or expiration of the insurance policy, thirty (30) days prior written notice thereof shall be given to the SBCC."* CONTRACTOR is NOT authorized to proceed with the services until all the insurance certificates have been received and accepted.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the SBCC, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of CONTRACTOR's obligation to fulfill the insurance requirements herein.

22. CONTRACTOR shall not solicit or accept brokerage or any other fees or remuneration from any provider of the SBCC insurance program.
23. CONTRACTOR recognizes and acknowledges that by virtue of entering into this Agreement and providing services hereunder, CONTRACTOR, its agents, employees, officers, and subcontractors may have access to certain confidential information and processes, including confidential student information, personal health information, financial records, and access to the SBCC networks (hereinafter "Confidential Information"). CONTRACTOR agrees that neither it nor any CONTRACTOR agent, employee officer, or subcontractor will at any time, either during or subsequent to the term of this Agreement, disclose to any third party, except where permitted or required by law or where such disclosure is expressly approved by the SBCC in writing, any Confidential Information. In addition, following expiration of said Agreement, CONTRACTOR, its agents, employees, officers, and subcontractors shall either destroy or return to the SBCC all Confidential Information. With 72-hours written notification, the SBCC reserves the right to determine whether or not Confidential Information has been destroyed and such confirmation may include inspecting the CONTRACTOR's facilities and equipment. CONTRACTOR understands and agrees that it is subject to all federal and state laws and SBCC rules relating to the confidentiality of student information. Contractor further agrees to comply with the Family Educational Rights and Privacy Act ("FERPA") 34 C.F.R. § 99. Contractor shall regard all student information as confidential and will not disclose personally-identifiable student records or information to any third party without appropriate legal authorization. Access to SBCC data or networks shall require a SBCC Data-Sharing and Usage Agreement and shall only be authorized by the SBCC IT Department.
24. CONTRACTOR is required to comply with the Florida Public Records Law, Chapter 119, Florida Statutes, in the performance of CONTRACTOR's duties under this Agreement, and will specifically:
 - a. Keep, maintain, and produce upon request and within a reasonable period of time all data created or collected in the performance of its duties under this Agreement ("Agreement Data") which come within the definition of a "public record" under Chapter 119.
 - b. Provide to the SBCC, upon its request and free of charge, a copy of each record which CONTRACTOR seeks to produce in response to a public records request.
 - c. Ensure all Agreement Data considered exempt under Chapter 119 are not disclosed except as authorized by law.
 - d. All purchases involving the expenditure of federal funds must be compliant with the Education Department General Administrative Regulations ("EDGAR"). The following certifications and provisions are required and apply when the School Board of Clay County, Florida ("SBCC" "School Board") expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the District shall contain the procurement provisions of Appendix II to Part 200, as applicable.

REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS APPENDIX II to C.F.R. PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when School Board expends federal funds, School Board reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

Pursuant to Federal Rule (B) above, for all contracts involving Federal funds in excess of \$10,000, School Board reserves the right to terminate the contract (i) for convenience, and/or (ii) for cause by issuing a certified notice to the vendor.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when School Board expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when School Board expends federal funds during the term of an award for all contracts and subgrants for construction or repair, Vendor will be in compliance with all applicable Davis-Bacon Act provisions.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29

The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when federal funds are expended by School Board, Vendor certifies that Vendor will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award resulting from this procurement process.

Boys & Girls Clubs of Northeast Florida Proposed Schools & Scope of Work

Clay County School District

Proposed Scope of Work

Boys & Girls Clubs of Northeast Florida (BGCNF) will offer Project STEAM+L (Science Technology Engineering Arts and Math plus Literacy) at designated Clay County School District in Florida in collaboration with the Florida Department of Education's 21st Century Community Learning Centers grant programming. Designed to complement and enrich school day instruction, the 21st Century program serves students at the seven (7) designated schools listed in Attachment A-1, pg. 16 (**FINAL LIST**), afterschool for 2-3 hours as determined by a Memorandum of Understanding ("MOU") with the Clay County School District, the School District Director of K-12 and the individual school principals, as referred to on page 22 of 23 under the subheading of Facilities.

Our Club and services are fully open to all children in each designated school. BGCNF offers programming to serve adult-family members of all students served. Elementary, Middle and High Schools receive academic support, meals and snacks and personal enrichment activities weekly. Student Ratios: Academic / Certified Teachers minimum of 15:1 and Enrichment / Non-Academic minimum of 25:1.

Community Notice

Boys & Girls Clubs of Northeast Florida will post a Public Notice in our "What We Do – 21st CCLC" section of our website by mid-April to provide information about our intent to apply for this grant <http://www.bgcnf.org/21stcentury/>. A notice will also be posted at the administrative office.

Needs Assessments

BGCNF will work with each school to collect Parent/Student and Teacher survey data. Survey links and hard copies will be given to each principal and their teams to ensure that a minimum of 20% of the total of each group are surveyed. Surveys will be collected and analyzed. BGCNF's operations team members will make recommendations from the data and write programming into each grant.

Closing the Gaps: The programs are designed to address the identified needs: (1) academic remediation/homework help to address student progress; (2) integrated reading and writing activities (literacy) to support ELA academic achievement; (3) STEAM to address science and math deficiencies with a blend of visual arts and photography ("A" in STEAM); (4) physical exercise and education to create healthier students; and (5) adult-family member services.

Community Partners: Boys & Girls Clubs will work with community partners and stakeholders representing each school to provide support necessary to maintain and sustain programming.

Target Population, Recruitment and Retention

Target Population

As part of the 2022-23 21st CCLC grant proposal, BGCNF will serve students who meet the priorities for the 21st CCLC program. Specifically, our project (unit) director will work with school administration to target students who have received less than satisfactory scores on their end of year exams during the past school year and those who are currently receiving less than a “c” grade and/or those who are in the lowest 25th percentile within enrollment.

Research shows that students begin to disengage with formal education as early as the fourth and fifth grades. Students who are disengaged from school are no longer motivated to succeed in school – it is no longer what they see as meaningful or important. Unfortunately, disaffected and disengaged students also influence their peers to disengage – and generally engage with negative activities. Such students are likely to be retained; to fail to earn enough credits; to perform poorly on state assessments; and to fail to graduate on time (America’s Promise Alliance, 2017). We have structured our grant and program to service Clay County School District students with Science, Technology, Engineering, Arts, Math and Literacy programming so that we can reach this core group as identified in the needs assessment so that they can not only prosper, but also extend the power of the grant by becoming a positive influence for their peers.

Boys & Girls Clubs of Northeast Florida staff strive to secure an environment to serve children with special needs including those who might be homeless, English language learners, physical, psychological, sensory or learning disabilities, and/or those with attention behavior concerns. BGCNF and our staff work with every individual student so that they are not excluded from the program and are safely accommodated.

Recruitment and Retention

The recruitment and retention of the most at-risk students and those most in need of 21st CCLC services is conducted through established relationships each individual Clay County School as identified in this response. The primary strategies to be used to recruit and retain targeted students for enrollment and to achieve consistent, long-term participation in the 21st CCLC program are achieved by involving students, parents and school principals and teachers from the very beginning, including through the development of this application. The recruitment strategy

Clay County School District

has the additional benefit of strengthening our ongoing relationship with the school day, meeting the needs not only of students but of teachers and the schools.

Recruitment

- Reach out to adult-family members of students served at designated Clay County Schools. Follow up with all who provided phone numbers on the needs assessment and ask them to tell their friends and family members about the Club and programs.
- Have staff recruit potential students directly through events, relationships and unique entry points to reach students in the schools.
- Encourage current students to recruit their fellow student friends.
- Create recruitment activities designed to target potential students that align with each school's programming.
- Ask teachers and the principal to give referrals for the program.
- Secure a list of school events and have BGCNF Club staff members attend.

Retention

Particularly with secondary students, we acknowledge that 21st CCLC activities must be extremely compelling to not only attract but retain such students. Students have many options and our intent – and a strong suit of BGCNF – is to incite students to continue to choose our programs. We:

- Poll students to secure feedback and preferences for enrichment.
- Create excitement around the STEAM+L programming to engage students.
- Communicate with parents to follow-up student absences of more than two days in the 21st CCLC program, including helping parents to solve attendance barriers.
- Routinely share information about the 21st CCLC programs to parents as they pick up their children and integrate information to keep their children engaged as part of our adult-family member program activities.
- The Club Project (Unit) Director and assigned teachers regularly collaborate with the schools to be certain that academic learning objectives and materials are shared.
- Work directly with school administration in time of need to retain a student.
- Staff ensure that support is given to students with different learning styles.

Program Evaluation

ATTACHMENT A-1

Boys & Girls Clubs of Northeast Florida Proposed Schools & Scope of Work

Clay County School District

Evaluation is a critical component of Project STEAM+L programming. Boys & Girls Clubs of Northeast Florida (BGCNF) values the opportunity to learn from an objective perspective and is committed to making mid-course corrections where data show that the program is not performing optimally for students or for their families. BGCNF finance, operations and development/grants administration staff meet weekly to discuss process improvements based on data. Our team understands the important role of evaluating our 21st CCLC programs and we are prepared to make adjustments based on data outcomes.

Approved Program Activities

Project Celebration STEAM+L engages students in the Science, Technology, Engineering, Arts (Visual & Photography), Math and Literacy areas. STEM and STEAM have become popular vehicles for youth activities. We view them as the organizing framework for a variety of activities to challenge, captivate, and motivate students. We have added literacy to specifically acknowledge that literacy is the building block for students' current and future success. Without

Boys & Girls Clubs Experience and Capacity

BGCNF staff has experience with managing federal grants with FDOE 21st CCLC, HUD – Community Development Block Grants, USDA food and FDOH grants and numerous other city and foundation grants.

Upon receipt of monitoring and audit activities, BGCNF finance, operations and grants administration staff collaborate weekly through meetings and discussions to effectively evaluate, monitor and adjust programs, train staff, and make necessary improvements. BGCNF effectively manages six (6) 21st CCLC Grants and 32 Kids Hope Alliance Grants serving over 5,000 students daily and nearly 10,000 annually. At least 10 staff members have engaged in 21st CCLC training and development activities. We are prepared and excited about this opportunity to serve more students in our afterschool programs.

Surveys, questionnaires, among other informative data-based assessment tools are issued to the program participants. Staff reviews the data and makes adjustment to programming as needed to enhance student outcomes. Our on-going relationship with the school administration to review the goals of the school improvement plans monthly is critically important to implementing program changes to drive student grade improvements.

Organizational background: Boys & Girls Clubs of Northeast Florida (BGCNF) is a member of Boys & Girls Clubs of America – the United States' most effective youth development organization. BGCA has been ranked as the top national, youth serving organization, according to the Chronicle of Philanthropy's Top 400 list of philanthropies for the past 18 years. BGCNF works to help young people of all backgrounds develop the qualities they need to gain skills, experience positive peer influence and improve their academic success. For over 55 years, BGCNF has provided quality afterschool programming to our community's disadvantaged youth. BGCNF has demonstrated its capacity to operate afterschool services since the Laurence F. Lee Boys & Girls Club opened in May 1966. The agency currently operates 35 Clubs in Duval County; one (1) Club in St. Johns County, and two (2) Clubs in Alachua County - each strategically placed to serve over nearly 10,000 at-risk youth every year. To accomplish its mission in the community, BGCNF utilizes 400+ employees, 200 volunteers, a Board of Governors and an annual revenue of \$14+ million. BGCNF has successfully applied for, received and administered many federal, state and city grant awards each year for over fifteen years.

BGCNF is financially managed by a Board of Governors and administered by the President and the Vice President of Operations and Vice President of Programming. The agency is fiscally sound and has received single audits with no significant findings for the past several years.

Staffing & Professional Development

Staffing - The administrative staff at our Boys & Girls Clubs are trained and extremely experienced in leading, managing and delivering programs serving youth. Our Directors of Grant Administration – Programming oversees the sites and trains staff to run and fully execute all 21st CCLC program requirements. Our Program (Unit) Director (PD) is responsible for managing and implementing the educational program and budget described in the approved application to ensure that the agency meets its responsibilities to the FDOE under the grant agreement in a timely manner, including monitoring of programs goals, objectives, and activities. The PD provides leadership and planning necessary to provide high quality 21st CCLC programming for students and families for 21st CCLC. The PD ensures communication between the 21st CCLC sites, teachers, principals, community partners, advisory committee and support staff; and facilitate all staff trainings. In addition, our Clubs employ certified teachers who collaborate and complement academic learning with their schools; Youth Development Specialists who oversee all project-based learning activities; a family program coordinator; and a program specialist who

oversees data collection and programming. All team members receive training to meet the objectives of the RFP

Professional Development - All 21st CCCL teachers, program instructors, and other 21st CCLC staff are trained on elements of the grant including the funding priorities and provisions of academic, project-based and experiential learning methods and activities in culturally appropriate ways. Staff gain a sound understanding of the program design, need, and effective teaching methodology of the 21st CCLC program, and the measurable objectives and activities to be offered to our students and their adult-family members to ensure that the offerings address community needs. Weekly staff meetings are held that include a training element. Monthly agency-wide training programs occur to keep staff aligned with the goals and objectives of the grant and to enhance student experiences and outcomes via our programs.

Facilities – Clay County School District

Boys & Girls Clubs of Northeast Florida will work with each school to determine the space required to appropriately run the 21st CCLC programs to include, but not limited to: Classrooms, Activity Rooms, Gyms, Outdoor recreational areas, and/or Multipurpose Rooms. The list of on-site facilities to be utilized by the Contractor will be discussed and agreed upon in writing via a Memorandum of Understanding (“MOU”) with the Clay County School District, the School District Director of K-12 and the individual school principals. The above referenced MOU must be submitted to purchasing and the office of the School Board Attorney for contract review.

Safety and Student Transportation

BGCNF takes the safety and security of the youth we serve very seriously. Our 21st CCLC program staff undergo a FDLE Level II screening and meet all the certification requirements and possess the necessary licenses as required by BGCNF, DCPS and 21st CCLC. BGCNF conducts random drug tests and background checks are conducted annually after hire. Staff undergoes screening as required by the Jessica Lunsford Act. BGCNF adheres to all district safety and hiring regulations.

Safety procedures/onsite: To enroll students at the 21st CCLC a parent or guardian must fill out a detailed membership form with contact medical, employment, demographic and socioeconomic information. Students sign themselves in and out each day, which provides the monthly attendance records, as needed. Adult-family members are encouraged to pick up their children

from the club each day. Should a parent or guardian not be available to pick their child up at the end of the day, we require that the parent sign a release form and provide an authorized list of individuals for pick-up with proof of identity. BGCNF has a detailed Parent Handbook which includes safe practices and expectations. Our Clubs and teams are compliant with CPR, First Aid, and ongoing in-house and other trainings. BGCNF's safety manual and guidelines addresses a myriad of other safety issues. BGCNF will collaborate with each Clay County School to determine transportation needs to serve the students in the after school and summer programs.

Collaboration and Sustainability

Collaboration

Our on-going school collaboration includes the sharing of student data, including report card grades, standardized test scores, attendance and behavior records. And, BGCNF hires certified teachers from each school to provide continuity with the school day including before school and afterschool programs. Throughout the school year, our project (unit) director, teachers and school administration meet to discuss student performance and identify areas to further engage in academic enrichment and to evaluate continued alignment with the school improvement plans.

Sustainability

One of the main purposes of this funding is to create an innovative program that is both high-quality and sustainable after the end of federal funding. We understand that the 21st CCLC grant is designed to front-load key programming expenditures to allow for successful continuation in those years federal funding is no longer available. BGCNF Board of Governors and our partners are deeply committed to the success of this program at each designated Clay County School. Fundraising at all levels include: Annual Capital Campaigns, Jacksonville event fundraisers, board donations, corporate outreach and grants. We proactively pursue any and all available sources of private and public financial support for our effort to sustain Boys & Girls Clubs within the Clay County School District.
