Title

C3 - 2024-2025 Dual Enrollment Articulation Agreement Between School Board of Clay County and Florida State College of Jacksonville

Description

A collaborative agreement between the Florida State College at Jacksonville and SBCC for Dual Enrollment purposes. The 2024-25 agreement allows for the continuation of a longstanding relationship between the two organizations. This agreement allows Clay County students to enroll in college courses on the campuses of FSCJ. Currently, there are no courses taught on a Clay County campus site. The agreement outlines policies pertaining to Dual Enrollment and the roles and responsibilities of each entity.

Gap Analysis

This agreement allows students to continue college-level courses while enrolled in high school.

Previous Outcomes

Clay County has had a positive working relationship with FSCJ and the agreement benefits the students of the District by allowing them to earn both college credits and high school credits. Although the number of students who attend FSCJ during the year is extremely low, with the growth of certain areas of the District, this may increase in the coming years. This allows the continuation of students to accelerate their postsecondary work and to save parents/families money.

Expected Outcomes

Clay County students continue to take advantage of the Dual Enrollment program and earn college level credits. As certain areas grow, the number associated with this organization may increase.

Strategic Plan Goal

Goal 1: Engage all students to attain the necessary skills and knowledge to be future-ready graduates.

Strategy 1.3: Graduate students who are ready to enroll, enlist, or be employed in the workforce.

Recommendation

That the Clay County School Board approve the 2024-2025 Dual Enrollment Articulation Agreement Between SBCC and FSCJ

Exhibit A. Dual Enrollment Acceleration Programs: Overview and Requirements

I. Dual Enrollment: Traditional, Career, Early Admission, Early College, Collegiate Career High School

A. Program Definitions

The dual enrollment program is the enrollment of an eligible secondary student or home education student pursuant to s.1007.271(2) in a postsecondary course creditable toward high school completion and a career certificate or an associate or baccalaureate degree. A student who is enrolled in postsecondary instruction that is not creditable toward a high school diploma may not be classified as a dual enrollment student. (s.1007.271 F.S.)

Traditional dual enrollment refers to coursework offered for dual enrollment that meets both high school graduation requirements and requirements for the Associate of Arts taken by eligible students enrolled on a part-time basis.

Career dual enrollment refers to coursework in college credit career programs and non-credit workforce certificates based upon state-approved frameworks that lead to industry certifications.

Early Admission is a form of dual enrollment in which eligible senior level high school students are permitted to enroll on the college campus on a full-time basis in fall and spring terms of the senior year, earning both college and high school graduation credit.

B. Process for Informing Students and Parents about Opportunities for Student Participation in Dual Enrollment

SBCC will inform students and parents about opportunities for participation in Traditional Dual Enrollment, Career Dual Enrollment, and Early Admission through presentations at middle and high school sites, on SBCC website, and SBCC-wide events for high school choice and acceleration mechanisms.

FSCJ will inform students about opportunities for participation in Traditional Dual Enrollment, Career Dual Enrollment, and Early Admission through the FSCJ Dual Enrollment website, and College Open House events.

C. Location and Scheduling

With the approval of the College and SBCC, eligible dual enrollment students may take the courses described herein during regular class periods at SBCC school sites in fall or spring terms, in approved times in fall or spring terms outside of the regular class

periods at SBCC school sites, or during any scheduled fall or spring term on the College campus or online.

Research by the College has demonstrated that students are most successful in full term classes. Consequently, student will be preferentially scheduled in those classes rather than a short term or hybrid classes when at all possible.

SBCC may not require students to register for only those dual enrollment classes offered at SBCC school sites, but may limit students from taking a course at an FSCJ campus if that same course is also offered at their home SBCC school.

If the College is physically closed or limiting on-campus class sizes through unexpected circumstances, courses which were originally scheduled as face-to-face or hybrid may be converted to online. In such circumstances, students and faculty members affected will be given all possible support to ensure students have the greatest chance of success.

D. Course Selection

College courses selected for this program shall meet and satisfy the requirements of s.1007.271 F.S. for awarding both high school credit and college credit. SBCC shall advise interested students and their parents or guardians of the application of the college credits earned to the credit required for a high school diploma, the ramifications, and responsibilities of initiating a permanent college transcript.

In accordance with s.1007.271 F.S., students may not earn dual enrollment credit for pre-collegiate instruction (including career/technical-preparatory instruction and college-preparatory courses), recreation or leisure, or physical education courses focusing on the physical execution of a skill.

Dual enrollment students may only enroll in those courses approved by SBCC and FSCJ. Courses offered at SBCC sites will be those exclusively available through FSCJ and will not duplicate courses offered through SBCC and their dual enrollment agreement with St. Johns River State College.

Students entering dual enrollment must complete the State-mandated 15 credit hours of "Core" General Education courses prior to earning 24 total hours of college credit. "Core" General Education courses are indicated in the advising guide listed in Exhibit B.

In accordance with HB1735 amending 1007.25 FL students entering a Florida College system institution or state university must demonstrate competency in civic literacy by achieving a passing score on an assessment and by successfully completing a civic literacy course.

The guide for courses to be offered through Dual Enrollment is the Dual Enrollment Course-High School Subject Area Equivalency List approved by the State Articulation Coordinating Committee which can be found on the State Articulation website at <https://www.fldoe.org/core/fileparse.php/5421/urlt/AcademicList.pdf>.

If SBCC wants to offer FSCJ dual enrollment courses on SBCC sites, the request for new courses and programs to be offered for dual enrollment will be made by SBCC, to the Executive Director of Articulations, FSCJ. Faculty certification, sufficient student enrollments, instructional materials, and appropriate classroom facilities must be available for the courses to be offered.

Dual enrollment courses offered at the high school site may not be stacked with any non-dual enrollment high school course. SBCC may not assign any non-dual enrollment students to class periods designated for dual enrollment students.

E. Course Equivalency

In general, three (3) college credit hours are equivalent to a 0.5 high school credit, with six (6) college credit hours equating to one (1) full high school credit. There are exceptions, however:

1. Florida Department of Education's articulation committee maintains a list of dual enrollment courses identified to meet high school graduation requirements. This list contains certain semester-length postsecondary courses deemed of sufficient rigor to earn a full high school credit. The current list can be found on the Florida Department of education website at <https://www.fldoe.org/core/fileparse.php/5421/urlt/AcademicList.pdf>.
2. High school credits shall be awarded per the status of the list at the time of student enrollment.
3. One (1) credit hour college music courses are equivalent to 0.5 high school credit.
4. Most two (2) hour college credit courses are equivalent to 0.5 high school credit.
5. College certificate program workforce credit courses are equivalent to a 0.5 high school career education credit.

F. Eligibility for Traditional Dual Enrollment

1. Dual Enrollment programs are designed for secondary students who demonstrate the ability to conduct themselves as mature, responsible students in a collegiate environment, and who understand the consequences of establishing a permanent

college transcript. Students taking individual Traditional Dual Enrollment courses who are not part of an Early Admission program must establish a qualifying cumulative unweighted GPA of 3.0 calculated based upon at least four (4) full high school credits.

2. For enrollment, students who enroll in Traditional Dual Enrollment courses must demonstrate readiness for college-level work with scores on a common placement test adopted by the State Board of Education under s.1007.27(5) F.S. such as the ACT, SAT, Classic Learning Test (CLT), Accuplacer Next Gen, or Postsecondary Education Readiness Test (PERT) that exempts them from remedial work in reading and writing. If the PERT or Accuplacer Next Gen is used for this purpose, students must present for review scores in all three areas of reading, writing, and mathematics. This includes students wishing to take dual enrollment courses in Humanities or the Social and Behavioral Sciences. Students wishing to take dual enrollment courses in mathematics or science must also present test scores that exempt them from remedial work in mathematics. Qualifying test scores in the areas of Writing and Math must be dated within two (2) calendar years prior to the first day of the dual enrollment class.
3. Exception: Placement for SLS1103, or an acceptable SLS alternative course only may be achieved through the following:
 - a. senior and junior level students who have no posted college-ready reading scores may qualify with a cumulative unweighted 3.0 high school GPA calculated based upon at least four (4) full high school credits.
4. Students must meet all prerequisite requirements for any dual enrollment course prior to registration. Students using courses from another accredited postsecondary institution or test scores (such as AICE, AP, IB, or CLEP scores) must submit official documentation to FSCJ at least three (3) weeks prior to registration for courses on the college campus on at least three (3) weeks prior to the first day of class for courses offered on the high school campus.
5. Schools may schedule high school Level 3 world language classes as dual enrollment for qualified secondary students (including minimum GPA requirements based upon at least four full high school credits and college ready test scores) who have previously completed the competencies of the Level I and II classes in the same language, with a grade of "C" or better. The courses in which these students enroll must consist of only dual enrollment students.
6. State law requires that dual enrollment students may only enroll in 12 credit hours before achieving assessment scores that place them into college level courses in all three areas of reading, writing, and mathematics. This requirement pertains to all established assessment placement instruments: PERT, Accuplacer Next Gen, ACT, CLTSAT, and any subsequent functional equivalents. A special exception to the 12

credit hour rule may be available to students who have met placement requirements in reading and writing, and are enrolled in an academic course in mathematics at their high school or have completed a college level math course at another accredited postsecondary institution. Exceptions must be approved by SBCC and FSCJ's Office of Articulations and are valid for one semester only, after which appropriate test scores must be presented.

7. General Education Requirement: Students must complete the State-mandated 15 credit hours of "Core" General Education courses prior to earning 24 total hours of college credit. "Core" General Education courses are indicated in the advising guide listed in Exhibit B.
8. Maximum course enrollments will be as follows:
Fall and spring terms: Traditional Dual Enrollment students (those who are not participating in an Early Admission program) may enroll in no more than three (3) courses (11 credit hours) per 15 week semester.
9. Students must maintain a minimum 2.0 grade point average on their FSCJ transcript of college courses as well as a cumulative unweighted 3.0 high school GPA.
10. A grade of W, D, or F or assignment of NA in a single term, regardless of cumulative unweighted high school or college GPA, will remove student eligibility to participate in dual enrollment.
11. Students who have lost eligibility by earning a single grade of W, D, F or having been assigned NA, may apply for probationary status. Application for probationary status does not guarantee acceptance. Probationary status limits the number and location of courses the student is eligible to take. Successful completion of courses while on probation will return the student to full status as a traditional dual enrollment student. Students who do not successfully complete their probation courses will not be able to take any further coursework while a high school student but may apply to FSCJ after high school graduation.
12. Students who did not participate in probation may re-apply to take dual enrollment courses after the completion of two (2) consecutive semesters (including fall or spring) taking only high school coursework, if meeting all other eligibility requirements.
13. If a student posts a grade of W, D, or F in the same course on two attempts, the student will not be permitted to attempt the course a third time while a dual enrollment student.
14. Students and their parent or guardian must sign a contract delineating an understanding of both academic and behavioral expectations of the Dual Enrollment Program and adhere to the College Expectations for Student Conduct and SBCC Student Code of Conduct. Students who disrupt the educational process or in other

ways violate the Expectations for Student Conduct and SBCC Code (including issues of Academic Dishonesty) shall be referred to the appropriate Administrator for discipline in accordance with the Code and the College's policies and procedures. Discipline may include, but is not limited to, ineligibility for further dual enrollment participation as determined by a disciplinary committee including SBCC and FSCJ personnel. A copy of the Student/Parent Dual Enrollment Contract is included as Exhibit C.

15. Senior level students may not register under dual enrollment for courses on the College campus that conclude after their high school graduation.
16. Dual enrollment students may not perform any online change of registration status—dropping, adding, and withdrawal from courses. As stated in the Student/Parent Dual Enrollment Contract, performance of such activities will result in the student not being permitted to take dual enrollment classes. Students are expected to attend all classes in which they are registered. Students who are dropped for nonattendance will be subject to the requirement to apply for probationary status described in # 13.

Students are expected to attend all classes in which they are registered. Students who are dropped for nonattendance will be subject to the requirement to apply for probationary status described in #9.

I. Eligibility for Early Admission

1. Early Admission is a senior year program, allowing full time enrollment in fall and spring terms of a student's senior year.

For any exams for which a standard does not yet exist, high school teachers will have the opportunity to collaborate on the development of the exams with FSCJ faculty.
 7. Provide the exams and answer keys to the instructors prior to the start of the semester, as well as contact information for the faculty leader of the test development team.
 8. Review and approve any alternate final assignments for those courses in which a cumulative final exam is not administered.
 9. Hold final exams or alternate assignments returned to the College for a period of one (1) year.
- G. Supervision--** If SBCC desires to offer FSCJ Dual Enrollment courses on high school sites:

SBCC Shall:

1. Ensure all SBCC faculty teaching dual enrollment courses adhere to required standards designated in State Board Rule 6A-14.064, including, but not exclusive to, syllabus submission, submission of final exams and other required assignments, and adherence to College grading policies.
2. Offer access to the high school site for appropriate College personnel, including, but not exclusive to, campus dual enrollment coordinators, Executive Director of Articulations, College-wide and academic deans conducting classroom visitations.
3. Ensure dual enrollment students on the high school campus have instructions for, and access to technology to enable them to submit online instructional evaluations.
4. Conduct formal performance appraisal of the dual enrollment instructor according to the current District contract and Florida state law.

5. Coordinate with the College for formal program assessment and evaluation to include a yearly evaluative report describing student performance, student progression, and operational benchmarks of process.

The College Shall:

1. Monitor adherence to dual enrollment faculty submission of required syllabi, final exams, and other required assignments.
2. Evaluate submitted documents and provide feedback/approval within two (2) weeks for syllabus submissions and four (4) weeks for other submitted documents.
3. Perform classroom visitations and conduct dual enrollment evaluations which conform to standards for adjunct faculty on the College campus. Newly credentialed dual enrollment faculty will be observed in the fall.
4. Provide feedback to the instructor on classroom visitations/evaluations within four (4) weeks following the date of visitation.
5. Provide information on classroom visitation to the Office of Dual Enrollment for purposes of program level evaluation and improvement.
6. Provide mentoring to dual enrollment faculty.
7. Provide SBCC with information on the process for student submission of online instructional evaluation.

H. Student Performance, Grades, and Appeals

SBCC Shall:

1. Ensure that student performance is monitored and evaluated in accordance with FSCJ college credit and non-credit grading and academic standards:
 - a. for classes offered at the high school site, the grading may include a mid-term grade consistent with the Clay County Schools nine (9) weeks reporting schedule for the participating high schools and
 - b. there is to be no grade recovery strategy for any dual enrollment course offered on the high school or College site.
2. Ensure grading in courses is consistent with the grading system approved on the course syllabus.
3. Ensure any changes to grading standards for dual enrollment courses are submitted to the appropriate College academic dean for approval before institution.

4. Ensure dual enrollment faculty electronically post course gradebook items in the Canvas course shell provided for each course section and post final course grades in the College's student information management system by the designated dates for each academic term. Instructors who fail to post course gradebook items or submit final course grades to FSCJ during the established online grading window will receive a written warning for the first offense. Should there be a subsequent offense, they will not be permitted to continue to teach in the dual enrollment program.
5. Ensure the grades entered into the FSCJ and SBCC permanent record systems are the same. If a grading discrepancy is noted, it will be corrected within a period of two (2) weeks.
6. Ensure that students who have earned a grade of D, F, or W in a dual enrollment course, and their parents, are provided with full information regarding the consequences of withdrawals, multiple retakes, including the possibility of paying out-of-state tuition rate, GPA implications for transcripts and potential impacts on financial aid eligibility, and acceptance to selective admission postsecondary institutions.
7. Ensure that students who have earned a grade of D, F, or W in dual enrollment courses in a single semester and their parents are provided with full information regarding the student's ineligibility to take further dual enrollment courses.
8. Provide the College with information on any student who must be withdrawn from a dual enrollment course for reasons beyond their control (transfer to another school, move out of the area) within one (1) week of the withdrawal.
9. Ensure no students submit an application to retake a dual enrollment course more than once. Students who wish to retake MAT1033, MGF1106, MGF1107, and MAC1105 must retake the PERT to ensure proper advising and placement.
10. Provide students on the high school site with information on how to appeal a grade through a written request to SBCC, who will then review the appeal with the FSCJ Executive Director of Articulations for joint determination of further action. Students may need to submit an appeal in accordance with the college's student appeal process as outlined in the catalog.

The College Shall:

1. Evaluate grading processes to ensure compliance with College procedures and stated guidelines on course syllabi.
2. Review submitted gradebooks in the Canvas course shells from SBCC faculty to ensure alignment with submitted grades.
3. Ensure the Campus Dual Enrollment Coordinators securely deliver grades for courses taken on the College Campus to SBCC.

4. Develop a secure electronic file transfer protocol to send grades from the College system to SBCC.
5. Provide students enrolled in dual enrollment courses information on the student appeals procedure outlined in the college catalog if they wish to appeal a grade.
6. Process dual enrollment student grade appeals in a timeframe pursuant to College policy and procedure.

 - b. assist students and parents who wish to select courses which meet degree requirements for a specific course of study at another postsecondary institution, which may have different numbers of elective credit.
 - c. advise students who are undecided about their postsecondary major to take courses which meet General Education requirements.

Unless specifically provided for a designated program by SBCC, students attending dual enrollment classes at a location other than their public high school shall provide their own transportation.

M. Cost Sharing

In accordance with HB 5101 amending 1007.271 F.S. school districts are required to pay public postsecondary institutions tuition for courses offered on the college campus (including virtual campus) for the fall and spring terms, to pay only the costs of salary and benefits when instruction at the high school site is offered by a postsecondary instructor, but are not required to reimburse costs to the postsecondary institution for instruction on the high school sites delivered by high school instructors.

SBCC Shall:

1. Compensate SBCC personnel acting as dual enrollment adjunct faculty for FSCJ as part of their regular teaching load at the high school campus.
2. Compensate FSCJ per the current cost of adjunct faculty instruction, for the costs of College instructional personnel, who teach at the high school campus at SBCC request.
3. Compensate FSCJ at the current rate of instruction, for any college campus class specifically requested by SBCC for targeted groups of dual enrollment students.
4. Remit payment for college campus tuition.

The College Shall:

1. Compensate FSCJ faculty teaching a combination of regular FSCJ students and dual enrollment students on a college campus course if there are more than 16 SBCC dual enrollment students and the course was not specifically requested by SBCC.
2. Provide SBCC with rates of instruction on an annual basis.
3. Invoice SBCC for any class taught on the high school site by an FSCJ faculty member (full-time or adjunct) at the request of SBCC.
4. Submit to SBCC an invoice for tuition at the rate of \$71.98 per credit hour for all college credit courses Dual Enrollment and Early Admission students take through an FSCJ Campus/Center during the fall or spring term.
5. Submit to SBCC an invoice for tuition at the rate of \$2.33 per contact hour for all non-credit courses in programs leading to a career certificate or an applied technology diploma (PSAV) taken by Dual Enrollment students on the college campus during the fall or spring semesters.

N. Teacher Preparation and In-Service Training

FSCJ and SBCC will partner to provide teacher preparation and in-service training to District teachers and counselors to assist them in increasing the success of students in postsecondary education.

Each party agrees to protect the rights of students with respects to records created, maintained and used by each Party in accordance with state and federal law.

Shared data will be used to produce an annual evaluation report on implementation. The report shall include:

1. number and percentage of high school student participants by school, program type, and course;

Exhibit C. Student and Parent Contract (included on page 2 of the Dual Enrollment Application)

**FLORIDA STATE COLLEGE AT JACKSONVILLE/CLAY COUNTY SCHOOLS
DUAL ENROLLMENT STUDENT CONTRACT**

Success in dual enrollment college classes is dependent upon academic readiness, social maturity, and motivation. Students who choose to enter dual enrollment classes are subject to the same rules and regulations as other college students. Classes contain mature, adult students from diverse backgrounds, and life experiences. Additionally, course content is college level and may contain material, situations, and examples that may offend immature students. Students choosing to take college classes do so with the understanding that course rigor and content is intended for a mature, college-level student.

The high school student on the college campus experiences the same freedom and lack of direct supervision as any other college student; consequently, dual enrollment students are expected to conduct themselves as adults and follow both Clay County Public Schools' Code of Student Conduct and the College's Expectations for Student Conduct.

College course-level expectations include, but are not limited to the following:

- Students are expected to follow the guidelines in the course syllabus and retain that syllabus for reference.
- Students are expected to be in class on the first day and should attend all scheduled classes. Students may be assigned a grade of NA (Failure for Nonattendance) by the instructor for unexcused excessive absences.
- Students taking courses on the college campus are expected to have their texts and other course materials the first day of class.
- Two to three hours of homework or study should be completed for each hour spent in class.
- Assignment deadlines are firm.
- Students are expected to monitor their own progress in a course and to communicate regularly with their instructor if they have any questions about their progress or course material.

- Parents or guardians who have questions or concerns about their students' progress are subject to FERPA requirements and should direct their questions to the College Dual Enrollment Office and not to the course instructor.
- Students who take classes on the high school sites will have their final exams and program level assessments returned to the college and held for a period of one calendar year.

Program Level Requirements include, but are not limited to the following:

- Traditional Dual Enrollment students are limited to a maximum of 11 credit hours per fall or spring term.
- Early Admission students are limited to a maximum of 14 credit hours per fall or spring term.
- Final course grades of W (withdrawal), D, F, are permanent parts of a student's college transcript and may negatively impact transfer to other colleges and universities, scholarships, and eligibility for Federal Financial Aid.
- A grade of W, D, F or assignment of NA (drop for nonattendance) in a single term will remove student eligibility for dual enrollment.
- Once a schedule has been entered for a semester, there will be no changes to the schedule unless a class is cancelled.
- Students whose college GPA drops below 2.0 or whose cumulative unweighted HS GPA drops below 3.0 will lose eligibility for participation.
- Students must complete the 15 credit hours of "State Core" General Education prior to attaining a total of 24 college credit hours.
- To drop or withdraw from a course, the student, parent, and high school designee must submit the appropriate documentation prior to the deadline.
- Students who violate the SBCC Code of Student Conduct or the College's Expectations for Student Conduct (including Academic Dishonesty) are subject to disciplinary action. Depending on the offense, this may include, but is not limited to, assignment or course failure, and suspension or removal from the dual enrollment program. Students are entitled to the College's Appeal Process in such circumstances.
- **Students are not permitted to independently perform any registration activity. Any student found in violation will not be allowed to continue in dual enrollment for subsequent terms.**
