MEMORANDUM

TO: School Board Chairs

FROM: Tim Bryant, Okaloosa, FSBA President
Terry Castillo, Osceola, FSBA Treasurer
Andrea Messina, FSBA Chief Executive Officer

SUBJECT: Annual FSBA Dues Renewal

Dear School Board Chairs,

You are a valued member of the Florida School Boards Association (FSBA). Your continued leadership and commitment to your students and community are deeply appreciated. Our members tell us that one of the greatest values we provide is the intellectual and physical space for ongoing dialogue and networking with peers across the state. You and your district are an integral part of that network.

Your FSBA staff proudly serves you every day. We are dedicated to increasing student achievement through advocacy and leadership in public education. As the largest professional association for Florida School Board members, FSBA represents your views before the State Board of Education, the Department of Education, the Florida Legislature, Congress, and others. We pride ourselves on growing and adapting to best serve our members, and in turn, the students of Florida.

Your district dues help ensure that FSBA can maintain the benefits members have come to expect, which include, but are not limited to:

- On-call consultation services, our most valued benefit
- Regular publications, updates, and analyses
- Newsfeed and legislative tracking and summaries
- \$100,000 accidental death insurance policy
- Exclusive access to national membership associations and training
- Discounts on valued products and services

Your dues also allow the association to continue improving and expanding the services, training, and resources our members request. Visit the FSBA website to see the full accomplishments from last year's Annual Report.

FSBA bylaws require General Membership to approve dues rates at the Annual Joint Conference meeting. On December 5, 2024, the General Membership unanimously approved the dues schedule with a 2% increase for the 2025-26 year.

We welcome your ongoing suggestions for the Association's improvement at any time. We sincerely appreciate your sustained membership and look forward to continuing to serve you through your voice—our voice—the voice of public education in Florida.

Sincerely,
Andrea Messina, Chief Executive Officer
Tim Bryant, President
