**2025-2026 Early College Program Contract Between
The School Board of Clay County and
District Board of Trustees of St. Johns River State College**

Section 1007.273, Florida Statutes, specifies the development of a contract between the state college presidents and the superintendents of schools within their respective state college districts for the purpose of establishing an Early College Program. The purpose of the contract is to provide a primary framework within which all future Early College Program objectives and activities shall be described. The School Board of Clay County, Florida hereinafter referred to as the School District, and the District Board of Trustees of St. Johns River State College, hereinafter referred to as SJR State, desire to implement the above statute.

1. Parent and student notification process about student participation in the Early College Program:

The School District and SJR State will work collaboratively to notify eligible students and their parents of all Dual Enrollment acceleration mechanisms. The School District shall inform all eligible secondary students and their parents of Dual Enrollment as an educational option and mechanism for acceleration, including eligibility criteria, and the process by which students exercise their option to participate in Dual Enrollment. This information shall be included annually in each high school's curriculum guide, programs of study, student progression plan, and/or course catalog. SJR State shall work with each high school to provide information for their curriculum guides/progression plans/course catalogs, will coordinate inquiries to SJR State from parents and students with high school guidance staff, and will communicate directly with parents and students about Dual Enrollment options as appropriate. Additionally, SJR State's Director of Dual Enrollment will host annual Information Sessions for potential Dual Enrollment students on each of SJR State's campuses. The Director of Dual Enrollment will also host Information Sessions at the high school sites by request.

2. Programs and courses available to students eligible for Dual Enrollment:

A. Program Description: The Early College Program is an option for public high school seniors to earn CAPE industry certifications (Section 1008.44) and to successfully complete a minimum of 30 college credit hours through the dual enrollment program. Section 1007.271, Florida Statutes, establishes that "the Dual Enrollment program is the enrollment of an eligible secondary student in a postsecondary course creditable toward high school completion and a career certificate or an associate or baccalaureate degree."

St. Johns River State College has an Early College Program at the following schools: Orange Park High School, Middleburg High School, Palatka High School, Interlachen High School, Pedro Menendez High School, and Toco Creek High School. SJR State's Early College Programs allow admitted students to complete a full 60-credit hours of dual enrollment coursework, culminating in earning both a standard high school diploma as well as an Associate in Arts (AA) Degree upon completing four years of high school. Students begin the program in the ninth grade, and in grades ninth-eleventh they take both college-level and high school coursework at their high school site, and in the twelfth grade, all coursework is completed on one of St. Johns River State College's campuses (Orange Park, Palatka, St. Augustine, or online).

B. Early College Program Dual Enrollment Course Offerings: Dual Enrollment college credit courses are recommended to the State Board of Education by the State Articulation Coordinating Committee as meeting high school graduation requirements. The *Dual Enrollment Course -- High School Subject Area Equivalency List* states the relationship between high school and college course subject areas and dictates the awarding of credit for said classes (available online at <http://www.fldoe.org/articulation/pdf/DEList.pdf>). All courses in the

Statewide Course Numbering System, except for remedial courses and physical education skills courses, can be used for Early College Program/Dual Enrollment credit and count towards high school graduation, including electives. These courses may include but are not limited to communications, humanities, mathematics, science, social sciences, foreign languages, and workforce education courses. Physical education, college preparatory, and non-credit courses in addition to courses within selected limited access programs are excluded from this agreement, as are courses with activities that presume an adult-level of maturity and personal responsibility such as study abroad. Neither traditional high school nor dual enrolled high school students may be permitted to pay to take any college courses, including physical education or college preparatory classes. Dual Enrollment students must be A.A. degree, A.S. degree, or Career and Technical Certificate seeking students.

C. Online Course Availability: Early College Program students may take online dual enrollment courses assuming seating availability exists.

D. Delineation of the high school credit earned for the passage of each Dual Enrollment course: Students enrolled in Dual Enrollment courses shall earn both high school credit from the School District and college credit from SJR State if they meet the minimum requirements for satisfactory completion of such courses. Students who complete a three (3), or four (4) credit hour Dual Enrollment course at SJR State with a passing grade will earn at least one-half (1/2) elective credit towards the high school diploma and/or designated subject credit assigned by the *Dual Enrollment Course -- High School Subject Area Equivalency List*.

3. Student eligibility requirements for participation in the Early College Program:

A. Initial Eligibility Criteria for Student Participation: Students can begin the Early College Program in the ninth grade. Students eligible to apply for the lottery to participate in one of the Early College Programs must have a cumulative unweighted GPA of 3.0 in all academic coursework. Students must have a cumulative unweighted GPA of 3.0 in at least one academic high school course taken as an 8th grader. Early College Program students will be required to complete the P.E.R.T., PreACT, ACT, PSAT and/or SAT (or other alternative methods) to demonstrate readiness for college coursework. No student shall be enrolled in a college credit mathematics or English dual enrollment course unless the student has demonstrated adequate precollegiate preparation on the appropriate sections of the P.E.R.T., PreACT, ACT, PSAT or SAT (a placement test score chart is available online on the College's website at <http://www.sjrstate.edu/catalog/placementtest.pdf>).

B. Continued Eligibility Criteria for Student Participation: Early College Program students who earn below a "C" (including a "W" grade) in any Dual Enrollment course will be subject to dismissal from the Early College Program and Dual Enrollment programs. All Dual Enrollment students must maintain an unweighted cumulative high school GPA of 3.0 or higher and a college GPA of 2.0 or higher to continue in the Dual Enrollment program. Students who do not meet these minimum standards to continue in Dual Enrollment may contact the Dual Enrollment Office to learn about the petition process. Students not maintaining this standard are subject to dismissal from the Early College Program and Dual Enrollment programs and will not be eligible for admission if this standard was not met at a previous college or university. Students who do not maintain satisfactory progress at the college will be placed on academic probation. Regardless of meeting student eligibility requirements for continued enrollment, a student may lose the opportunity to participate in a Dual Enrollment course if the student is disruptive to the learning process such that the progress of other students or the efficient administration of the course is hindered.

C. Graduating seniors: Students who graduate prior to completion of the postsecondary course may not register for the course through the Early College Program/Dual Enrollment Program. Graduating seniors who successfully participated in dual enrollment while in high school may be approved to register as traditional, fee-paying students in summer courses that begin prior to the award of their high school diploma after completion

of a waiver process that originates in the Office of Student Affairs; however, financial aid will not be available to students until after their high school diploma has been conferred.

4. Process for students and their parents to elect to participate in the Early College Program:

A. Application Procedure: To participate in the Early College Program at SJR State, eligible rising 8th grade students are required to attend one of SJR State's Early College Program Information Sessions. The completed lottery application must be submitted, with all necessary signatures, by the posted deadline. The School District will confirm that the student is eligible to participate in the Early College Program. All application deadlines will be published by the respective School District and posted on SJR State's website each spring <https://www.sjrstate.edu/dual.html>.

B. Registration (Enrollment) Process: The Early College Program registration policies will follow the same registration policies for the Dual Enrollment courses that are addressed in the SJR State and the School District's Dual Enrollment articulation agreement. Parties involved with the Early College Program will need to refer to the SJR State and the School District's Dual Enrollment articulation agreement for the following areas: Acknowledgement of Principles of Participation, Registration Process, Disabilities Accommodation, Schedule Changes, Withdrawing from a course, Weighting of DE course, College Academic Calendar, and Grade Forgiveness.

5. Identification of instructional methods and instructors for all courses, Early College Program/Dual Enrollment Instructors:

Teachers of Dual Enrollment/Early College Program courses will have college teaching credentials established by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). Appropriate School District and SJR State staff shall meet and confer to recommend qualified faculty for Dual Enrollment classes taught on the high school site. Preference will be given to qualified high school teachers in the selection process. All instructors will meet or exceed the academic and professional preparation requirements for teaching at SJR State. All Dual Enrollment faculty will have completed at least eighteen (18) graduate semester hours in the teaching discipline and hold at least a master's degree. SJR State shall appoint all instructors.

6. Identification of student advising and progress monitoring mechanisms:

A. High School Guidance Services: The School District's guidance staff will maintain oversight and monitoring responsibility to ensure the meeting of high school graduation requirements remains the priority. In addition, each high school's Dual Enrollment contact will check the unweighted GPA of Early College Program students to confirm GPA qualifications are met. To ensure seamless articulation and coordination, high school guidance counselors will meet at least once per year with SJR State's college advisors.

B. College Guidance Services: Prior to the beginning of the fall term, SJR State's Dual Enrollment Office will host Dual Enrollment Orientation Sessions on the College campus/or high school sites for new and returning Dual Enrollment students. The purpose of the Dual Enrollment Orientation Sessions will be to introduce the Dual Enrollment students to the College campus; highlight the SJR State guidance, career, library, and college planning services available; and clarify College policies and procedures. A key advising point that will be shared with parents and students is that Dual Enrollment grades are calculated and recorded in the student's college GPA and transcript, creating a permanent record that can impact future university admission decisions. At this time, all high school Dual Enrollment students will be assigned a MySJRState account. Through this online portal, the College will send the student communications about educational and career development activities. Additionally, Dual Enrollment students will work with the staff of SJR State's Dual Enrollment Office regularly throughout the process of planning and scheduling Dual Enrollment courses. Dual Enrollment and early admission students are encouraged to meet regularly with college counselors and to develop a post-secondary

plan and major during information and orientation sessions. Dual Enrollment/Early College/Early Admission students will be required to meet with a college advisor after completion of 20 college credits.

- C. *Progress Monitoring Mechanism:* Parties involved with the Early College Program will need to refer to the SJR State and the School District's Dual Enrollment articulation agreement for the following areas: Responsibility for Student Screening and Student Policies, Procedures, and Behavioral Expectations.

7. Program Management and Quality Assurance:

Early College Program/Dual Enrollment courses are college courses with the identical content and learning outcomes expected of all other college courses identified with the same statewide course prefixes and numbers. To ensure that the Dual Enrollment program demonstrates the level of academic rigor expected of all college courses and programs, the School District and SJR State's Dual Enrollment Program will adhere to the rules dictated in the *Statement of Standards of Dual Enrollment /Early College Programs in the Florida State College System* (available online at <http://www.fldoe.org/articulation/pdf/DualEnrollmentStatementStandards.pdf>) that was codified in State Board of Education Rule 6A-14.064, FAC.

8. Student Grades and Records:

- A. *Student Grades:* Grades assigned by the post-secondary institution for Dual Enrollment courses, including the "W," are to be accepted at face value by the School District and are not to be changed on the student's high school academic record (SBE Rule 6A-1.09941, F.A.C.).
- B. *Student Records:* The School District and SJR State may provide personally identifiable student records to each other in the performance of this agreement. Such records are provided pursuant to Section 1002.22(3)(d), Florida Statutes, and 20 U.S.C.A. 1232g. Each party further agrees to comply with Section 1002.22, Florida Statutes, and 20 U.S.C.A. 1232g, including but not limited to provisions related to confidentiality, access, consent, length of retention and security of student records.

9. Responsibility for Costs:

For dual enrollment courses offered on the College campus and online, the School District shall pay the standard tuition rate per credit hour from the Florida Education Finance Program (FEFP). For dual enrollment courses offered on the high school campus by a qualified high school teacher, by an SJR State adjunct, or by an SJR State full-time instructor, the school district shall be responsible for the college's actual costs associated with dual enrollment. For 2025-2026, the following per credit hour rates will apply:

- Course taught on SJR State Campus: \$71.98/credit hour
- Course taught online: \$71.98/credit hour
- Course taught on the high school campus by a qualified instructor paid by the district: No fee due to SJR State
- Course taught on the high school campus by an SJR State adjunct or full-time instructor teaching as an overload: \$700.00 per credit hour

Parties involved with the Early College Program will need to refer to the SJR State and the School District's Dual Enrollment articulation agreement for the following areas: Add/Drop and Withdrawal Policy, Student Fees, Instructional Materials, Instructor Fees, Facility and Laboratory Fees, Disability Services, and Student Transportation.

9. Cost Savings to Students:

Based on SJR State's 2025-2026 in-state tuition rate for Florida residents of \$110 per credit hour, for 30 credit

hours, the tuition cost savings to students would be \$3,300, and the estimated textbook cost savings to students would be \$1,420, for a total cash savings of \$4,720. For students who complete the full SJR State Early College Program, completing 60 college credits and earning the Associate in Arts degree, the tuition cost savings to students would be \$6,600, and the estimated textbook cost savings to students would be \$2,840, for a total cash savings of \$9,440.

Dual Enrollment Early Admissions Early College Program

Dual enrollment students will be enrolled in courses that count toward high school graduation and college credit, so understanding the expectations of being a college student is important. To ensure that students understand the policies and procedures regarding conduct, communication, curriculum, and college policies, all students are asked to read and abide by the following: Principles of Participation and Student Responsibilities. This document applies to any student who is registered in any dual enrollment courses, including public school students, private school students, charter school students, and homeschool students. This document applies to any Traditional Dual Enrollment or Early College Program student.

Principles of Participation for Dual Enrollment, Early Admission, and Early College Program students

- Students are required to communicate any issues to the appropriate people (high school contact, dual enrollment office, faculty, parents, etc. If you are not sure who you need to communicate with, ask your high school contact or call the Dual Enrollment office at 386-312-4136
 - Students are expected to address any course issues with their instructor, it is the student's responsibility to notify the instructor of absences caused by illness, emergencies, etc.
 - Postsecondary institutions must abide by the Federal Family Educational Rights and Privacy Act (FERPA). SJR State's faculty and staff are not permitted to discuss student performance with anyone other than the student or designated educational staff unless the student signs a release. For a copy of this act, please call our office at 386-312-4136 to be provided with the information.
- Dual enrollment students are held to the same standards as regular/traditional college students, unless otherwise restricted by federal, state, or local requirements.
- Students must abide by all SJR State policies and procedures, including but not limited to, the SJR State Student Catalog/Handbook, attendance policies, academic integrity, and discipline policies as published.
 - The only excused (approved) absences are those sanctioned by SJR State. High school holidays, activities, and sports are not excused absences for students enrolled in classes at SJR State or dual enrollment courses held at the high school site. Students need to check the academic calendar before registering for courses to be sure there are no conflicts (spring break, winter break, summer vacation, etc.).
 - Academic work submitted by a student to the instructor is assumed to be the result of his or her own thought, research, or self-expression. When a student borrows ideas, workings, or organizations from another source, he or she is expected to acknowledge that fact in an appropriate manner (citation).
 - Dual enrollment students are entitled to the same appeal processes (grade appeal or Academic Misconduct) as regular college students. The appeals process can last until the following semester. This process is conducted by the SJR State Office of Student Affairs.

- Students are required to know the policies and outcomes, related to grades, academic history, and graduation.
 - Students are not permitted to re-take courses in which they have earned a grade of “C” or higher.
 - Any letter grade below a “C” will not count as credit toward the Gordon Rule requirement (English, Math, and Humanities). However, all grades will be calculated into the student’s GPA and will appear on their college transcript.
 - All dual enrollment (college) grades will become part of the student’s permanent college transcript and may affect college admissions to other colleges and universities, financial aid, and Bright Futures eligibility. These grades are permanent.
 - Withdrawal (“W”) from a course will be listed on the student’s permanent college transcript.
 - College credits earned through the dual enrollment program will be recorded on both the student’s high school transcript and SJR State transcript.
 - Students who receive a D, F, or W in a course may not register for another course within that same term until they have completed the petition process through the SJR State Dual Enrollment office. For example, if a student receives a W in a Fall A course, they may not register for a Fall B course until they have completed the petition process.
 - Students are only permitted to take 2 courses during the Summer sessions (a maximum of 8 credit hours). Courses requiring a co-requisite will only count as 1 course.
 - A student receiving an “I” grade must complete the course within a 30-day calendar period which begins on the first day of classes of the next term. Students are not eligible for graduation until all “I” grades have been removed from their academic record. Incomplete work will convert to an “IF” if the course work remains incomplete.
 - Dual Enrollment students who have graduated high school, may participate in Summer A courses the year of graduation. Students must petition the Office of Student Affairs to attend these courses and are responsible for all fees. You can contact the Dual Enrollment Office for this petition process.
- Dual enrollment students must understand the differences between high school and the college’s curriculum, course structure, and student body.
 - College courses, including those taught at the high school site, will maintain a consistent level of academic rigor without compromising standards. The course material in these classes are not developed to accommodate variations in student age and maturity and may reflect topics not typically included in secondary courses, which some parents may object to for “minors.”
 - The curriculum, content, evaluation (grading practices), and selection of appropriate instructional materials are the right of the college instructor and will not differ for dual enrollment students. The same material will be presented to regular college students and dual enrollment students. College grading policy will be used for all dual enrollment courses. Instructors will not adapt their course for dual enrollment students.
 - Dual enrollment at the high school site will follow the same standards as courses offered on SJR State’s college campuses.
 - SJR State is an open campus, and classes (face to face and online) will have students of various ages and

backgrounds enrolled in these courses.

- Dual enrollment students are required to attend/read New student orientation materials. The orientation presentation is available online, on campus, on the high school site, or can be sent to you via email. It is the student's responsibility for viewing and ensuring they understand the materials presented in the dual enrollment new student orientation.
- Dual enrollment students are held responsible for the following coordination and paperwork requirements:
 - Students are required to ensure the accuracy of their information (full legal name as presented on the birth certificate, birthdate, and social security number). Students will be responsible to notify the Dual Enrollment Office of any changes to their address, phone number, high school, test scores, etc. It is the student's responsibility to provide updated test scores for placement to the high school and dual enrollment office.
 - Students need to have the ability to log in to MySJRState, in order to view or access their schedules, Canvas (online course management system), grades, order transcripts, etc. Providing the correct social security number, date of birth, and zip code allows the student to be registered for this access and will alleviate login issues.
 - Students who do not log in to their online course within the first week, may be dropped from the course for non-attendance.
 - Students with disabilities need to provide documentation to SJR State's Advising Office, in order to receive accommodations. The student must self-identify to receive these accommodations. Accommodations at the high school are not automatically sent over to SJR State, it is the responsibility of the student to provide these to the Advising Office/Disabilities Coordinator.
 - Students are accountable for completing the appropriate college forms and meeting college-established deadlines for add/drop and/or withdrawal. Students must have prior approval from their designated high school contact to add/drop or withdrawal from college courses. Please note that dual enrollment deadlines are often different than the traditional College deadlines. All dates and deadlines are notated on the SJR State Dual Enrollment homepage (www.sjrstate.edu/dual). High school site deadlines are often also different, please be sure you are aware of dual enrollment deadlines at the high school site.
 - Students are responsible for ordering/paying for their college transcript once they have graduated from high school.
 - It is the responsibility of the dual enrollment student to ensure they have their textbooks and necessary materials for their courses. For public school students, textbooks are handled through the school district; for private and charter school students, textbooks are the responsibility of the student; and for homeschool students, textbooks are handled through the SJR State bookstore. All textbooks for high school site classes are provided by the individual high school.
 - All correspondence regarding dual enrollment classes, petitions, dates and deadlines, and any other messages will be sent to the student's SJR State email address (name@vikings.sjrstate.edu), students will be responsible for knowing how to access this email address.
 - Students enrolled as Dual Enrollment, Early Admission, Early College Program, or Career Early Admission shall be

exempt from the payment of registration, tuition, and laboratory fees. Students are not permitted to pay for extra courses over the designated limit. The student should work closely with an academic advisor to work out a course load that can be successfully completed each term. Early Admission Dual Enrollment students must take a minimum of twelve (12) and a maximum of sixteen (16) Dual Enrollment credit hours each fall and spring term.

- Dual enrollment students need to understand the eligibility requirements listed below:
 - Students whose unweighted high school GPA drops below 3.0 and college GPA drops below 2.0 will lose eligibility for dual enrollment.
 - Regardless of meeting student eligibility requirements for continued enrollment, a student may lose the opportunity to participate in a dual enrollment course if the student is disruptive to the learning process, including when the progress of other students or the efficient administration of the course is hindered.
 - Students sentenced to disciplinary action from the high school may lose eligibility for dual enrollment at the high school site, due to excessive absences.
 - Students with excessive absences, at the high school, college or online, may be withdrawn from the course by instructor.
 - Students may appeal eligibility requirements with the petition process through the Dual Enrollment Office. Students will only be granted a maximum of one petition during their dual enrollment career.
 - Dual Enrollment students are all required to attend a New Student Orientation, it is located online and must be viewed before registering for courses.

Student Responsibilities for Dual Enrollment, Early Admission, and Early College Program students

- Dual Enrollment Online Application needs to be completed with the correct information.
 - Full legal name as presented on birth certificate
 - Correct Social Security Number
 - Correct birthdate (please check your birth year)
- If using PERT, ACT, or SAT test scores, please provide a copy of your official test scores when turning in your Dual Enrollment application to your high school's dual enrollment contact. If your scores change, and you need to use your updated scores to register for a course, it is the student's responsibility to provide those scores to the high school counselor who provides them to the Dual Enrollment Office.
- If using AICE, AP, or IB test scores, please provide a copy of your official test scores when wanting to use these scores to satisfy prerequisite requirements.
- Students will need to be able to log into mySJRState, in order to view their schedules, grades, etc.
- Students will need to be able to communicate any issues to the appropriate people (high school contact, dual enrollment office, faculty, parents, etc.)
- Students will need to keep track of all deadlines (i.e., add/drop deadline, withdrawal deadline, etc.)
- Students are responsible for knowing which courses they are registered for, when the courses begin/end, and what delivery mode the course is being offered in.
- Students with disabilities need to provide documentation to SJR State's Advising Office, in order to receive accommodations.
- Students need to inform the Dual Enrollment Office of any changes: address, phone number, high school, test scores, name change etc.
- Students are responsible for knowing college and course policies (parking decal, academic integrity, etc.)
- Students are responsible for ordering/paying for their college transcript once they have graduated high school.
- When a student receives a "W," "D," or "F," it is their responsibility to obtain a Dual Enrollment Petition Form from the student's high school counselor (homeschool students please call the DE Office 386-312-4136). Students will not be permitted to register for courses until the DE Office has received this item.

Please retain this document as a reference for the SJR State Dual Enrollment program. When a student signs the SJR State Dual Enrollment online application signature page, you agree to the above statements.

For questions regarding any of the items listed above, please contact the SJR State's Dual Enrollment Office at (386) 312-4136 or dualenrollment@sjrstate.edu.

The SJR State Dual Enrollment Office is located on the Palatka Campus, at 5001 St. Johns Avenue, Palatka, FL 32177
