Selected Systems and Products

Circle Cut In 70V Loudspeaker

QTY - 158

The EPIC 70V Ceiling Speaker is a fully assembled speaker assembly, with back can and speaker grill. The speaker has a tuned ported enclosure that provides superior bass response while maintaining a very high sensitivity. The transformer tap selector is easily accessible on the side of the speaker. Metal speaker back meets UL 2043 criteria for plenum installation.

70V Wall Mount Speaker, White

QTY - 85

70V Wall Mount Speaker in white.

Internal Angled 70 Volt Horn Speaker and Enclosure

QTY - 04

This kit includes one 70 Volt H16 SVP angled front speaker and one SE2WVP slanted enclosure.

External 70V Horn Speaker and Enclosure

QTY - 24

The SYSTEM 6VPS is a complete, vandal resistant horn assembly featuring a double re-entrant, compression horn with an integrated 16W, 25/70V, multi-tap transformer that is mounted on a vandal resistant, stainless steel baffle. It also includes a square, heavy gauge stainless steel, surface mount enclosure.

EPIC 70V Volume Control Assembly

QTY - 47

EPIC 70 Volt Volume Control Assembly includes the Control, 1" Raceway, and Surface Mount box.

Audio Enhancement, Inc. is pleased to offer the following warranty.

A standard Five (5) year limited manufacturer's warranty ("Limited Warranty") against malfunction due to manufacturing defects in materials or workmanship on the IR and XD teacher and student microphone, XD receiver (K-SRC14), CA-30, CA-60, GL-300, Hydra II, XDSolo™, BEAM, BEAM Pro, Handheld Microphone Holder, and Ceiling and Wall speakers ("Audio Enhancement Products"). The Limited Warranty applies only if: (1) the Audio Enhancement Products are installed according to manufacturer's instruction provided to Customer and (2) the Audio Enhancement Products are not misused or abused, and there is no evidence of mishandling, neglect, modification, or repair without the approval of Audio Enhancement.

A standard three (3) year limited manufacturer's warranty ("Limited Warranty") against malfunction due to manufacturing defects in materials or workmanship on the EduCam360, EduCam 360-A, EduCam360-B, EduCam360-C, EduCamPTZ, EduCamPTZ-B, MS-1000 Monitoring Station (MS-1000), AVConnect (HDBaseT), SAFE System, EPIC System Server, MS-300, MS-500, and CLAUDIA. The Limited Warranty applies only if (1) the Audio Enhancement product is installed according to manufacturer's instructions and by an Audio Enhancement certified installer and (2) the Audio Enhancement Products are not misused or abused, and there is no evidence of mishandling, neglect, modification, or repair without the approval of Audio Enhancement.

A standard one (1) year limited manufacturer's warranty ("Limited Warranty") against malfunction due to manufacturing defects in materials or workmanship on our General Electronics (including but not limited to: NVRs, Classroom Wall Box, MS-400, Hydra Adapter (SC-12-24VACDC), Wall Plate Accessories (WPA), Alert Notification Button, Mic360™, UPS (Uninterrupted Power Supply)), specialty cables and adapters. EPIC System Console Touchscreen, Server Drives, and EPIC System Console Paging Microphone. The Limited Warranty applies only if (1) the General Electronics is installed according to manufacturer's instructions and by an Audio Enhancement certified installer and (2) the General Electronics has not been misused or abused, and there is no evidence of mishandling, neglect, modification or repair without the approval of the manufacturer.

The EduCam390 camera SD card and 'AA' NiMH and lithium-ion batteries supplied by Audio Enhancement, Inc., carry a 90-day warranty from date of purchase.

The following is not included under this Limited Warranty: (1) Misuse or abuse by the Customer; (2) normal wear and tear; (3) physical damage to Audio Enhancement's Products because of unreasonable use and/or negligence; and (4) damage caused by service or repairs by the customer or a person who is not authorized for such service or repairs by Audio Enhancement.

This Limited Warranty is provided by Audio Enhancement, and it contains the only express warranty provided to Customer by Audio Enhancement. Audio Enhancement does not authorize any other person, including distributors, to give any other warranties on

Audio Enhancement's behalf. The repair or replacement as provided under the express limited warranty is the sole and exclusive remedy of the Customer and Audio Enhancement's sole and exclusive liability hereunder.

Audio Enhancement disclaims any express warranty not provided herein and any implied warranty, guarantee, or representation as to performance, quality and absence of hidden defects, and any remedy for breach of contract, which but for this provision, might arise by implication, operation of law, custom of trade or course of dealing, including implied warranties of merchantability and fitness for a particular purpose. In no event shall Audio Enhancement be liable, whether in contract, tort (including negligence) or otherwise, for damages more than the purchase price of the product giving rise to the damages, or for any direct, indirect, incidental, special, punitive, exemplary, or consequential damages of any kind. Audio Enhancement further disclaims any responsibility for losses, expenses, inconveniences, special, indirect, secondary, or consequential, incidental, and contingent damages whatsoever, including damages arising from ownership or use of Audio Enhancement's products.

Audio Enhancement shall bear no responsibility or obligation with respect to the manner of use of any equipment sold by Audio Enhancement.

Audio Enhancement specifically disclaims and negates any warranty of fitness for a particular purpose of such equipment including, without limitation, any warranty that the use of such equipment for any purpose will comply with applicable laws and regulations or overcome any specific hearing/auditory processing deficit. When returning units for service, use adequate packaging to prevent shipping damage. Shipping damage is not covered under warranty.

Technical Support

Audio Enhancement Technical Support Representatives are available to assist by phone, chat, and email. With offices in West Jordan, Utah; Apopka, Florida; and Alpharetta, Georgia, we offer additional regional resources to ensure our local customers have all the support to meet their needs. Here is our companies technical support information and FAQ's.

Contact Support:

Hours: Monday-Friday 8:00am-7:00pm EST.

Phone: 800.932.3578

Email: Support@AudioEnhancement.com

Chat and RMA: www.AudioEnhancement.com/Support/

Additional Support:

Training Website: www.training.AudioEnhancement.com

YouTube Site: www.youtube.com/user/AudioEnhancementInc

Support Levels:

Level 1 Level 1 support is for basic audio systems. Tickets are created when a phone call is made, RMA is submitted, or an email is sent to support. Level 1 support services include troubleshooting with microphones, batteries, cabling, volume levels, information requests, and basic EPIC troubleshooting and setup.

Level 2 When a higher level of support is required, tickets are escalated to Level 2 support. This type of support includes advanced audio troubleshooting. Enhanced EPIC support including device configuration, SIP integration, LDAP integration, and configuration of VIEWPath and VIEWPath Live.

Level 3 Level 3 support is for final escalations and is handled by Audio Enhancement engineers and developers with 10+ years of experience.

Additional Support Personnel:

Audio Enhancement headquarters is located in West Jordan, Utah with two satellite offices in Apopka, Florida and Alpharetta, Georgia. Between our three offices and field services reps across the country, Audio Enhancement can provide additional onsite support when needed.

CONTRACT OFFER AND AWARD

OFFER TO BE COMPLETED BY RESPONDENT

In compliance with the Request for Proposal, the undersigned warrants that I/we have examined the Instructions to Respondent's and Technical Specification and being familiar with all the conditions surrounding the proposed project, hereby offer and agree to furnish all products and professional services in compliance with all terms, conditions, specifications and amendments in this solicitation and any written exceptions in the offer. Signature also certifies understanding and compliance of this proposal. The undersigned understands that his/her competence and responsibility and that of his/her proposed subcontractors, time of completion, as well as other factors of interest to the Florida Buy State Cooperative Purchasing as stated in the evaluation section, will be a consideration in making the award. This contract binds said vendor to all terms and conditions stated in the proposal and the award will be activated on the date signed by the Lead Agency of the Florida Buy State Cooperative Purchasing Program.

**ACCEPTANCE OF OFFER AND CONTRACT AWARD TO BE COMPLETED ONLY
BY THE LEAD AGENCY OF FLORIDA BUY STATE COOPERATIVE
PURCHASING**

Your RFP for contracting services is hereby accepted by the PAEC fiscal agent and District of Record, the Washington County Florida School Board on 11/15/22. As Offeror, you are now bound to sell the materials and services listed by the attached RFP based upon the solicitation, including all terms, conditions, specifications, amendments as set forth in the Request for Proposal. The parties intend this contract to constitute the final and complete agreement between the Agency and Respondent, and no other agreements, oral or otherwise, regarding the subject matter of this contract, shall bind any of the parties hereto. No change or modification of this contract shall be valid unless it shall be in writing and signed by both parties to this contract. If any provision of this contract is deemed invalid or illegal by any appropriate court of law, the remained of this contract shall not be affected thereby. The term of the agreement will be for 3 years with the option to renew for two additional 12-month terms. After the first 12 months, the contract may be cancelled by either party upon receipt of a 30-day notice provided all client obligations created under the contract have been satisfied.

Contract #: 23-119

Services Offered

Audio Enhancement is proposing to collaborate with Florida Buy – Panhandle Area Educational Consortium Purchasing Agency on the following services that apply to the categories audiovisual and instructional solutions, classroom audio, speakers, amps, video cameras, other related devices, and digital signage mentioned in this RFP.

Classroom Audio

Classroom Audio

With solutions to distribute sound and provide hands-free instruction, Audio Enhancement's Audio Solutions give classrooms and teachers a robust system that can be customized to fit specific needs. Wireless microphones provide hands free instruction and boost student confidence to speak up and participate in class. Revolutionary audio technology distributes sound throughout the classroom to amplifiers and speakers. Powerful sound technology helps students hear anywhere in the classroom and supports dynamic multimedia lessons.

EPIC System

EPIC System

EPIC (Education Paging & Intercom Communications) System™ gives administrative staff control of bells, paging, intercom and alert notification systems throughout the school. The EPIC System Console includes a Touchscreen Monitor with all the necessary tools for managing schoolwide communication.

SAFE System

SAFE System

An increasingly important priority in education is an extra level of safety and assurance for schools, classrooms, and the people in them. SAFE (Signal Alert For Education) System™ from Audio Enhancement, Inc. connects teachers and classrooms to first responders for quick response and communication. This revolutionary system relays urgent information about incidents for just-in-time help and safety. Classroom microphones and alert buttons help teachers discreetly notify the right people at the right time of a potential incident or accident. Now incorporating XD Technology, alerts can be sent from areas outside the classroom, like hallways, gymnasiums, cafeterias, and even outside.

VIEWpath

VIEWpath

An innovative classroom camera setup to record, store, and deliver lessons. VIEWpath® (Video Interactive Education Window) gives teachers the ability to record, collaborate, and share their lessons. Through teacher-controlled cameras and recordings, teachers can become more innovative practitioners and hone their craft through self and peer reflections. Utilizing cameras, teachers can provide digital learning opportunities anytime, anywhere.

AUDIO SOLUTIONS

Audio Enhancement, Inc. was founded on the belief that learning begins with hearing. Classroom audio is at the core of everything we do. Each Classroom Audio System delivers the teacher's natural voice and multimedia audio to every student in the room at an enhanced, soothing volume. Our flexible Classroom Audio Systems can be used in any learning environment.

HOW AUDIO SOLUTIONS WORK

SPEAK

Wireless microphones provide hands free instruction and boost student confidence to speak up and participate in class.

DISTRIBUTE

Revolutionary audio technology distributes sound throughout the classroom to amplifiers and speakers.

HEAR

Powerful sound technology helps students hear anywhere in the classroom and supports dynamic multimedia lessons.

VISIT www.AudioEnhancement.com or CALL 800.383.9362

Audio Solutions HIGHLIGHTS

PORTABLE AUDIO SYSTEMS

Our BEAM and other portable Audio Enhancement Solutions are designed to work effortlessly with our classroom audio microphones. This allows teachers to instruct anywhere in the room, while still delivering quality intelligible audio.

XD TEACHER AND HANDHELD MICROPHONES

The XD Handheld and Teacher Microphones are lightweight, simple to use. In addition to distributing voices, the teacher microphone can control the amplifier and initiate a silent alert signal.

INSTALLED AUDIO SYSTEMS

With solutions to distribute sound and provide hands-free instruction, Audio Enhancement's Audio Solutions give classrooms and teachers a robust system that can be customized to fit specific needs.

"The sound system is just amazing! I am already feeling the effects of not having to speak any louder than a normal talking voice when I teach and my students feel like I am always within range. Their attention has increased tenfold."

- Kim Edwards, Teacher from Mark West Union School District in California

EPIC System™

Education Paging & Intercom Communications

EPIC System provides an easy-to-use interface, accessible on any device with a web browser that integrates with each school's LDAP/Active Directory Server. Customizable role management gives administrators full control over each user's accessibility. Whatever the need may be, EPIC System provides options to make schoolwide communication uniquely tailored for any school.

BENEFITS OF THE EPIC SYSTEM

INTERCOM & PAGING

- Simple interactive display
- Hands-free intercom for teachers
- Deliver announcements to chosen zones

BELLS & NOTIFICATIONS

- Customizable bell zones
- Ability to import customized bell sounds
- Create prerecorded notifications

CLASSROOM AUDIO SYSTEMS

- Easily link EPIC System with classroom audio
- Works with teacher and student microphones
- Evenly distributes voices throughout the classroom

SAFE INTEGRATION

- Alerts can be detected from anywhere on campus
- Pre-record instructions to play during emergencies
- Integrates with third-party devices to activate emergency notifications

EPIC System HIGHLIGHTS

EPIC SYSTEM KIOSK

EPIC System can be controlled from the Kiosk or the EPIC mobile app. By customizing bells and announcements on an individual classroom level, schools can eliminate unnecessary distractions to the learning environment.

DISTRICT VIEW

District View provides visibility and communication to all campuses. When Safe Alerts are triggered on a campus, the district console highlights the campus and allows details of the SAFE Alert to be viewed by district staff.

INFOVIEW

InfoView gives school administrative staff control of classroom clocks and digital signage throughout the campus. Customize signs with clocks, announcements, emergency notifications, images, ticker tape messages, and next bell notifications.

"[EPIC] System is extremely easy and friendly to use so there is no stress when you need to quickly make adjustments."

Jennifer Brockwell
Principal, South Lake Elementary School,
FLSchool District

SAFE System™

Signal Alert for Education

Timely help for teachers is critical for resolving both small matters and larger, life-threatening crises. SAFE System™ provides necessary information to first responders and administrators using Audio Enhancement's classroom audio system. Minor issues may be contained before they escalate into major incidents.

BENEFITS OF THE SAFE SYSTEM

BULLYING

Teachers and administrators are able to monitor, intervene and correct behavior before it leads to harmful circumstances.

MEDICAL

Request the proper medical help quickly for any type of health condition or emergency.

FIGHTING

School personnel have the ability to step in before things escalate.

WEAPONS

Inform staff with instant live audio and video feed, and summon authorities to handle violent students or intruders.

SAFE System HIGHLIGHTS

TEACHER MICROPHONE

The integration of SAFE System with our teacher microphone gives teachers a personal duress button to send alerts instantly from anywhere in the school. Office staff can discreetly acknowledge the alert, letting teachers know that help is on the way.

MANAGE WITH A CLEAR VIEW

Through the EPIC System kiosk, you can view the date, time and location of the incident. The web-based interface gives administrators the ability to provide direction and maintain situational awareness of the entire campus, even in the most challenging emergency conditions.

TEXT, EMAIL, & APP ALERTS

At the same time the kiosk in the front office is alerted, all of the designated staff will also receive an email and a text notification with a link showing them the same information they are receiving in the office. Optional cameras can provide a live stream of the classroom.

"Student safety is the primary mission for every school Superintendent. The SAFE System is THE single greatest use of school district funds to ensure that each and every student comes back through that door at home each night. I wish every classroom in the nation had the SAFE System."

—Dr. William "Rob" Roberts
Former Superintendent of Nye County
