Superintendent has the authority to execute minor amendments to LSF contract per March 11, 2021 - School Board Special Meeting

Title: Ratify Lutheran Services Florida Standard Agreement with the School Board of Clay County, FL.-SEDNET.

Description: SEDNET is an acronym for The Multi Agency Network for Students With Emotional and Behavioral Disabilities, which agency is under the supervision and control of the Clay School District. Lutheran Services Florida, Inc. d/b/a LSF Health Systems, LLC (“LSF”) has maintained a contractual relationship with The School Board of Clay County, Florida through SEDNET for several years. The contract allows LSF, a non-profit corporation which obtains funds from both Federal sources and pursuant to a contract with the State of Florida, to then contract with regional SEDNET units, of which the Clay School District’s is one, to provide mental and behavioral health resources to students in need throughout the Northeast Florida region which consists of Duval, Clay and Nassau Counties. SEDNET acts as an independent contractor to LSF and provides the contracted behavioral and mental health services through its employees, agents and subcontractors after which the services are billed to LSF. The limit of LSF financial commitment and responsibility, as well as the requirements binding SEDNET are the subject of the attached contract. The total commitment by LSF, which theoretically should equal the expenditures by SEDNET for the 2020-2021 fiscal year are \$936,659.00. This amount, as well as all terms, are set forth in the attached contract. Under the previous administration the SEDNET supervisor was given the authority to contract with LSF. The supervisor, by direction, approved the attached contract on July 8, 2020. It is a three (3) year contract. There are minor amendments to this contract submitted periodically as required by LSF. Most amendments increase the total amount of the contract by 2% or less. With the change of administration and the implementation of updated purchasing policies it is necessary to ask the Board to ratify the contract. Without such ratification, each minor amendment to the contract will have to be brought to the Board, which action will create a lag in the availability of resources. The Board Attorney, in collaboration with the Supervisor of SEDNET, the Supervisor of Purchasing, the Assistant Superintendent of Finance and the Superintendent of Schools concur that it is imperative for the Board to be aware of the existence of this contract and that the Board ratify the contract in order for the month to month operations of SEDNET and its implementation of the contract with LSF to continue without interruption. Pursuant to current School Board Policy all future Master contracts between LSF and SEDNET would require approval by the School Board.

Expected Outcomes: It is expected that the School Board will ratify this contract, thereby allowing the Superintendent to execute the minor amendments to the contract that occur routinely.

**School District of Clay County - SEDNET
Amendment 115**

This amendment (the "Amendment") is made and entered into by and between Lutheran Services Florida, Inc. d/b/a LSF Health Systems ("LSF") and **School District of Clay County - SEDNET** ("Provider") to be effective July 1, 2024. Provider and LSF may be referred to herein individually as a "party" or collectively as "the parties."

Whereas, LSF wishes to amend the contract entered into between said parties on **July 1, 2020**, the purpose of this amendment is to extend effective date, increase funding, modify contract language, replace Attachment III, and revise Appendix A.

NOW THEREFORE, in consideration of the mutual covenants, and the mutual promises contained hereinafter, and in exchange for good and valuable consideration, the sufficiency of which is hereby acknowledged by the parties, as independent contractors, the parties agree as follows:

1. Capitalized terms herein shall be ascribed the meaning given by the Contract. In the event of conflict between this Amendment and the Contract, this Amendment shall control.
2. Standard Contract, Paragraph 2, 'Effective and Ending Dates' is amended to: "The performance period under this contract shall commence on the effective date of this contract and shall end at midnight, Eastern time, on **June 30, 2025**, subject to the survival of terms provisions of Section 34 hereof.
3. Standard Contract, Paragraph 3, 'Payment for Services' is amended to: "contract of an amount not to exceed **\$1,668,046.00**, or the rate schedule, subject to the availability of funds" and is otherwise unchanged.
4. Attachment I, Section C, Paragraph 1, 'Payment Clause' is amended to: "contract total dollar amount shall not exceed **\$1,668,046.00**, subject to the availability of funds from the Department" and is otherwise unchanged.
5. Attachment I, Section C, Paragraph 1.a.(2)(b), 'Payment Clause' is amended to: "The Managing Entity reserves the right to request monthly Expenditure Reconciliation reports, depending on the Network Service Providers rate of spending, to perform an invoice reconciliation at any point within a fiscal year." and is otherwise unchanged.
6. Attachment III is incorporated in its entirety into the contract and is provided herein. All prior references to same content are deleted.
7. Exhibit H, 'Funding Detail' is replaced in its entirety with the Exhibit H, 'Funding Detail' revised July 1, 2024, incorporated herein. All prior references to same content are deleted.
8. Appendix A, 'Exhibits and Incorporated Documents' is replaced in its entirety with the Appendix A, 'Exhibits and Incorporated Documents' revised July 1, 2024, incorporated herein. All prior references to same content are deleted.

Except as amended herein, the terms and conditions of the Agreement remain the same in full effect and authority.

The parties' authorized representatives have executed this twelve-page Amendment to be effective this 1st day of July 2024.

PLEASE REVIEW: FY 2024-2025 Initial Amendment - SEDNET

Greetings!

I have attached the new Amendment 115 for the fiscal year 2024 - 2025.

Please review the Amendment 115 carefully. Per LSFHS standard practice, the allocation is based on providers' contracted funding as of the last FY 2023-2024 amendment. It is important to note that we have not received our allocation for Supplemental Block

Grant. Additionally, we received a reduction in Mental Health and Substance Abuse General Revenue, Substance Abuse Block Grant Prevention, Early Intervention Services (First Episode Psychosis – FEP Teams), FACT, 211, and 988 (full amount is awaiting DCF budget

authority) funding on our initial Schedule of Funds (SOF) from DCF. The reduction was proportionally adjusted among the providers that normally receive those funding streams.

Carry forward funding is also not included as it is pending fiscal year reconciliation closeout and approval through the Carry Forward Plan submitted to DCF.

All Exhibits and Incorporated Documents have been updated and are available on our website:

<https://www.lsfhealthsystems.org/contract-documents/>.

A matrix of the LSFHS Contract Document changes will be available at a future date.

Should the terms meet with your approval, kindly execute the contract (**signatures are required on the amendment page, final page of the Standard Contract, and Attachment II**) and return same to my attention at your earliest convenience. If you

have questions or concerns regarding the terms contained therein, please let me know.

A fully executed copy of the Amendment 115 will be returned to you as quickly as possible. I appreciate your attention and time in this regard.

Note that the first monthly payment will not be rendered until a signed contract is received.

Thank you!
