CONTRACT REVIEW PROCESS FOR "ALL" CONTRACTS

A contract is defined as an agreement between two or more parties that is intended to have legal effect. This may include MOUs, Interlocal Agreements, Service Agreements and Contracts. Contracts document the mutual understanding between the parties as to the terms and conditions of their agreement, contain mutual obligations, and clearly state the agreement's consideration. The term consideration includes the cost of the services and/or products to be provided by second party (vendor or service provider) and any non-monetary performance. No school, department, or other organizational unit has authority to contract in its own name. All Board contracts must be made in the legal name of the Board, "The School Board of Clay County, Florida". The School or Department may extend this name to include the school or department as follows, "The School Board of Clay County, Florida o/b/o _____ (insert the school or department name)" where o/b/o means "on behalf of".

All contracts shall be reviewed and approved by the School Board Attorney and/or the Supervisor of Purchasing to ensure legality, compliance with Board policy, and to ensure the Board interests are protected before the authorized signatory may execute the contract.

All contracts having a value of \$100,000 or more shall be authorized by the Board at a regular or special meeting and signed by the Board Chairman. All approved contracts having a value of less than \$100,000 may be executed by the Superintendent or appropriate District administrator based on the value of the contract.

1. All approved contracts having a value of \$50,000 or more, but less than \$100,000 shall be signed by the Superintendent, or the person who has been designated, in writing by the Superintendent, as the Superintendent's Designee at the time of the contract signing. All contracts executed pursuant to this subparagraph shall be reported to the School Board in a separate entry as part of the monthly financial report.
2. All approved contracts having a value of \$25,000 or more, but less than \$50,000, shall be signed by the Superintendent, or the Assistant Superintendent for Business Affairs.
3. All approved contracts having a value of less than \$25,000 and contracts of any value described in Board Authorized Contracts above that are exempt from the requirement for Board approval, may be signed by the Superintendent, or the Assistant Superintendent for their Division, or Chief Officers, or Directors, or Principals.
4. The Superintendent is authorized to approve contract amendments or change orders for the purchase of commodities and services up to the amount of ten (10) percent or \$50,000, whichever is less, of the original contract amount that was previously approved by the Board.

Employees who enter into agreements without authority may be personally liable for such agreements, whether oral or written.
